**Re: Freedom of Information Act Request**

Dear FOIA Officers:

Pursuant to the Freedom of Information Act (FOIA), 5 U.S.C. § 552, and the implementing regulations of the Department of Defense (DOD), 32 C.F.R. Part 286, American Oversight makes the following request for records.

Public reporting suggests the Trump administration is escalating efforts to purge independent political appointees in the DOD and is appointing loyalists and far-right activists in their places.<sup>1</sup> Recent senior staff turnover at DOD is reportedly a symptom of this effort.<sup>2</sup>

American Oversight seeks records to shed light on whether and to what extent the administration is retaliating against appointees based on perceptions of insufficient political loyalty.

**Requested Records**

American Oversight requests that your agency produce the following records within twenty business days:

---

<sup>1</sup> Jack Detsch & Robbie Gramer, *Trump Taps Point Man to Remove Pentagon Officials Seen as Disloyal*, Foreign Policy (May 6, 2020, 12:53 PM), <https://foreignpolicy.com/2020/05/06/trump-pence-pentagon-point-man-disloyal/>.

<sup>2</sup> Paul McLeary, *Two Top Pentagon Officials Quit; Opposition Grows to Tata*, Breaking Defense (June 18, 2020, 4:06 PM), <https://breakingdefense.com/2020/06/two-top-pentagon-officials-quit-opposition-grows-to-tata/>.

1) All records reflecting communications (including emails, email attachments, text messages, messages on messaging platforms (such as Slack, GChat or Google Hangouts, Lync, Skype, or WhatsApp), telephone call logs, calendar invitations, calendar entries, meeting notices, meeting agendas, informational material, draft legislation, talking points, any handwritten or electronic notes taken during any oral communications, summaries of any oral communications, or other materials) between (a) Michael Cutrone, Deputy Assistant Secretary of Defense for Security Cooperation (including anyone serving as his Chief of Staff or deputy) with or about (2) any of the below specified individuals or entities:

- a. John McEntee, head of the Presidential Personnel Office (PPO)
- b. James Bacon, assistant to Mr. McEntee at PPO
- c. John Troup Hemenway, detailee at PPO
- d. Jordan Hayley, head of PPO's external relations
- e. Anyone serving in the capacity of White House Liaison (or their deputies) at DOD
- f. Anyone with an email ending in armedservices.house.gov or armed-services.senate.gov

Please provide all responsive records from the date Michael Cutrone entered on duty to the Pentagon through the date the search is conducted.

2) All email communications (including email messages, email attachments, and complete email chains) sent by Michael Cutrone or anyone serving as his Chief of Staff or deputy that contain any of the following terms:

- a. Loyal
- b. Loyalist
- c. Loyalty
- d. MAGA
- e. "Great Again"
- f. "America First"
- g. "Never Trump"
- h. "Never Trumper"
- i. McEntee
- j. Mattis
- k. POTUS
- l. "president's agenda"
- m. Vetting
- n. Vetted
- o. "research questionnaire"
- p. "Seth Jones"
- q. "Kathryn Wheelbarger"
- r. Vindman

In an effort to accommodate DOD and reduce the number of potentially responsive records to be processed and produced, American Oversight has limited its request to emails sent by Michael Cutrone or anyone serving as his Chief of Staff or deputy. To be clear, however, American Oversight still requests that complete email chains be produced, displaying both sent and received messages. This means, for example, that both Michael Cutrone's response to an email from John McEntee and the initial received message are responsive to this request and should be produced.

This request includes all prior messages (whether incoming or outgoing) reflected in the responsive correspondence and any attachments thereto.

Please provide all responsive records from the date Michael Cutrone entered on duty to the Pentagon through the date the search is conducted.

- 3) All calendars or calendar entries for Michael Cutrone including any calendars maintained on behalf of Michael Cutrone, from the date he entered on duty to the Pentagon through the date the search is conducted to the date the search is conducted.

American Oversight requests that the calendars be produced in a format that includes all invitees, any notes, and all attachments. Please do not limit your search to Outlook calendars; we request the production of any calendar—paper or electronic, whether on government-issued or personal devices—used to track or coordinate how Mr. Cutrone allocates his time on agency business.

The search would include any calendars associated with his individual email account, as well as any official calendars maintained for him, including by his administrative assistant or scheduler.

### **Fee Waiver Request**

In accordance with 5 U.S.C. § 552(a)(4)(A)(iii) and your agency's regulations, American Oversight requests a waiver of fees associated with processing this request for records. The subject of this request concerns the operations of the federal government, and the disclosures will likely contribute to a better understanding of relevant government procedures by the general public in a significant way. Moreover, the request is primarily and fundamentally for non-commercial purposes.

