**Re: Public Records Act Request**

Dear Public Records Custodian:

Pursuant to the North Carolina Public Records Act, as codified at North Carolina General Statutes ch. 132, American Oversight makes the following request for records.

**Requested Records**

American Oversight requests that the State Board of Elections produce the following records as promptly as possible:

All calendars or calendar entries for 1) Ken Raymond, 2) David Black, and 3) Executive Director Karen Brinson Bell, including any calendars maintained on their behalf.

American Oversight requests that the calendars be produced in a format that includes all invitees, any notes, and all attachments. Please do not limit your search to Outlook calendars; we request the production of any calendar—paper or electronic, whether on government-issued or personal devices—used to track or coordinate how the listed officials spend their time on official business.

Please provide all responsive records from January 1, 2020 to the date the search is conducted.

Please notify American Oversight of any anticipated fees or costs in excess of \$100 prior to incurring such costs or fees.

**Guidance Regarding the Search & Processing of Requested Records**

In connection with its request for records, American Oversight provides the following guidance regarding the scope of the records sought and the search and processing of records:

- Please search all locations and systems likely to have responsive records, regardless of format, medium, or physical characteristics.
- In conducting your search, please understand the terms “record,” “document,” and “information” in their broadest sense, to include any written, typed, recorded, graphic,

printed, or audio material of any kind.<sup>1</sup> We seek records of any kind, including electronic records, audiotapes, videotapes, and photographs, as well as letters, emails, facsimiles, telephone messages, voice mail messages and transcripts, notes, or minutes of any meetings, telephone conversations or discussions.

- Our request for records includes any attachments to those records or other materials enclosed with those records when they were previously transmitted.
- Please search all relevant records or systems containing records regarding agency business. Do not exclude records regarding agency business contained in files, email accounts, or devices in the personal custody of your officials, such as personal email accounts. Records of official business conducted using unofficial systems or stored outside of official files are subject to the Public Records Act.<sup>2</sup>
- In the event some portions of the requested records are properly exempt from disclosure, please disclose any reasonably segregable non-exempt portions of the requested records. If a request is denied in whole, please state specifically why it is not reasonable to segregate portions of the record for release.
- Please take appropriate steps to ensure that records responsive to this request are not deleted by the Board of Elections before the completion of processing for this request. If records potentially responsive to this request are likely to be located on systems where they are subject to potential deletion, including on a scheduled basis, please take steps to prevent that deletion, including, as appropriate, by instituting a litigation hold on those records.

If you have any questions regarding how to construe this request for records or believe that further discussions regarding search and processing would facilitate a more efficient production of records of interest to American Oversight, please do not hesitate to contact American Oversight to discuss this request. American Oversight welcomes an opportunity to discuss its request with you before you undertake your search or incur search or duplication costs. By working together at the outset, American Oversight and your agency can decrease the likelihood of costly and time-consuming litigation in the future.

Where possible, please provide responsive material in an electronic format by email. Alternatively, please provide responsive material in native format or in PDF format on a USB drive. Please send any responsive material being sent by mail to American Oversight, 1030 15th Street NW, Suite B255, Washington, DC 20005. If it will accelerate release of responsive records to American Oversight, please also provide responsive material on a rolling basis.
