Re: Public Records Request

Dear Public Records Officer:

Pursuant to the Arizona Public Records Law, A.R.S. §§ 39-121 et seq., American Oversight makes the following request for records.

The novel coronavirus has infected more than 12 million people and resulted in more than 256,000 deaths in the United States alone.¹ In recent weeks, the speed and volume of infections has increased dramatically in much of the country, reaching nearly 200,000 new daily cases.² Despite the surge in infections, many state governments have declined to impose public health measures such as mask mandates to mitigate the virus's spread, including in states where the rate of infections is highest.³

American Oversight seeks records with the potential to shed light on Arizona's response to the coronavirus pandemic.

Requested Records

American Oversight requests that your office promptly produce the following records:

Any polling, assessments, reports, analyses, recommendations, or guidance prepared by, provided to, or otherwise in the possession of your office regarding public opinion(s) on public health measures to mitigate the spread of coronavirus, including but not limited to lockdowns, business closures, capacity or venue restrictions, curfews, mask mandates, travel restrictions, or other similar measures.

Please provide all responsive records from July 1, 2020, through the date the search is conducted.

Statement of Noncommercial Purpose

This request is made for noncommercial purposes. American Oversight seeks records regarding Arizona public officials' response to the coronavirus pandemic. Records with the potential to shed light on this issue would contribute significantly to public understanding of operations of the government, including whether or to what extent the recent surge in infections has influenced the actions of state officials.⁴

Because American Oversight is a 501(c)(3) nonprofit, this request is not in American Oversight's financial interest and is not made for a commercial purpose. American Oversight's mission is to promote transparency in government, to educate the public about government activities, and to ensure the accountability of government officials. American Oversight uses the information gathered, and its analysis of it, to educate the public through reports, press releases, or other media. American Oversight also makes materials it gathers available on its public website and promotes their availability on social media platforms, such as Facebook and Twitter.⁵

Because this request is made for noncommercial purposes, American Oversight requests that any fees charged in connection with processing this request be limited to copying and postage charges, if applicable.⁶ Please notify American Oversight of any anticipated fees or costs in excess of \$100 prior to incurring such costs or fees.

Guidance Regarding the Search & Processing of Requested Records

In connection with its request for records, American Oversight provides the following guidance regarding the scope of the records sought and the search and processing of records:

- In conducting your search, please understand the terms "record," in its broadest sense, to include any written, typed, recorded, graphic, printed, or audio material of any kind, and search all locations and systems likely to have responsive records, regardless of format, medium, or physical characteristics.

⁴ See *supra*, notes 1-3.

⁶ A.R.S. § 39-121.01(D)(1); see also *Hanania v. City of Tucson*, 128 Ariz. 135, 624 P.2d 332 (Ct. App. 1980). Furthermore, because this request is for noncommercial purposes, additional fees provided for under A.R.S. § 39-121.03(A) are not applicable and should not be assessed.

- Our request for records includes any attachments to those records or other materials enclosed with those records when they were previously transmitted. To the extent that an email is responsive to our request, our request includes all prior messages sent or received in that email chain, as well as any attachments to the email.
- Please search all relevant records or systems containing records regarding agency business. Do not exclude records regarding agency business contained in files, email accounts, or devices in the personal custody of your officials, such as personal email accounts or text messages.
- If any records are withheld in full or in part, pursuant to A.R.S. § 39-121.01(D)(2), please provide an index of records or categories of records that have been withheld and the reasons the records or categories of records have been withheld.
- In the event some portions of the requested records are properly exempt from disclosure, please disclose any reasonably segregable non-exempt portions of the requested records. If a request is denied in whole, please state specifically why it is not reasonable to segregate portions of the record for release.
- Please take appropriate steps to ensure that records responsive to this request are not deleted by the agency before the completion of processing for this request. If records potentially responsive to this request are likely to be located on systems where they are subject to potential deletion, including on a scheduled basis, please take steps to prevent that deletion, including, as appropriate, by instituting a litigation hold on those records.

Conclusion

If you have any questions regarding how to construe this request for records or believe that further discussions regarding search and processing would facilitate a more efficient production of records of interest to American Oversight, please do not hesitate to contact American Oversight to discuss this request. American Oversight welcomes an opportunity to discuss its request with you before you undertake your search or incur search or duplication costs. By working together at the outset, American Oversight and your agency can decrease the likelihood of costly and time-consuming litigation in the future.
