Re: Public Records Request

Dear Director:

Pursuant to Florida's public records laws, as codified at Fla. Stat. Chapter 119, American Oversight makes the following request for records.

On October 1, 2017, Stephen Paddock opened fire on a concert in Las Vegas killing fifty-eight people and injuring more than five hundred.¹ Since the tragedy there has been significant national debate regarding whether and to what extent gun laws need to be changed as well as what private interests are directing and influencing any policy change.² On November 5, Devin Patrick Kelley killed twenty-six people worshipping at a Baptist church in Sutherland Springs.³ On November 14, a man killed at least four at a California elementary school and other locations around Rancho Tehama, leaving at least ten additional people injured.⁴ On February 14, 2018, a nineteen-year-old

Requested Records

American Oversight requests that the Office of the Attorney General promptly produce the following:

All records reflecting communications (including emails, email attachments, text messages, slack messages, telephone call logs, calendar invitations/entries, meeting notices, meeting agendas, informational material, draft legislation, talking points, or other materials) between the Office of the Attorney General and any of the following persons or organizations:

- a) Gun Owners of America (@gunowners.org)
- b) Erich Pratt
- c) The National Rifle Association (the “NRA”) (@nrahq.org or @nra.org)
- d) Wayne LaPierre
- e) The Second Amendment Foundation (@saf.org)
- f) Joseph Tartaro
- g) Alan M. Gottlieb

Please provide all responsive records from February 14, 2018, through the date the search is conducted.

American Oversight seeks all responsive records regardless of format, medium, or physical characteristics. In conducting your search, please understand the term “record” in its broadest sense, to include any written, typed, recorded, graphic, printed, or audio material of any kind. We seek records of any kind, including electronic records, audiotapes, videotapes, and photographs, as well as letters, emails, facsimiles, telephone messages, voice mail messages and transcripts, notes, or minutes of any meetings, telephone conversations or discussions. Our request includes any attachments to these records. **No category of material should be omitted from search, collection, and production.**

In addition, American Oversight insists that the Office of the Attorney General use the most up-to-date technologies to search for responsive information and take steps to ensure that the most complete repositories of information are searched. American Oversight is available to work with you to craft appropriate search terms. **However, custodian searches are still required; agencies may not have direct access to files stored in .PST files, outside of network drives, in paper format, or in personal email accounts.**

In the event some portions of the requested records are properly exempt from disclosure, please disclose any reasonably segregable non-exempt portions of the requested records. If it is your position that a document contains non-exempt segments, but that those non-exempt segments are

so dispersed throughout the document as to make segregation impossible, please state what portion of the document is non-exempt, and how the material is dispersed throughout the document. If a request is denied in whole, please state specifically that it is not reasonable to segregate portions of the record for release.

You should institute a preservation hold on information responsive to this request. American Oversight intends to pursue all legal avenues to enforce its right of access under Florida's public records laws, including litigation if necessary. Accordingly, the Office of the Attorney General is on notice that litigation is reasonably foreseeable.

To ensure that this request is properly construed, that searches are conducted in an adequate but efficient manner, and that extraneous costs are not incurred, American Oversight welcomes an opportunity to discuss its request with you before you undertake your search or incur search or duplication costs. By working together at the outset, American Oversight and the Office of the Attorney General can decrease the likelihood of costly and time-consuming litigation in the future.

Where possible, please provide responsive material in electronic format by email or in PDF or TIF format on a USB drive. Please send any responsive material being sent by mail to American Oversight, 1030 15th Street NW, Suite B255, Washington, DC 20005. If it will accelerate release of responsive records to American Oversight, please also provide responsive material on a rolling basis.
