Re: Public Records Request

Dear Public Records Officer:

Pursuant to the Arizona Public Records Law, A.R.S. §§ 39-121 et seq., American Oversight makes the following request for records.

On February 12, 2021, the Census Bureau announced that population data used to determine congressional apportionment would be delivered to states by March 31, 2021, and that block-level data for redistricting would be delivered by September 30, 2021.¹ Many states, including Arizona, face impending deadlines, such as brief legislative sessions or statutorily determined dates to approve maps or accept registrations for partisan primaries,² raising concerns that delays will exacerbate existing tensions over the redistricting process.³

American Oversight seeks records with the potential to shed light on efforts to prepare for the redistricting process in Arizona.

Requested Records

American Oversight requests that the Office of the Attorney General promptly produce the following records:

¹ *Census Bureau Statement on Redistricting Data Timeline*, U.S. Census Bureau, Feb. 12, 2021, https://www.census.gov/newsroom/press-releases/2021/statement-redistricting-data-timeline.html?utm_campaign=20210212msc20s2ccnwsrs&utm_medium=email&utm_source=govdelivery.

² *State Redistricting Deadlines*, Nat'l Conf. of State Legislatures, Jan. 12, 2021, <https://www.ncsl.org/research/redistricting/state-redistricting-deadlines637224581.aspx>.

³ Zach Montellaro & Ally Mutnick, *Census Data Snafu Upends 2022 Elections*, Politico (Mar. 1, 2021, 4:30 AM), <https://www.politico.com/news/2021/03/01/census-data-elections-471882>.

All email communications (including email messages, complete email chains, email attachments, calendar invitations, and calendar invitation attachments) sent by Attorney General Mark Brnovich, anyone communicating on his behalf, such as Executive Assistant Rachelle Lumpp and/or Chief of Staff Joe Kanefield, regarding redistricting, including but not limited to regarding President Biden's executive order requiring the Census Bureau to include noncitizens for apportionment counts or any proposals to include only citizens of voting age for apportionment purposes.

In an effort to accommodate your agency and reduce the number of potentially responsive records to be processed and produced, American Oversight has limited its request to emails sent by Attorney General Brnovich or staff members. To be clear, however, American Oversight still requests that complete email chains be produced, displaying both sent and received messages. This means, for example, that both Attorney General Brnovich's response to an email regarding redistricting and the initial received message are responsive to this request and should be produced.

Please provide all responsive records from February 1, 2021, through the date the search is conducted.

Statement of Noncommercial Purpose

Records with the potential to shed light on this matter would contribute significantly to public understanding of operations of the government.

Guidance Regarding the Search & Processing of Requested Records

In connection with its request for records, American Oversight provides the following guidance regarding the scope of the records sought and the search and processing of records:

- Our request for records includes any attachments to those records or other materials enclosed with those records when they were previously transmitted. To the extent that an email is responsive to our request, our request includes all prior messages sent or received in that email chain, as well as any attachments to the email.
- Please search all relevant records or systems containing records regarding agency business. Do not exclude records regarding agency business contained in files, email accounts, or devices in the personal custody of your officials, such as personal email accounts or text messages.
- If any records are withheld in full or in part, pursuant to A.R.S. § 39-121.01(D)(2), please provide an index of records or categories of records that have been withheld and the reasons the records or categories of records have been withheld.
- In the event some portions of the requested records are properly exempt from disclosure, please disclose any reasonably segregable non-exempt portions of the requested records. If a request is denied in whole, please state specifically why it is not reasonable to segregate portions of the record for release.
- Please take appropriate steps to ensure that records responsive to this request are not deleted by the agency before the completion of processing for this request. If records potentially responsive to this request are likely to be located on systems where they are subject to potential deletion, including on a scheduled basis, please take steps to prevent that deletion, including, as appropriate, by instituting a litigation hold on those records.

Conclusion

If you have any questions regarding how to construe this request for records or believe that further discussions regarding search and processing would facilitate a more efficient production of records of interest to American Oversight, please do not hesitate to contact American Oversight to discuss this request.
