Re: Public Records Act Request

Dear Staff Attorney Aldrich:

Pursuant to Art. II, Section 9, of the Montana Constitution, and the Montana Public Records Act, Mont. Code Ann. §§ 2-6-1001 *et seq.*, American Oversight makes the following request for records.

Requested Records

American Oversight requests that the Districting and Apportionment Commission produce the following records in a timely manner:

All email communications (including emails, complete email chains, calendar invitation, and attachments thereto) sent by any of the Districting and Apportionment Commission members or staff listed below, to any email address ending in .com, .net, .org, .mail, .law, or .edu regarding the state or congressional redistricting processes.

Districting and Apportionment Commission Members and Staff:

- i. Maylinn Smith, Commission Chair
- ii. Jeff Essman, Commissioner
- iii. Joe Lamson, Commissioner
- iv. Dan Stusek, Commissioner
- v. Kendra Miller, Commissioner
- vi. Rachel Weiss, Research Analyst
- vii. Joe Kolman, Research Analyst
- viii. Ginger Aldrich, Staff Attorney
- ix. Laura Sherley, Research Assistant

In an effort to accommodate your office and reduce the number of potentially responsive records to be processed and produced, American Oversight has limited its request to emails sent by the listed custodians. To be clear, however, American Oversight still requests that complete email chains be produced, displaying both sent and received messages. This means, for example, that both

Commission Chair Smith's response to an email concerning contracts for map drawing software and the initial received message are responsive to this request and should be produced.

Please provide all responsive records from January 1, 2021, through the date the search is conducted.

Please notify American Oversight of any anticipated fees or costs in excess of \$100 prior to incurring such costs or fee.

Guidance Regarding the Search & Processing of Requested Records

In connection with its request for records, American Oversight provides the following guidance regarding the scope of the records sought and the search and processing of records:

- Please search all locations and systems likely to have responsive records, regardless of format, medium, or physical characteristics.
- In conducting your search, please understand the terms "record," "document," and "information" in their broadest sense, to include any written, typed, recorded, graphic, printed, or audio material of any kind. We seek records of any kind, including electronic records, audiotapes, videotapes, and photographs, as well as letters, emails, facsimiles, telephone messages, voice mail messages and transcripts, notes, or minutes of any meetings, telephone conversations or discussions.
- Our request for records includes any attachments to those records or other materials enclosed with those records when they were previously transmitted. To the extent that an email is responsive to our request, our request includes all prior messages sent or received in that email chain, as well as any attachments to the email.
- Please search all relevant records or systems containing records regarding agency business. Do not exclude records regarding agency business contained in files, email accounts, or devices in the personal custody of your officials, such as personal email accounts or text messages.
- In the event some portions of the requested records are properly exempt from disclosure, please disclose any reasonably segregable non-exempt portions of the requested records. If a request is denied in whole, please state specifically why it is not reasonable to segregate portions of the record for release.
- Please take appropriate steps to ensure that records responsive to this request are not deleted by the agency before the completion of processing for this request. If records potentially responsive to this request are likely to be located on systems where they are subject to potential deletion, including on a scheduled

basis, please take steps to prevent that deletion, including, as appropriate, by instituting a litigation hold on those records.

If you have any questions regarding how to construe this request for records or believe that further discussions regarding search and processing would facilitate a more efficient production of records of interest to American Oversight, please do not hesitate to contact American Oversight to discuss this request. American Oversight welcomes an opportunity to discuss its request with you before you undertake your search or incur search or duplication costs. By working together at the outset, American Oversight and your agency can decrease the likelihood of costly and time-consuming litigation in the future.

Where possible, please provide responsive material in an electronic format by email. Alternatively, please provide responsive material in native format or in PDF format on a USB drive. Please send any responsive material being sent by mail to American Oversight, 1030 15th Street NW, Suite B255, Washington, DC 20005. If it will accelerate release of responsive records to American Oversight, please also provide responsive material on a rolling basis.
