Statement of Noncommercial Purpose

This request is made for noncommercial purposes. American Oversight seeks records regarding communications of senior state officials in Arizona regarding a software bug that had led to inmates beyond the release date for which they are eligible.⁴ Records with the potential to shed light on this issue would contribute significantly to public understanding of operations of the government, including when senior state officials knew about the issue and what steps they took to address it.

Because American Oversight is a 501(c)(3) nonprofit, this request is not in American Oversight's financial interest and is not made for a commercial purpose. American Oversight's mission is to promote transparency in government, to educate the public about government activities, and to ensure the accountability of government officials. American Oversight uses the information gathered, and its analysis of it, to educate the public through reports, press releases, or other media. American Oversight also makes materials it gathers available on its public website and promotes their availability on social media platforms, such as Facebook and Twitter.⁵

Because this request is made for noncommercial purposes, American Oversight requests that any fees charged in connection with processing this request be limited to copying and postage charges, if applicable.⁶ Please notify American Oversight of any anticipated fees or costs in excess of \$100 prior to incurring such costs or fees.

- Please search all locations and systems likely to have responsive records, regardless of format, medium, or physical characteristics.
- Our request for records includes any attachments to those records or other materials enclosed with those records when they were previously transmitted. To the extent that an email is responsive to our request, our request includes all prior messages sent or received in that email chain, as well as any attachments to the email.
- Please search all relevant records or systems containing records regarding agency business. Do not exclude records regarding agency business contained in files, email accounts, or devices in the personal custody of your officials, such as personal email accounts or text messages.

If a request is denied in whole, please state specifically why it is not reasonable to segregate portions of the record for release.
- Please take appropriate steps to ensure that records responsive to this request are not deleted by the agency before the completion of processing for this request. If records potentially responsive to this request are likely to be located on systems where they are subject to potential deletion, including on a scheduled basis, please take steps to prevent that deletion, including, as appropriate, by instituting a litigation hold on those records.

American Oversight welcomes an opportunity to discuss its request with you before you undertake your search or incur search or duplication costs. By working together at the outset, American Oversight and your agency can decrease the likelihood of costly and time-consuming litigation in the future.
