Re: Open Records Request

Dear Records Custodian:

Pursuant to the Georgia Open Records Law (O.C.G.A. §§ 50-18-70 et seq.), American Oversight makes the following request for records.

Requested Records

American Oversight requests that your office produce the following within three business days, or provide a written description of any responsive records with a timeline for their availability within three business days:

All electronic communications (including email messages, complete email chains, text messages, and messages on messaging platforms (such as Slack, GChat or Google Hangouts, Lync, Skype, or WhatsApp)) between (a) Governor Brian Kemp (and anyone communicating on his behalf), or Chief of Staff Trey Kilpatrick, (b) any of the federal officials listed below:

- i. Administrator of the Centers for Medicare and Medicaid Services (CMS)
Seema Verma
- ii. CMS Chief of Staff Calder Lynch
- iii. Former CMS Chief of Staff Brady Brookes
- iv. Secretary of the Treasury Steven Mnuchin
- v. Treasury Deputy Chief of Staff Zachary McEntree
- vi. Treasury Deputy Chief of Staff John Baylor

Please provide all responsive records from October 1, 2019, through November 2, 2020.

American Oversight seeks all responsive records regardless of format, medium, or physical characteristics. Our request includes any attachments to these records. **No category of material should be omitted from search, collection, and production.**

In addition, American Oversight insists that your office use the most up-to-date technologies to search for responsive information and take steps to ensure that the most complete repositories of information are searched. American Oversight is available to work with you to craft appropriate search terms. **However, custodian searches are still required; your office may not have direct access to files stored in .PST files, outside of network drives, in paper format, or in personal email accounts.**

In the event some portions of the requested records are properly exempt from disclosure, please disclose any reasonably segregable non-exempt portions of the requested records. If it is your position that a document contains non-exempt segments, but that those non-exempt segments are so dispersed throughout the document as to make segregation impossible, please state what portion of the document is non-exempt, and how the material is dispersed throughout the document. If a request is denied in whole, please state specifically that it is not reasonable to segregate portions of the record for release.

Please take appropriate steps to ensure that records responsive to this request are not deleted by your office before the completion of processing for this request. If records potentially responsive to this request are likely to be located on systems where they are subject to potential deletion, including on a scheduled basis, please take steps to prevent that deletion, including, as appropriate, by instituting a litigation hold on those records.

To ensure that this request is properly construed, that searches are conducted in an adequate but efficient manner, and that extraneous costs are not incurred, American Oversight welcomes an opportunity to discuss its request with you before you undertake your search or incur search or duplication costs. By working together at the outset, American Oversight and your office can decrease the likelihood of costly and time-consuming litigation in the future.

Where possible, please provide responsive material in electronic format by email or in PDF or TIF format on a USB drive. Please send any responsive material being sent by mail to American Oversight, 1030 15th Street NW, Suite B255, Washington, DC 20005. If it will accelerate release of responsive records to American Oversight, please also provide responsive material on a rolling basis.
