**Re: Freedom of Information Act Request**

Dear Mr. Hibbard:

Pursuant to the Freedom of Information Act (FOIA), 5 U.S.C. § 552, and the implementing regulations of your agency, 28 C.F.R. Part 16, American Oversight makes the following request for records.

Following a controversial confirmation process, on October 8, 2018, Brett Kavanaugh was sworn in as an Associate Justice on the U.S. Supreme Court.<sup>1</sup> Subsequent reporting described a group of political activists monitoring the Supreme Court vetting, nomination, and confirmation process through private email listservs, including one called “Bravoure.”<sup>2</sup>

American Oversight seeks records with the potential to shed light on whether and to what extent political activists played a role in shepherding candidates through the Supreme Court nomination process.

**Requested Records**

American Oversight requests that the Department of Justice (DOJ) produce the following records within twenty business days:

---

<sup>1</sup> See Sophie Tatum, *Brett Kavanaugh’s Nomination: A Timeline*, CNN (Oct. 8, 2018), <https://www.cnn.com/interactive/2018/10/politics/timeline-kavanaugh/>.

<sup>2</sup> See Ruth Marcus, *SUPREME AMBITION: BRETT KAVANAUGH AND THE CONSERVATIVE TAKEOVER 70* (Simon & Schuster 2019).

1. All email communications (including complete email chains, email attachments, calendar invitations, and calendar invitation attachments) of the following DOJ officials containing the term “bravoure.”
  - a. All political appointees\* in the Office of the Attorney General
  - b. Anyone serving in the role of Counsel to the Attorney General<sup>3</sup>
  - c. All political appointees\* in the Office of Legal Policy

For item 1 of this request, please provide all responsive records from January 20, 2017, through October 31, 2018.

\*“Political appointee” should be understood as any person who is a Presidential Appointee with Senate Confirmation (PAS), a Presidential Appointee (PA), a Non-career SES, any Schedule C employees, or any persons hired under Temporary Non-career SES Appointments, Limited Term SES Appointments, or Temporary Transitional Schedule C Appointments.

2. All email communications (including complete email chains, email attachments, calendar invitations, and calendar invitation attachments) of former Director of the Office of Public Affairs Sarah Isgur Flores containing the term “bravoure.”

For item 2 of this request, please provide all responsive records from February 28, 2017, through October 31, 2018.

### **Fee Waiver Request**

In accordance with 5 U.S.C. § 552(a)(4)(A)(iii) and your agency’s regulations, American Oversight requests a waiver of fees associated with processing this request for records. The subject of this request concerns the operations of the federal government, and the disclosures will likely contribute to a better understanding of relevant government procedures by the general public in a significant way. Moreover, the request is primarily and fundamentally for non-commercial purposes.

American Oversight requests a waiver of fees because disclosure of the requested information is “in the public interest because it is likely to contribute significantly to public understanding of operations or activities of the government.”<sup>4</sup> The public has a significant interest in the process of nominating and confirming individuals to a lifetime appointment on the most powerful court in the nation. Records with the potential to shed light on this matter would contribute significantly to public understanding of operations of the federal government, including the background and qualifications of justices with

lifetime tenure, as well as the identities and motivations of those playing a role in the nomination and confirmation process. American Oversight is committed to transparency and makes the responses agencies provide to FOIA requests publicly available, and the public's understanding of the government's activities would be enhanced through American Oversight's analysis and publication of these records.

This request is primarily and fundamentally for non-commercial purposes.<sup>5</sup> As a 501(c)(3) nonprofit, American Oversight does not have a commercial purpose and the release of the information requested is not in American Oversight's financial interest. American Oversight's mission is to promote transparency in government, to educate the public about government activities, and to ensure the accountability of government officials. American Oversight uses the information gathered, and its analysis of it, to educate the public through reports, press releases, or other media. American Oversight also makes materials it gathers available on its public website and promotes their availability on social media platforms, such as Facebook and Twitter.<sup>6</sup>

American Oversight has also demonstrated its commitment to the public disclosure of documents and creation of editorial content through numerous substantive analyses posted to its website.<sup>7</sup> Examples reflecting this commitment to the public disclosure of documents and the creation of editorial content include the posting of records related to an ethics waiver received by a senior Department of Justice attorney and an analysis of what those records demonstrated regarding the Department's process for issuing such waivers;<sup>8</sup> posting records received as part of American Oversight's "Audit the Wall" project to gather and analyze information related to the administration's proposed construction of a barrier along the U.S.-Mexico border, and analyses of what those records reveal;<sup>9</sup> posting records regarding potential self-dealing at the Department of Housing & Urban

Accordingly, American Oversight qualifies for a fee waiver.

### **Guidance Regarding the Search & Processing of Requested Records**

In connection with its request for records, American Oversight provides the following guidance regarding the scope of the records sought and the search and processing of records:

- Our request for records includes any attachments to those records or other materials enclosed with those records when they were previously transmitted. To the extent that an email in an email chain is responsive to our request, our request includes all prior messages sent or received in that email chain, as well as any attachments to the email.
- Please search all relevant records or systems containing records regarding agency business. Do not exclude records regarding agency business contained in files, email accounts, or devices in the personal custody of your officials, such as personal email accounts or text messages. Records of official business conducted using unofficial systems or stored outside of official files are subject to the Federal Records Act and FOIA.<sup>13</sup> It is not adequate to rely on policies and procedures that require officials to move such information to official systems within a certain period of time; American Oversight has a right to records contained in those files

even if material has not yet been moved to official systems or if officials have, by intent or through negligence, failed to meet their obligations.<sup>14</sup>

- Please use all tools available to your agency to conduct a complete and efficient search for potentially responsive records. Agencies are subject to government-wide requirements to manage agency information electronically,<sup>15</sup> and many agencies have adopted the National Archives and Records Administration (NARA) Capstone program, or similar policies. These systems provide options for searching emails and other electronic records in a manner that is reasonably likely to be more complete than just searching individual custodian files. For example, a custodian may have deleted a responsive email from his or her email program, but your agency’s archiving tools may capture that email under Capstone. At the same time, custodian searches are still necessary; agencies may not have direct access to files stored in .PST files, outside of network drives, in paper format, or in personal email accounts.
- In the event some portions of the requested records are properly exempt from disclosure, please disclose any reasonably segregable non-exempt portions of the requested records. If a request is denied in whole, please state specifically why it is not reasonable to segregate portions of the record for release.
- Please take appropriate steps to ensure that records responsive to this request are not deleted by the agency before the completion of processing for this request. If records potentially responsive to this request are likely to be located on systems where they are subject to potential deletion, including on a scheduled basis, please take steps to prevent that deletion, including, as appropriate, by instituting a litigation hold on those records.

## **Conclusion**

If you have any questions regarding how to construe this request for records or believe that further discussions regarding search and processing would facilitate a more efficient production of records of interest to American Oversight, please do not hesitate to contact American Oversight to discuss this request. American Oversight welcomes an opportunity to discuss its request with you before you undertake your search or incur search or
