Re: Public Information Request

Dear Public Information Officer:

Pursuant to the Texas Public Information Act, as codified at Tex. Code ch. 552, American Oversight makes the following request for public records.

Requested Records

American Oversight requests that the Office of the Attorney General of Texas promptly produce the following:

1. All email communications (including emails, email attachments, complete email chains, text messages, calendar invitations, and attachments thereto) between (a) any of the individuals listed below and (b) Attorney General Ken Paxton, or anyone communicating on his behalf, such as a scheduler or assistant:
 - i. U.S. Attorney General William Barr, or anyone communicating on his behalf such as an assistant or scheduler
 - ii. Chief of Staff to Attorney General Barr, Brian Rabbitt
 - iii. Counselor to the Attorney General Will Levi
 - iv. Deputy Attorney General Jeffrey Rosen
 - v. Principal Associate Deputy Attorney General Seth DuCharme
 - vi. Principal Deputy Associate Attorney General Claire McCusker Murray
 - vii. Solicitor General Noel Francisco
 - viii. Principal Deputy Solicitor General Jeff Wall
 - ix. Director of the Office of Management and Budget and Acting White House Chief of Staff Mick Mulvaney, or anyone communicating on his behalf, such as an assistant or scheduler
 - x. Attorney General of South Carolina Alan Wilson, or anyone communicating on his behalf, such as an assistant or scheduler

- xi. Any employee or representative of the Republican Attorney's General Association, including any communications with an email address ending in republicanags.com

Please provide all responsive records from December 1, 2019, through February 10, 2020.

2. All email communications (including emails, email attachments, complete email chains, text messages, calendar invitations, and attachments thereto) between (a) anyone in the White House Office (including anyone with an email address ending in @who.eop.gov) and (b) Attorney General Ken Paxton, or anyone communicating on his behalf, such as a scheduler or assistant.

Please provide all responsive records from December 1, 2019, through February 10, 2020.

American Oversight seeks all responsive records regardless of format, medium, or physical characteristics. In conducting your search, please understand the term "record" in its broadest sense, to include any written, typed, recorded, graphic, printed, or audio material of any kind. We seek records of any kind, including electronic records, audiotapes, videotapes, and photographs, as well as letters, emails, facsimiles, telephone messages, voice mail messages and transcripts, notes, or minutes of any meetings, telephone conversations or discussions. Our request includes any attachments to these records. **No category of material should be omitted from search, collection, and production.**

In addition, American Oversight insists that the Office of the Attorney General use the most up-to-date technologies to search for responsive information and take steps to ensure that the most complete repositories of information are searched. American Oversight is available to work with you to craft appropriate search terms. **However, custodian searches are still required; governmental authorities may not have direct access to files stored in .PST files, outside of network drives, in paper format, or in personal email accounts.**

Please search all records regarding official business. **You may not exclude searches of files or emails in the personal custody of your officials, such as personal email accounts.** Emails conducting government business sent or received on the personal account of a governmental authority's officer or employee constitutes a record for purposes of the Texas Public Information Act.¹

In the event some portions of the requested records are properly exempt from disclosure, please disclose any reasonably segregable non-exempt portions of the requested records. If it is your position that a document contains non-exempt segments, but that those non-exempt segments are so dispersed throughout the document as to make segregation impossible, please state what portion of the document is non-exempt, and how the material is dispersed throughout the

document. If a request is denied in whole, please state specifically that it is not reasonable to segregate portions of the record for release.

Please take appropriate steps to ensure that records responsive to this request are not deleted by your office before the completion of processing for this request. If records potentially responsive to this request are likely to be located on systems where they are subject to potential deletion, including on a scheduled basis, please take steps to prevent that deletion, including, as appropriate, by instituting a litigation hold on those records.

To ensure that this request is properly construed, that searches are conducted in an adequate but efficient manner, and that extraneous costs are not incurred, American Oversight welcomes an opportunity to discuss its request with you before you undertake your search or incur search or duplication costs. By working together at the outset, American Oversight and your office can decrease the likelihood of costly and time-consuming litigation in the future.

Where possible, please provide responsive material in electronic format by email or in PDF or TIF format on a USB drive. Please send any responsive material being sent by mail to American Oversight, 1030 15th Street NW, Suite B255, Washington, DC 20005. If it will accelerate release of responsive records to American Oversight, please also provide responsive material on a rolling basis.

Fee Waiver Request

In accordance with Tex. Code § 552.267(a), American Oversight requests a waiver of fees associated with processing this request for records because such a waiver “is in the public interest because providing the copy of the information primarily benefits the general public.” The public has a strong interest in the actions taken on the state level during the impeachment process to support President Trump.² The requested records would shed light on whether and to what extent Attorney General Paxton communicated or coordinated with federal and state officials regarding his support for and signature on a letter urging the United States Senate to acquit the president.

Release of the requested records will primarily benefit the public.³ As a 501(c)(3) nonprofit, American Oversight does not have a commercial purpose and the release of the requested records is not in American Oversight’s financial interest, but is rather in the public interest. American Oversight is committed to transparency and makes the responses governmental authorities provide to public records requests publicly available. As noted, the subject of this request is a matter of public interest, and the public would benefit from an enhanced understanding of the government’s activities through American Oversight’s analysis and publication of these records. American Oversight’s mission is to promote transparency in government, to educate the public about government activities, and to ensure the accountability of government officials. American Oversight

uses the information gathered, and its analysis of it, to educate the public through reports, press releases, or other media. American Oversight also makes materials it gathers available on its public website and promotes their availability on social media platforms, such as Facebook and Twitter.⁴ American Oversight has demonstrated its commitment to the public disclosure of documents and creation of editorial content. For example, after receiving records regarding an ethics waiver received by a senior United States Department of Justice (DOJ) attorney,⁵ American Oversight promptly posted the records to its website and published an analysis of what the records reflected about DOJ's process for ethics waivers.⁶ As another example, American Oversight has a project called "Audit the Wall," where the organization is gathering and analyzing information and commenting on public releases of information related to the administration's proposed construction of a barrier along the U.S.-Mexico border.⁷ American Oversight similarly intends to engage with media outlets in Texas to ensure that the general public within the state has access to the information American Oversight obtains.

Accordingly, American Oversight qualifies for a fee waiver. If your office denies a fee waiver, please notify American Oversight of any anticipated fees or costs in excess of \$40 prior to incurring such costs or fees.

Conclusion

We share a common mission to promote transparency in government. American Oversight looks forward to working with the Office of the Attorney General on this request. If you do not understand any part of this request, have any questions, or foresee any problems in fully releasing the requested records, please contact Emma Lewis at foia@americanoversight.org or 202.919.6303.
