Re: Public Records Act Request

Dear Public Records Officer:

Pursuant to the Ohio Public Records Act (PRA), Ohio Rev. Code § 149.43, and other applicable Ohio law, American Oversight makes the following request for records.

On September 29, 2020, Case Western Reserve and Cleveland Clinic hosted the first 2020 presidential debate, an event at which numerous guests did not comply with the requirement to wear face masks.¹ On October 2, President Trump announced that he and the First Lady had tested positive for the coronavirus;² the same day, the City of Cleveland announced that 11 people had contracted coronavirus in connection with pre-debate planning and set-up.³

American Oversight seeks records with the potential to shed light on the public health outcomes associated with Cleveland's hosting the first presidential debate, including projected risks as well as actual viral spread.

Requested Records

American Oversight requests that the Ohio Department of Public Health promptly produce the following records within twenty business days:

¹ Aaron C. Davis, et al., *Trump's Debate Guests Refused to Wear Masks, Flouting Rules*, Wash. Post (Oct. 2, 2020, 7:22 PM), https://www.washingtonpost.com/investigations/trumps-debate-guests-refused-to-wear-masks-flouting-rules/2020/10/02/7722b366-04ce-11eb-b7ed-141dd88560ea_story.html

² Donald J. Trump (@realDonaldTrump), Twitter (Oct. 2, 2020, 12:54 AM), <https://twitter.com/realDonaldTrump/status/1311892190680014849>.

³ Tatanya McKnight, *City of Cleveland Statement Regarding Post-Debate COVID-19 Cases-Update #194*, City of Cleveland, Oct. 2, 2020, <https://clecityhall.com/2020/10/02/city-of-cleveland-statement-regarding-post-debate-covid-19-cases-update-194/>

Any final reports or analyses prepared or received by your office regarding any projected or actual effects or impacts of the September 29, 2020 presidential debate on the spread of COVID-19 within Ohio. This request includes but is not limited to any such records provided by your office to the Trump or Biden campaigns or to the Commission on Presidential Debates.

Please provide all responsive records from September 15, 2020, to the date the search is conducted.

American Oversight believes that your office is in the best position to know where responsive documents would be located. At a minimum, a reasonable search would include searching the records—including email and electronic filing systems—of Interim Director of Health, Lance Himes, and Chief of the Bureau of Infectious Diseases, Sietske de Fijter.

Please notify American Oversight of any anticipated fees or costs in excess of \$100 prior to incurring such costs or fee.

Guidance Regarding the Search & Processing of Requested Records

In connection with its request for records, American Oversight provides the following guidance regarding the scope of the records sought and the search and processing of records:

- Our request for records includes any attachments to those records or other materials enclosed with those records when they were previously transmitted. To the extent that an email is responsive to our request, our request includes all prior messages sent or received in that email chain, as well as any attachments to the email.
- Please search all relevant records or systems containing records regarding agency business. Do not exclude records regarding agency business contained in files, email accounts, or devices in the personal custody of your officials, such as personal email accounts or text messages.
- In the event some portions of the requested records are properly exempt from disclosure, please disclose any reasonably segregable non-exempt portions of the requested records.⁴ If a request is denied in whole, please state specifically why it is not reasonable to segregate portions of the record for release.
- Please take appropriate steps to ensure that records responsive to this request are not deleted by the agency before the completion of processing for this request. If records potentially responsive to this request are likely to be located on systems where they are subject to potential deletion, including on a scheduled

⁴ Ohio Rev. Code § 149.43(B)(1).

basis, please take steps to prevent that deletion, including, as appropriate, by instituting a litigation hold on those records.

If you have any questions regarding how to construe this request for records or believe that further discussions regarding search and processing would facilitate a more efficient production of records of interest to American Oversight, please do not hesitate to contact American Oversight to discuss this request. American Oversight welcomes an opportunity to discuss its request with you before you undertake your search or incur search or duplication costs. By working together at the outset, American Oversight and your agency can decrease the likelihood of costly and time-consuming litigation in the future.

Where possible, please provide responsive material in an electronic format by email. Alternatively, please provide responsive material in native format or in PDF format on a USB drive. Please send any responsive material being sent by mail to American Oversight, 1030 15th Street NW, Suite B255, Washington, DC 20005. If it will accelerate release of responsive records to American Oversight, please also provide responsive material on a rolling basis.
