Re: Public Records Law Request

Dear Chief Clerk Blazel and Representative Sanfelippo:

Pursuant to Wisconsin's public records law, Wis. Stat. §§ 19.31–19.39, American Oversight makes the following request for copies of records.

On May 26, 2021, Wisconsin State Assembly Speaker Robin Vos indicated that the legislature would hire three former law enforcement officers and a supervising attorney to investigate the November 2020 election.¹ Since the time of this announcement, Speaker Vos has expanded the scope of the investigation, appointing former Wisconsin Supreme Court justice Michael Gableman as “special counsel,” and gaining Assembly approval to spend at least \$676,000 in public funds.² The Office of Special Counsel investigation has continued into 2022 and Gableman has since issued additional subpoenas, including to voting machine companies and the Wisconsin Elections Commission (WEC).³ As part of a parallel investigation led by the Assembly Committee

on Campaigns and Elections, Representative Janel Brandtjen has requested election data from the past 20 years from the WEC, which according to WEC Administrator Meagan Wolfe would cost “upwards of \$100,000” and require coordination with the Legislature.⁴

American Oversight seeks records with the potential to shed light on the Wisconsin Assembly’s investigations of the November 2020 election.

Requested Records

American Oversight requests that Representative Sanfelippo and the Wisconsin Assembly produce the following records “as soon as practicable and without delay”:⁵

Guidance Regarding the Search & Processing of Requested Records

American Oversight seeks all responsive records regardless of format, medium, or physical characteristics. In conducting your search, please understand the term "record" in its broadest sense, to include any written, typed, recorded, graphic, printed, or audio material of any kind. We seek records of any kind, including electronic records, audiotapes, videotapes, and photographs, as well as letters, emails, facsimiles, telephone messages, voice mail messages and transcripts, notes, or minutes of any meetings, telephone conversations or discussions. Our request includes any attachments to these records. **No category of material should be omitted from search, collection, and production.**

Please search all locations and systems likely to have responsive records regarding official business. **You may not exclude searches of files or emails in the personal custody of your officials, such as personal email accounts.** Emails conducting government business sent or received on the personal account of the authority's officer or employee constitutes a record for purposes of Wisconsin's public records laws.¹¹

In the event some portions of the requested records are properly exempt from disclosure, please disclose any reasonably segregable non-exempt portions of the requested records.¹² If it is your position that a document contains non-exempt segments, but that those non-exempt segments are so dispersed throughout the document as to make segregation impossible, please state what portion of the document is non-exempt, and how the material is dispersed throughout the document. If a request is denied in whole, please state specifically that it is not reasonable to segregate portions of the record for release.

American Oversight expects that you have ensured all responsive records and records relevant to this request and your compliance with it are retained as required by Wisconsin law. Please take all appropriate steps to ensure that no such records are deleted by the agency before the completion of processing for this request. If records potentially responsive or relevant to this request, or your compliance with it, are likely to be located on systems where they are subject to potential deletion, including on a scheduled basis, please take steps to prevent that deletion, including, as appropriate, by instituting a litigation hold on those records.
