Re: Freedom of Information Law Request

Dear Mr. Pan,

Pursuant to the Freedom of Information Law (FOIL), N.Y. Pub. Off. Law §§ 84-90, American Oversight makes the following request for records.

Following the police killing of George Floyd in Minneapolis on May 25, 2020, thousands of people have held daily protests in New York City and nationwide. In New York City, the police response has included aggressive tactics in response to reportedly little provocation.¹ New York police unions have had an active social media presence during these protests.²

American Oversight requests documents to shed light on the relationship between the Mayor’s office and Police Unions.

Requested Records

American Oversight requests that the Mayor’s office produce the following records within five business days:

All email communications (including email messages, complete email chains, email attachments, calendar invitations, and calendar invitation attachments) between (A) the officials in Column A and (B) the entities listed in Column B.

Fee Waiver Request

American Oversight requests that your agency consider waiving any fees associated with processing this request for records pursuant to 21 NYCRR § 1401.8(g). American Oversight is a 501(c)(3) nonprofit with the mission to promote transparency in government, to educate the public about government activities, and to ensure the accountability of government officials. American Oversight uses the information gathered, and its analysis of it, to educate the public through reports, press releases, or other media. American Oversight also makes materials it gathers available on its public website and promotes their availability on social media platforms, such as Facebook and Twitter.³ The public has a significant interest in understanding the influence outside groups, such as unions, have in policing policy, especially after the police response to protesters following George Floyd's death. Records with the potential to shed light on this issue would contribute significantly to public understanding of operations of the New York City government, including helping the public better understand the police response to protesters. New York police unions have had an especially active social media presence during these protests, and these communications can help people better understand what effect it has on policymakers.

To the extent your agency anticipates charging any fees in connection with this request for records, American Oversight requests that you inform us in advance of doing so.

If a request is denied in whole, please state specifically why it is not reasonable to segregate portions of the record for release.

If records potentially responsive to this request are likely to be located on systems where they are subject to potential deletion, including on a scheduled basis, please take steps to prevent that deletion, including, as appropriate, by instituting a litigation hold on those records.

Conclusion

If you have any questions regarding how to construe this request for records or believe that further discussions regarding search and processing would facilitate a more efficient production of records of interest to American Oversight, please do not hesitate to contact American Oversight to discuss this request. American Oversight welcomes an opportunity to discuss its request with you before you undertake your search or incur search or duplication costs. By working together at the outset, American Oversight and your agency can decrease the likelihood of costly and time-consuming litigation in the future.
