**Re: Sunshine Law Request**

Dear Custodian of Records:

Pursuant to the Missouri Sunshine Law, Mo. Rev. Stat. §§ 610.010 et seq., American Oversight makes the following request for records.

**Requested Records**

American Oversight requests that the Missouri Ethics Commission produce copies of the following records within three business days:

1. Copies of all personal financial disclosures filed by or on behalf of Attorney General Eric Schmitt with the Missouri Ethics Commission.

Please provide responsive records from January 3, 2019, through the date of the search.

2. Copies of all personal financial disclosures filed by or on behalf of former Attorney General Josh Hawley with the Missouri Ethics Commission.

Please provide all responsive records from January 9, 2017, through January 3, 2019.

**Fee Waiver Request**

In accordance with Mo. Rev. Stat. § 610.026.1(1), American Oversight requests a waiver of fees associated with processing this request for records. Disclosure of the requested records is in the public interest because it will likely contribute to a better understanding of relevant government procedures by the general public in a significant way. Moreover, the request is primarily and fundamentally for non-commercial purposes.

American Oversight requests a waiver of fees because disclosure of the requested information "is likely to contribute significantly to public understanding of the

operations or activities of [a] public governmental body.”<sup>1</sup> The public has a significant interest in the financial interests of the current and former Attorney General of Missouri. Records with the potential to shed light on this matter would contribute significantly to public understanding of operations of the government, including, for instance, whether and to what extent Schmitt and Hawley accepted gifts from outside organizations. American Oversight is committed to transparency and makes the responses agencies provide to public records requests publicly available, and the public’s understanding of the government’s activities would be enhanced through American Oversight’s analysis and publication of these records.

This request is primarily and fundamentally for non-commercial purposes.<sup>2</sup> As a 501(c)(3) nonprofit, American Oversight does not have a commercial purpose and the release of the information requested is not in American Oversight’s financial interest. American Oversight’s mission is to promote transparency in government, to educate the public about government activities, and to ensure the accountability of government officials. American Oversight uses the information gathered, and its analysis of it, to educate the public through reports, press releases, or other media. American Oversight also makes materials it gathers available on its public website and promotes their availability on social media platforms, such as Facebook and Twitter.<sup>3</sup>

American Oversight has also demonstrated its commitment to the public disclosure of documents and creation of editorial content through regular substantive analyses posted to its website.<sup>4</sup> Examples reflecting this commitment to the public disclosure of documents and the creation of editorial content include the posting of records and analysis related to the organization’s investigations into misconduct and corruption in state governments;<sup>5</sup> posting records and analysis of federal and state governments’ responses to the Coronavirus pandemic;<sup>6</sup> posting records received as part of American
