**Re: Freedom of Information Act Request**

Dear Mr. Hendricks:

Pursuant to the Freedom of Information Act (FOIA), 5 U.S.C. § 552, and the implementing regulations of your agency, 28 C.F.R. Part 16, American Oversight makes the following request for records.

On April 24, 2019, the U.S. Department of Justice (DOJ) filed a statement of interest in litigation involving Oscar Insurance Company of Florida, a company co-founded by Joshua Kushner, brother of Jared Kushner, the son-in-law of and senior advisor to President Trump.<sup>1</sup>

American Oversight seeks records that would shed light on whether and to what extent this personal relationship influenced DOJ's actions with respect to this matter.

**Requested Records**

American Oversight requests that DOJ produce the following records within twenty business days:

All records reflecting communications (including emails, email attachments, text messages, messages on messaging platforms (such as Slack, GChat or Google Hangouts, Lync, Skype, or WhatsApp), telephone call logs, calendar invitations, calendar entries, white papers, meeting notices, meeting agendas, informational material, talking points, any handwritten or electronic notes taken during any oral

communications, summaries of any oral communications, or other materials) between (a) any of the DOJ officials listed below, and (b) Jared Kushner, including but not limited to communications from the email address or domains listed in Column B, below.

Column A: DOJ Officials	Column B: Jared Kushner Email Addresses and/or Email Domains
<ul style="list-style-type: none"> <li>a. Makan Delrahim</li> <li>b. Andrew C. Finch</li> <li>c. Michael F. Murray</li> <li>d. Taylor M. Owings</li> <li>e. Kristen C. Limarzi</li> <li>f. Patrick M. Kuhlmann</li> <li>g. Jeffrey D. Negrette</li> <li>h. William J. Rinner</li> <li>i. Craig W. Conrath</li> <li>j. Kathleen S. O'Neill</li> <li>k. Daniel E. Haar</li> <li>l. Robert B. Nicholson</li> <li>m. Stratton C. Strand</li> </ul>	<ul style="list-style-type: none"> <li>a. Any email address from which Jared Kushner was or is communication ending in any of the following domains:               <ul style="list-style-type: none"> <li>i. @ijkfamily.com</li> <li>ii. @kushner.com</li> <li>iii. @kushnercompanies.com</li> </ul> </li> <li>b. jck@who.eop.gov, or any other email address ending in @who.eop.gov from which Jared Kushner was or is communicating</li> <li>c. Any other email address from which a DOJ official listed in Column A knows Jared Kushner to have been communicating.</li> </ul>

Given the reports establishing that Mr. Kushner regularly uses WhatsApp messages for communications regarding official government business,<sup>2</sup> the agency must conduct an adequate search for responsive WhatsApp messages “reasonably calculated to uncover all relevant documents.” *Valencia-Lucena v. U.S. Coast Guard*, 180 F.3d 321, 325 (D.C. Cir. 1999) (citations omitted). An adequate search will likely require asking officials with knowledge to aid in identifying responsive records. Although many agencies have policies requiring that official text messages copy an agency employee’s email address, an electronic search of email records would not be a sufficient search for this request because WhatsApp messaging applications do not have the technological capability to permit copying or forwarding to an email address.

Please provide all responsive records from July 1, 2018, through April 24, 2019.

<sup>2</sup> Mr. Kushner’s lawyer has reportedly told Congress that Mr. Kushner has used WhatsApp for official communications. TIMES, Mar. 21, 2019, <https://www.nytimes.com/2019/03/21/us/politics/jared-kushner-whatsapp.html>. Consequently, a search reasonably calculated to uncover all relevant communications must include a search of electronic messages on messaging applications.

## Fee Waiver Request

In accordance with 5 U.S.C. § 552(a)(4)(A)(iii) and your agency's regulations, American Oversight requests a waiver of fees associated with processing this request for records. The subject of this request concerns the operations of the federal government, and the disclosures will likely contribute to a better understanding of relevant government procedures by the general public in a significant way. Moreover, the request is primarily and fundamentally for non-commercial purposes.

American Oversight requests a waiver of fees because disclosure of the requested information is "in the public interest because it is likely to contribute significantly to public understanding of operations or activities of the government."<sup>3</sup> The public has a significant interest in knowing whether government officials are taking action based on their or other officials' personal relationships. Records with the potential to shed light on this issue would contribute significantly to public understanding of operations of the federal government, including whether and to what extent DOJ took action to support Oscar Insurance Company of Florida because its co-founder is the brother of Jared Kushner.<sup>4</sup> American Oversight is committed to transparency and makes the responses agencies provide to FOIA requests publicly available, and the public's understanding of the government's activities would be enhanced through American Oversight's analysis and publication of these records.

