Re: Public Records Law Request

Dear Records Custodian:

Pursuant to the Louisiana Public Records Law, La. Rev. Stat. Ann. 44:1 et seq., American Oversight makes the following request for records.

In early December 2020, Texas Attorney General Ken Paxton filed a lawsuit seeking to block various states from casting “unlawful and constitutionally tainted votes” in the Electoral College.¹ Seventeen additional states, including Louisiana, filed motions backing Texas’s efforts.² Later public reporting indicated that in the days leading up to Texas’s filing, a group of Republican state attorneys general solicited U.S. Justice Department support from then-Attorney General William Barr.

Accordingly, American Oversight seeks records concerning any attempts to petition the U.S. Department of Justice to support efforts to overturn state election results.

Requested Records

American Oversight requests that the Office of the Attorney General produce the following records within three business days:

1. All email communications (including emails, complete email chains, calendar invitations, and attachments thereto) between (a) any of the Louisiana Office of the Attorney General officials listed in Column A, below, and (b) any of the external parties listed in Column B, below.

Fee Waiver Request

In accordance with La. Rev. Stat. Ann. 44:32(C)(2), American Oversight requests a waiver of fees associated with processing this request for records. A waiver of fees for this request is appropriate, because American Oversight’s use of the requested records “will be limited to a public purpose.”³

This request is made solely for a public purpose.⁴ The public has a significant interest in the Office of the Attorney General’s efforts to overturn then President-elect Joe Biden’s victories in key swing states.⁵ Records with the potential to shed light on this matter would contribute significantly to public understanding of operations of the government, including whether and to what extent Attorney General Landry sought auxiliary support from the Department of Justice. American Oversight is committed to transparency and makes the responses agencies provide to public records requests

Accordingly, American Oversight qualifies for a fee waiver.

Guidance Regarding the Search & Processing of Requested Records

In connection with its request for records, American Oversight provides the following guidance regarding the scope of the records sought and the search and processing of records:

- Please search all locations and systems likely to have responsive records, regardless of format, medium, or physical characteristics. For instance, if the request seeks “communications,” please search all locations likely to contain communications, including relevant hard-copy files, correspondence files, appropriate locations on hard drives and shared drives, emails, text messages or other direct messaging systems (such as iMessage, WhatsApp, Signal, or Twitter direct messages), voicemail messages, instant messaging systems such as Lync or ICQ, and shared messages systems such as Slack.
- In conducting your search, please understand the terms “record,” “document,” and “information” in their broadest sense, to include any written, typed, recorded, graphic, printed, or audio material of any kind. We seek records of any kind, including electronic records, audiotapes, videotapes, and photographs, as well as letters, emails, facsimiles, telephone messages, voice mail messages and transcripts, notes, or minutes of any meetings, telephone conversations or discussions.
- Our request for records includes any attachments to those records or other materials enclosed with those records when they were previously transmitted. To the extent that an email is responsive to our request, our request includes all prior messages sent or received in that email chain, as well as any attachments to the email.

- Please search all relevant records or systems containing records regarding agency business. Do not exclude records regarding agency business contained in files, email accounts, or devices in the personal custody of your officials, such as personal email accounts or text messages. Public business communications conducted on private email accounts and devices are public records subject to the Public Records Law.¹²
- In the event some portions of the requested records are properly exempt from disclosure, please disclose any reasonably segregable non-exempt portions of the requested records. If a request is denied in whole, please state specifically why it is not reasonable to segregate portions of the record for release.
- Please take appropriate steps to ensure that records responsive to this request are not deleted by the agency before the completion of processing for this request. If records potentially responsive to this request are likely to be located on systems where they are subject to potential deletion, including on a scheduled basis, please take steps to prevent that deletion, including, as appropriate, by instituting a litigation hold on those records.

American Oversight welcomes an opportunity to discuss its request with you before you undertake your search or incur search or duplication costs.
