Re: Oregon Public Records Law Request

Dear Public Records Custodian:

Pursuant to the Oregon Public Records Law, Or. Rev. Stat. Ann., Tit. 19, Ch. 192, American Oversight makes the following request for records.

On September 12, 2020, Colorado Secretary of State Jena Griswold filed a federal lawsuit against top United States Post Office (USPS) officials regarding a mailer issued to residents of all 50 states and the District of Columbia.¹ Secretary Griswold's complaint states that this mailer "will confuse Colorado voters, likely causing otherwise-eligible voters to wrongly believe that they may not participate in the upcoming election,"² as Colorado – like Oregon – already conducts all elections by mail.

American Oversight seeks records with the potential to shed light on Oregon's preparedness for the November 2020 election, including communications with USPS in light of its distribution of mailers which may be misleading to Oregon voters.

Requested Records

American Oversight requests that your office produce the following records within five business days:³

¹ Luke Broadwater & Kenneth P. Vogel, *Colorado Official Sues Postal Service Over Election Mailer She Says Misleads Voters*, N.Y. Times, Sep. 12, 2020, <https://www.nytimes.com/2020/09/12/us/politics/colorado-postal-service-lawsuit-election-mailer.html>.

² See *State of Colorado v Louis DeJoy et al.*, No.1:20-cv-2768, 2 (D.CO, 2020), <https://int.nyt.com/data/documenttools/colorado-lawsuit-filed-against-postal-service-leadership/dafa90180e7063aa/full.pdf>.

³ Pursuant to O.R.S. § 192.324(2), if your office is unable to complete its response within five business days, please acknowledge receipt of this request within five business days. Thereafter, pursuant to O.R.S. § 192.329(5), please complete your response to this request no later than ten business days after acknowledgement of receipt. If compliance with these time provisions would be impracticable as defined in O.R.S. § 192.329(6), the

All email communications (including emails, complete email chains, email attachments, calendar invitations, and attachments thereto) sent by (a) Secretary of State Bev Clarno, or anyone communicating on her behalf, such as a scheduler or assistant, or Director of the Division of Elections Stephen Trout, or anyone communicating on his behalf, such as a scheduler or assistant, to (b) anyone with an email address ending in @usps.com or @usps.gov.

Please provide all responsive records from June 1, 2020, to the date the search is conducted.

American Oversight has limited its request to sent messages to reduce the volume of potentially responsive records. American Oversight still requests complete email chains. So, for example, if a government official sent a response to an incoming message from one of the email domains listed above, the email chain containing the initially received message and the response is responsive to this request.

Fee Waiver Request

In accordance with O.R.S. § 192.324(5), American Oversight requests a waiver of fees associated with processing this request for records. Disclosure of the requested records is in the public interest because it will likely contribute to a better understanding of relevant government procedures by the general public in a significant way. In addition, the request is primarily and fundamentally for non-commercial purposes.

American Oversight requests a waiver of fees because disclosure of the requested information is in the “public interest because making the record available primarily benefits the general public.”⁴ The public has a significant interest in understanding how officials in the Secretary of State’s office are communicating with USPS in advance of the November election. Records with the potential to shed light on this matter would contribute significantly to public understanding of operations of the government, including whether guidance from a federal agency is obstructing or otherwise interfering with the ability of Oregon public officials to administer elections, which the state already conducts by mail.⁵ American Oversight is committed to transparency and makes the responses agencies provide to public records requests publicly available, and the general public’s understanding of the government’s activities would be enhanced through American Oversight’s analysis and publication of these records.

This request is primarily and fundamentally for non-commercial purposes. As a 501(c)(3) nonprofit, American Oversight does not have a commercial purpose and the release of the

response must be completed as soon as practicable and without unreasonable delay.

Accordingly, American Oversight qualifies for a fee waiver.

Guidance Regarding the Search & Processing of Requested Records

In connection with its request for records, American Oversight provides the following guidance regarding the scope of the records sought and the search and processing of records:

- Please search all locations and systems likely to have responsive records, regardless of format, medium, or physical characteristics.
- Our request for records includes any attachments to those records or other materials enclosed with those records when they were previously transmitted. To the extent that an email is responsive to our request, our request includes all prior messages sent or received in that email chain, as well as any attachments to the email.
- In the event some portions of the requested records are properly exempt from disclosure, please disclose any reasonably segregable non-exempt portions of the requested records.¹⁴ If a request is denied in whole, please state specifically why it is not reasonable to segregate portions of the record for release.
- Please take appropriate steps to ensure that records responsive to this request are not deleted by the agency before the completion of processing for this request. If records potentially responsive to this request are likely to be located on systems where they are subject to potential deletion, including on a scheduled basis, please take steps to prevent that deletion, including, as appropriate, by instituting a litigation hold on those records.
