**Re: Freedom of Information Act Request**

Dear FOIA Officer:

Pursuant to the Freedom of Information Act (FOIA), 5 U.S.C. § 552, and the implementing regulations of your agency, 31 C.F.R. Part 1, Subpart A, American Oversight makes the following request for records.

**Requested Records**

American Oversight requests that the Department of the Treasury produce the following records within twenty business days:

1. All email communications (including emails, email attachments, and calendar invitations) regardless of subject matter sent by (a) any of the employees listed in Column A below to (b) any of the individuals or entities listed in Column B below, including but not limited to at the email addresses and domains specified:

| Column A: Federal Employees   | Column B: Outside Individuals and Organizations  |

|--|--|

Please provide all responsive records from December 1, 2017 through May 31, 2018.

In an effort to accommodate your agency and reduce the number of responsive records to be processed and produced, American Oversight has limited its request to emails sent by listed custodians. To be clear, however, American Oversight still requests that complete email chains be produced, displaying both the sent messages and the prior received messages in each email chain. This means, for example, that both an agency custodian’s response to an email from a listed entity and the initial received message are responsive to this request and should be produced.

2. All records reflecting the planning of any meeting involving Secretary Mnuchin or Chief of Staff Eli Miller and Brad Parscale, including but not limited to a breakfast with Brad Parscale on or around January 17, 2018, regardless of whether any such meeting took place. Responsive records would include email communications, calendar entries, and materials meant to be or actually exchanged at such a meeting.

Please provide all responsive records from January 1, 2018 through January 31, 2018.

3. All email communications (including emails, email attachments, and calendar invitations) regardless of subject matter sent or received by (a) any of the employees listed in below, containing the word “Parscale.”
  - a) Secretary Steven Mnuchin
  - b) Anyone communicating on behalf of Secretary Steven Mnuchin including executive assistants, personal assistants, or schedulers.
  - c) Chief of Staff Eli Miller
  - d) Deputy Chief of Staff Alden Randolph Wood
  - e) White House Liaison John Baylor Myers

Please provide all responsive records from January 1, 2018 through January 31, 2018.

## Fee Waiver Request

In accordance with 5 U.S.C. § 552(a)(4)(A)(iii) and your agency's regulations, American Oversight requests a waiver of fees associated with processing this request for records. The subject of this request concerns the operations of the federal government, and the disclosures will likely contribute to a better understanding of relevant government procedures by the general public in a significant way. Moreover, the request is primarily and fundamentally for non-commercial purposes.

American Oversight requests a waiver of fees because disclosure of the requested information is "in the public interest because it is likely to contribute significantly to public understanding of operations or activities of the government."<sup>1</sup> The disclosure of the information sought under this request will document and reveal the operations of the federal government, including whether political appointees are discharging their responsibilities in the apolitical manner required by law. Promoting a partisan political agenda in the course of official activities distorts the government's operations, undercuts its mission of serving the American people, and tarnishes the public's ability to trust the government. The public does not currently have a window into whether and to what extent political appointees advocate for particular candidates in their official capacity. The requested records reflect directly on the integrity of federal officials, institutions, and activities, and significant media interest in these issues show that the requested disclosures will contribute significantly to the understanding of the American people.<sup>2</sup>

This request is primarily and fundamentally for non-commercial purposes.<sup>3</sup> As a 501(c)(3) nonprofit, American Oversight does not have a commercial purpose and the release of the information requested is not in American Oversight's financial interest. American Oversight's mission is to promote transparency in government, to educate the public about government activities, and to ensure the accountability of government officials. American Oversight uses the information gathered, and its analysis of it, to educate the public through reports, press releases, or other media. American Oversight also makes

### **Guidance Regarding the Search & Processing of Requested Records**

In connection with its request for records, American Oversight provides the following guidance regarding the scope of the records sought and the search and processing of records:

- Please search all locations and systems likely to have responsive records, regardless of format, medium, or physical characteristics. For instance, if the request seeks “communications,” please search all locations likely to contain communications, including relevant hard-copy files, correspondence files, appropriate locations on hard drives and shared drives, emails, text messages or other direct messaging systems (such as iMessage, WhatsApp, Signal, or Twitter direct messages), voicemail messages, instant messaging systems such as Lync or ICQ, and shared messages systems such as Slack.
- In conducting your search, please understand the terms “record,” “document,” and “information” in their broadest sense, to include any written, typed, recorded, graphic, printed, or audio material of any kind. We seek records of any kind, including electronic records, audiotapes, videotapes, and photographs, as well as letters, emails, facsimiles, telephone messages, voice mail messages and transcripts, notes, or minutes of any meetings, telephone conversations or discussions.
- Our request for records includes any attachments to those records or other materials enclosed with those records when they were previously transmitted. To the extent that an email is responsive to our request, our request includes all prior messages sent or received in that email chain, as well as any attachments to the email.
- Please search all relevant records or systems containing records regarding agency business. Do not exclude records regarding agency business contained in files, email accounts, or devices in the personal custody of your officials, such as personal email accounts or text messages. Records of official business conducted using unofficial systems or stored outside of official files are subject to the Federal Records Act and FOIA.<sup>11</sup> It is not adequate to rely on policies and procedures that require officials to move such information to official systems within a certain

period of time; American Oversight has a right to records contained in those files even if material has not yet been moved to official systems or if officials have, by intent or through negligence, failed to meet their obligations.<sup>12</sup>

- Please use all tools available to your agency to conduct a complete and efficient search for potentially responsive records. Agencies are subject to government-wide requirements to manage agency information electronically,<sup>13</sup> and many agencies have adopted the National Archives and Records Administration (NARA) Capstone program, or similar policies. These systems provide options for searching emails and other electronic records in a manner that is reasonably likely to be more complete than just searching individual custodian files. For example, a custodian may have deleted a responsive email from his or her email program, but your agency’s archiving tools may capture that email under Capstone. At the same time, custodian searches are still necessary; agencies may not have direct access to files stored in .PST files, outside of network drives, in paper format, or in personal email accounts.
- In the event some portions of the requested records are properly exempt from disclosure, please disclose any reasonably segregable non-exempt portions of the requested records. If a request is denied in whole, please state specifically why it is not reasonable to segregate portions of the record for release.
- Please take appropriate steps to ensure that records responsive to this request are not deleted by the agency before the completion of processing for this request. If records potentially responsive to this request are likely to be located on systems where they are subject to potential deletion, including on a scheduled basis, please take steps to prevent that deletion, including, as appropriate, by instituting a litigation hold on those records.

## **Conclusion**

If you have any questions regarding how to construe this request for records or believe that further discussions regarding search and processing would facilitate a more efficient production of records of interest to American Oversight, please do not hesitate to contact American Oversight to discuss this request. American Oversight welcomes an opportunity to discuss its request with you before you undertake your search or incur search or
