Re: Public Records Request

Dear Public Records Officer:

Pursuant to the Arizona Public Records Law, A.R.S. §§ 39-121 et seq., American Oversight makes the following request for records.

On January 6, 2021, former Arizona state representative Anthony Kern reportedly participated in the rally outside of the U.S. Capitol, from which a riotous crowd stormed the building. There, Kern took the stage and stated “We’re here for such a time as this, right? So, this is a revolution, right? 1776 is past, right?”¹

American Oversight seeks records with the potential to shed light on former state representative Anthony Kern’s potential participation, knowledge of, and involvement in an attempt to overturn the results of the 2020 presidential election.

Requested Records

American Oversight requests that the Arizona House of Representatives promptly produce the following records:

All photographs, videos, or audio recordings taken on any device operated by Reps. Anthony Kern or Mark Finchem between January 4, 2021, and January 7, 2021.

Statement of Noncommercial Purpose

This request is made for noncommercial purposes. American Oversight seeks records regarding the communications and expenses from a representative who reportedly

participated in a rally that grew into a riot. The events of January 6, 2021, including the role of members of state legislatures in them, have drawn both local² and national media attention.³ Records with the potential to shed light on this issue would contribute significantly to public understanding of operations of the government, including whether and to what extent Arizona representatives were involved in the event's planning and aftermath.

Because American Oversight is a 501(c)(3) nonprofit, this request is not in American Oversight's financial interest and is not made for a commercial purpose. American Oversight's mission is to promote transparency in government, to educate the public about government activities, and to ensure the accountability of government officials. American Oversight uses the information gathered, and its analysis of it, to educate the public through reports, press releases, or other media. American Oversight also makes materials it gathers available on its public website and promotes their availability on social media platforms, such as Facebook and Twitter.⁴

Because this request is made for noncommercial purposes, American Oversight requests that any fees charged in connection with processing this request be limited to copying and postage charges, if applicable.⁵ Please notify American Oversight of any anticipated fees or costs in excess of \$100 prior to incurring such costs or fees.

If a request is denied in whole, please state specifically why it is not reasonable to segregate portions of the record for release.
- Please take appropriate steps to ensure that records responsive to this request are not deleted by the agency before the completion of processing for this request. If records potentially responsive to this request are likely to be located on systems where they are subject to potential deletion, including on a scheduled basis, please take steps to prevent that deletion, including, as appropriate, by instituting a litigation hold on those records.