This request is primarily and fundamentally for non-commercial purposes.<sup>5</sup> As a 501(c)(3) nonprofit, American Oversight does not have a commercial purpose and the release of the information requested is not in American Oversight's financial interest. American Oversight's mission is to promote transparency in government, to educate the public about government activities, and to ensure the accountability of government officials. American Oversight uses the information gathered, and its analysis of it, to educate the public through reports, press releases, or other media. American Oversight also makes materials it gathers available on its public website and promotes their availability on social media platforms, such as Facebook and Twitter.<sup>6</sup>

American Oversight has also demonstrated its commitment to the public disclosure of documents and creation of editorial content through numerous substantive analyses posted to its website.<sup>7</sup> Examples reflecting this commitment to the public disclosure of

documents and the creation of editorial content include the posting of records related to an ethics waiver received by a senior Department of Justice attorney and an analysis of what those records demonstrated regarding the Department’s process for issuing such waivers;<sup>8</sup> posting records received as part of American Oversight’s “Audit the Wall” project to gather and analyze information related to the administration’s proposed construction of a barrier along the U.S.-Mexico border, and analyses of what those records reveal;<sup>9</sup> posting records regarding potential self-dealing at the Department of Housing & Urban Development and related analysis;<sup>10</sup> posting records and analysis relating to the federal government’s efforts to sell nuclear technology to Saudi Arabia;<sup>11</sup> and posting records and analysis regarding the Department of Justice’s decision in response to demands from Congress to direct a U.S. Attorney to undertake a wide-ranging review and make recommendations regarding criminal investigations relating to the President’s political opponents and allegations of misconduct by the Department of Justice itself and the Federal Bureau of Investigation.<sup>12</sup>

Accordingly, American Oversight qualifies for a fee waiver.

### **Guidance Regarding the Search & Processing of Requested Records**

In connection with its request for records, American Oversight provides the following guidance regarding the scope of the records sought and the search and processing of records:

- Please search all locations and systems likely to have responsive records, regardless of format, medium, or physical characteristics. For instance, if the request seeks “communications,” please search all locations likely to contain communications,

including relevant hard-copy files, correspondence files, appropriate locations on hard drives and shared drives, emails, text messages or other direct messaging systems (such as iMessage, WhatsApp, Signal, or Twitter direct messages), voicemail messages, instant messaging systems such as Lync or ICQ, and shared messages systems such as Slack.

- In conducting your search, please understand the term “record,” in its broadest sense, to include any written, typed, recorded, graphic, printed, or audio material of any kind. We seek records of any kind, including electronic records, audiotapes, videotapes, and photographs, as well as letters, emails, facsimiles, telephone messages, voice mail messages and transcripts, notes, or minutes of any meetings, telephone conversations or discussions.
- Our request for records includes any attachments to those records or other materials enclosed with those records when they were previously transmitted. To the extent that an email is responsive to our request, our request includes all prior messages sent or received in that email chain, as well as any attachments to the email.
- Please search all relevant records or systems containing records regarding agency business. Do not exclude records regarding agency business contained in files, email accounts, or devices in the personal custody of your officials, such as personal email accounts or text messages. Records of official business conducted using unofficial systems or stored outside of official files are subject to the Federal Records Act and FOIA.<sup>13</sup> It is not adequate to rely on policies and procedures that require officials to move such information to official systems within a certain period of time; American Oversight has a right to records contained in those files even if material has not yet been moved to official systems or if officials have, by intent or through negligence, failed to meet their obligations.<sup>14</sup>
- Please use all tools available to your agency to conduct a complete and efficient search for potentially responsive records. Agencies are subject to government-wide requirements to manage agency information electronically,<sup>15</sup> and many agencies have adopted the National Archives and Records Administration (NARA)

Capstone program, or similar policies. These systems provide options for searching emails and other electronic records in a manner that is reasonably likely to be more complete than just searching individual custodian files. For example, a custodian may have deleted a responsive email from his or her email program, but your agency's archiving tools may capture that email under Capstone. At the same time, custodian searches are still necessary; agencies may not have direct access to files stored in .PST files, outside of network drives, in paper format, or in personal email accounts.

- In the event some portions of the requested records are properly exempt from disclosure, please disclose any reasonably segregable non-exempt portions of the requested records. If a request is denied in whole, please state specifically why it is not reasonable to segregate portions of the record for release.
- Please take appropriate steps to ensure that records responsive to this request are not deleted by the agency before the completion of processing for this request. If records potentially responsive to this request are likely to be located on systems where they are subject to potential deletion, including on a scheduled basis, please take steps to prevent that deletion, including, as appropriate, by instituting a litigation hold on those records.

## **Conclusion**

If you have any questions regarding how to construe this request for records or believe that further discussions regarding search and processing would facilitate a more efficient production of records of interest to American Oversight, please do not hesitate to contact American Oversight to discuss this request. American Oversight welcomes an opportunity to discuss its request with you before you undertake your search or incur search or duplication costs. By working together at the outset, American Oversight and your agency can decrease the likelihood of costly and time-consuming litigation in the future.

Where possible, please provide responsive material in an electronic format by email. Alternatively, please provide responsive material in native format or in PDF format on a USB drive. Please send any responsive material being sent by mail to American Oversight, 1030 15th Street NW, Suite B255, Washington, DC 20005. If it will accelerate release of responsive records to American Oversight, please also provide responsive material on a rolling basis.

We share a common mission to promote transparency in government. American Oversight looks forward to working with your agency on this request. If you do not understand any part of this request, please contact Christine H. Monahan at [foia@americanoversight.org](mailto:foia@americanoversight.org)
