Re: Public Records Request

Dear Public Records Officer:

Pursuant to Florida's public records laws, as codified at Fla. Stat. Chapter 119, American Oversight makes the following request for records.

Requested Records

American Oversight requests that Florida Department of Corrections promptly produce the following:

All email communications (including email messages, email attachments, calendar invitations, and calendar invitation attachments) between (a) Kenneth Steely, or anyone communicating on his behalf, such as an executive assistant, personal assistant, or scheduler, and (b) any of the individuals listed below:

- i. Chris Anderson, Seminole County Supervisor of Elections (anderson@voteseminole.org)
- ii. Honorable JD Peacock, Okaloosa County Clerk of Court (jdpeacock@okaloosaclerk.com)
- iii. Honorable Doug Chorvat, Hernando County Clerk of Court (dchorvat@hernandoclerk.org)
- iv. Vikki Cannon, Nassau County Supervisor of Elections (vcannon@votenassau.com)
- v. Kate Holmes, Assistant General Counsel, Florida Department of Law Enforcement (kateholmes@fdle.state.fl.us)
- vi. Amber Marconnet, Senior Management Analyst Supervisor, Florida Bureau of Voter Registration Services (amber.marconnet@DOS.MyFlorida.com)
- vii. Matthew Harris (matthew.harris@DOS.MyFlorida.com)

Please provide all responsive records from August 1, 2019 to November 15, 2019.

Please notify American Oversight of any anticipated fees or costs in excess of \$100 prior to incurring such costs or fees.

In addition, American Oversight insists that Florida Department of Corrections use the most up-to-date technologies to search for responsive information and take steps to ensure that the most complete repositories of information are searched. American Oversight is available to work with you to craft appropriate search terms. **However, custodian searches are still required; your office may not have direct access to files stored in .PST files, outside of network drives, in paper format, or in personal email accounts.**

In the event some portions of the requested records are properly exempt from disclosure, please disclose any reasonably segregable non-exempt portions of the requested records. If it is your position that a document contains non-exempt segments, but that those non-exempt segments are so dispersed throughout the document as to make segregation impossible, please state what portion of the document is non-exempt, and how the material is dispersed throughout the document. If a request is denied in whole, please state specifically that it is not reasonable to segregate portions of the record for release.

Please take appropriate steps to ensure that records responsive to this request are not deleted by your office before the completion of processing for this request. If records potentially responsive to this request are likely to be located on systems where they are subject to potential deletion, including on a scheduled basis, please take steps to prevent that deletion, including, as appropriate, by instituting a litigation hold on those records.

To ensure that this request is properly construed, that searches are conducted in an adequate but efficient manner, and that extraneous costs are not incurred, American Oversight welcomes an opportunity to discuss its request with you before you undertake your search or incur search or duplication costs. By working together at the outset, American Oversight and Florida Department of Corrections can decrease the likelihood of costly and time-consuming litigation in the future.

Where possible, please provide responsive material in electronic format by email or in PDF or TIF format on a USB drive. Please send any responsive material being sent by mail to American Oversight, 1030 15th Street NW, Suite B255, Washington, DC 20005. If it will accelerate release of responsive records to American Oversight, please also provide responsive material on a rolling basis.
