**Re: Freedom of Information Act Request**

Dear Freedom of Information Officer:

Pursuant to the South Carolina Freedom of Information Act, S.C. Code Ann. §§ 30-4-10 et seq., American Oversight makes the following request for records.

**Requested Records**

American Oversight requests that the Office of the Attorney General promptly produce the following records:<sup>1</sup>

1. All email communications (including emails, complete email chains, calendar invitations, and attachments thereto) and text message threads/conversations between (a) any of the state officials listed in Column A below, and (b) any of the external individuals identified in Column B below:

<b>Column A: South Carolina State Officials</b>	<b>Column B: External Individuals</b>
<ol style="list-style-type: none"> <li>i. Alan Wilson, Attorney General, or anyone communicating on his behalf (such as a scheduler or assistant)</li> <li>ii. Barry Bernstein, Chief of Staff</li> </ol>	<ol style="list-style-type: none"> <li>i. Pete Bisbee, RAGA Executive Director (including, but not limited to, at <a href="mailto:pbisbee@republicanags.com">pbisbee@republicanags.com</a> or <a href="mailto:pbisbee@rldf.org">pbisbee@rldf.org</a>)</li> <li>ii. Jeff Landry, Louisiana Attorney General (including, but not limited to, at <a href="mailto:landryj@ag.louisiana.gov">landryj@ag.louisiana.gov</a>)</li> </ol>

<sup>1</sup> Pursuant to S.C. Code Ann. § 30-4-30(C), please notify American Oversight of your final determination as to the public availability of the requested records within ten business days and produce the records within thirty calendar days after issuing your final determination.

<p>iii. Josh McIntosh, Chief Deputy Attorney General</p>	<p>iii. Chris Carr, Georgia Attorney General (including, but not limited to, at <a href="mailto:agcarr@law.ga.gov">agcarr@law.ga.gov</a> or <a href="mailto:ccarr@law.ga.gov">ccarr@law.ga.gov</a>)</p> <p>iv. Eric Schmitt, Missouri Attorney General (including, but not limited to, at <a href="mailto:ag@ago.mo.gov">ag@ago.mo.gov</a>)</p> <p>v. Steve Marshall, Alabama Attorney General (including, but not limited to, at <a href="mailto:steve.marshall@alabamaag.gov">steve.marshall@alabamaag.gov</a>)</p> <p>vi. 2. All (a) email communications (including emails, complete email chains, calendar invitations, and attachments thereto) sent by and (b) text message threads/conversations sent or received by any of the individuals specified in Column A, above, that contain any of the key terms listed below:

Key Terms:

- i. “Rule of Law”
- ii. RLDF
- iii. “Republican Attorneys General Association”
- iv. RAGA
- v. Piper
- vi. Bisbee

For Item 2(a) of this request, in an effort to accommodate your office and reduce the number of potentially responsive records to be processed and produced, American Oversight has limited its request to emails sent by the specified officials in the Office of the Attorney General. To be clear, however, American Oversight still requests that complete email chains be produced, displaying both sent and received messages. This means, for example, that both Attorney General Wilson’s response to an email containing one of the key terms listed above and the initial received message are responsive to this request and should be produced.

For Item 2(b) of this request, American Oversight requests that complete text message threads/conversations be produced. This means, for example, that if Attorney General Wilson sent or received a text message containing any of the key terms listed above, American Oversight requests that the complete text conversation for the timeframe listed below should be produced, and not just the message containing the key term.

For all parts of this request, please provide all responsive records from March 9, 2021, to the date the search is conducted.

### **Fee Waiver Request**

In accordance with S.C. Code Ann. § 30-4-30(B), American Oversight requests a waiver of fees associated with processing this request for records. Disclosure of the requested records is in the public interest because it will likely contribute to a better understanding of relevant government procedures by the general public in a significant way. In addition, this request is primarily and fundamentally for non-commercial purposes.

A waiver of fees is “in the public interest because furnishing the information can be considered as primarily benefiting the general public.”<sup>2</sup> The general public has a significant interest in understanding whether and to what extent officials in the Office of the Attorney are continuing to work with the Rule of Law Defense Fund (RLDF), following revelations that robocalls reportedly made by RLDF prior to January 6, 2021, urged supporters to travel to Washington, D.C., to “fight” Congress over President Trump’s election fraud claims.<sup>3</sup> This matter is a subject of substantial public interest in South Carolina and nationwide.<sup>4</sup> Records with the potential to shed light on this issue would contribute significantly to public understanding of operations of the government. American Oversight is committed to transparency and makes the responses agencies provide to public records requests publicly available, and the general public’s understanding of the government’s activities would be enhanced through American Oversight’s analysis and publication of these records.

Furthermore, American Oversight’s work is aimed solely at serving the public interest. As a 501(c)(3) nonprofit, American Oversight does not have a commercial purpose and the release of the information requested is not in American Oversight’s

### **Guidance Regarding the Search & Processing of Requested Records**

In connection with its request for records, American Oversight provides the following guidance regarding the scope of the records sought and the search and processing of records:

- Please search all locations and systems likely to have responsive records, regardless of format, medium, or physical characteristics.
- Our request for records includes any attachments to those records or other materials enclosed with those records when they were previously transmitted. To the extent that an email is responsive to our request, our request includes all prior messages sent or received in that email chain, as well as any attachments to the email.
- Please search all relevant records or systems containing records regarding agency business. Do not exclude records regarding agency business contained in files, email accounts, or devices in the personal custody of your officials, such as personal email accounts or text messages.
- In the event some portions of the requested records are properly exempt from disclosure, please disclose any reasonably segregable non-exempt portions of the requested records.<sup>11</sup> If a request is denied in whole, please state specifically why it is not reasonable to segregate portions of the record for release.
- Please take appropriate steps to ensure that records responsive to this request are not deleted by the agency before the completion of processing for this request. If records potentially responsive to this request are likely to be located on systems where they are subject to potential deletion, including on a scheduled basis, please take steps to prevent that deletion, including, as appropriate, by instituting a litigation hold on those records.