American Oversight requests a waiver of fees because disclosure of the requested information is "in the public interest because it is likely to contribute significantly to public understanding of operations or activities of the government."<sup>3</sup> The public has a significant interest in understanding whether the administration is making senior

personnel decisions on the basis of perceived political loyalty rather than performance. Records with the potential to shed light on this matter would contribute significantly to public understanding of operations of the federal government, including whether new appointees to DOD are involved in the White House's reported efforts to assess the loyalty of political appointees. American Oversight is committed to transparency and makes the responses agencies provide to FOIA requests publicly available, and the public's understanding of the government's activities would be enhanced through American Oversight's analysis and publication of these records.

This request is primarily and fundamentally for non-commercial purposes.<sup>4</sup> As a 501(c)(3) nonprofit, American Oversight does not have a commercial purpose and the release of the information requested is not in American Oversight's financial interest. American Oversight's mission is to promote transparency in government, to educate the public about government activities, and to ensure the accountability of government officials. American Oversight uses the information gathered, and its analysis of it, to educate the public through reports, press releases, or other media. American Oversight also makes materials it gathers available on its public website and promotes their availability on social media platforms, such as Facebook and Twitter.<sup>5</sup>

American Oversight has also demonstrated its commitment to the public disclosure of documents and creation of editorial content through numerous substantive analyses posted to its website.<sup>6</sup> Examples reflecting this commitment to the public disclosure of documents and the creation of editorial content include the posting of records related to an ethics waiver received by a senior Department of Justice attorney and an analysis of what those records demonstrated regarding the Department's process for issuing such waivers;<sup>7</sup> posting records received as part of American Oversight's "Audit the Wall" project to gather and analyze information related to the administration's proposed construction of a barrier along the U.S.-Mexico border, and analyses of what those records reveal;<sup>8</sup> posting records regarding potential self-dealing at the Department of Housing &

Accordingly, American Oversight qualifies for a fee waiver.

### **Guidance Regarding the Search & Processing of Requested Records**

In connection with its request for records, American Oversight provides the following guidance regarding the scope of the records sought and the search and processing of records:

- Please search all locations and systems likely to have responsive records, regardless of format, medium, or physical characteristics. For instance, if the request seeks “communications,” please search all locations likely to contain communications, including relevant hard-copy files, correspondence files, appropriate locations on hard drives and shared drives, emails, text messages or other direct messaging systems (such as iMessage, WhatsApp, Signal, or Twitter direct messages), voicemail messages, instant messaging systems such as Lync or ICQ, and shared messages systems such as Slack.
- In conducting your search, please understand the terms “record,” “document,” and “information” in their broadest sense, to include any written, typed, recorded, graphic, printed, or audio material of any kind. We seek records of any kind, including electronic records, audiotapes, videotapes, and photographs, as well as letters, emails, facsimiles, telephone messages, voice mail messages, and transcripts, notes, or minutes of any meetings, telephone conversations, or discussions.

- Our request for records includes any attachments to those records or other materials enclosed with those records when they were previously transmitted. To the extent that an email is responsive to our request, our request includes all prior messages sent or received in that email chain, as well as any attachments to the email.
- Please search all relevant records or systems containing records regarding agency business. Do not exclude records regarding agency business contained in files, email accounts, or devices in the personal custody of your officials, such as personal email accounts or text messages. Records of official business conducted using unofficial systems or stored outside of official files are subject to the Federal Records Act and FOIA.<sup>12</sup> It is not adequate to rely on policies and procedures that require officials to move such information to official systems within a certain period of time; American Oversight has a right to records contained in those files even if material has not yet been moved to official systems or if officials have, by intent or through negligence, failed to meet their obligations.<sup>13</sup>
- Please use all tools available to your agency to conduct a complete and efficient search for potentially responsive records. Agencies are subject to government-wide requirements to manage agency information electronically,<sup>14</sup> and many agencies have adopted the National Archives and Records Administration (NARA) Capstone program, or similar policies. These systems provide options for searching emails and other electronic records in a manner that is reasonably likely to be more complete than just searching individual custodian files. For example, a custodian may have deleted a responsive email from his or her email program, but your agency’s archiving tools may capture that email under Capstone. At the same time, custodian searches are still necessary; agencies may not have direct access to files stored in .PST files, outside of network drives, in paper format, or in personal email accounts.
- In the event some portions of the requested records are properly exempt from disclosure, please disclose any reasonably segregable non-exempt portions of the

requested records. If a request is denied in whole, please state specifically why it is not reasonable to segregate portions of the record for release.

- Please take appropriate steps to ensure that records responsive to this request are not deleted by the agency before the completion of processing for this request. If records potentially responsive to this request are likely to be located on systems where they are subject to potential deletion, including on a scheduled basis, please take steps to prevent that deletion, including, as appropriate, by instituting a litigation hold on those records.

### Conclusion

American Oversight welcomes an opportunity to discuss its request with you before you undertake your search or incur search or duplication costs. By working together at the outset, American Oversight and your agency can decrease the likelihood of costly and time-consuming litigation in the future.
