Re: Open Records Request

Dear Open Records Officer Spratlin,

Pursuant to the Georgia Open Records Law (O.C.G.A. §§ 50-18-70 et seq.), American Oversight makes the following request for records.

Requested Records

American Oversight requests that the Athens-Clarke Commission and Board of Elections produce the following within three business days:

1. All email communications (including emails, complete email chains, email attachments, calendar invitations, and calendar attachments) sent by any of the Athens-Clarke Commission or Board of Elections members listed below concerning any proposed or implemented changes to the authority, composition, or member selection method of the Athens-Clarke County Board of Elections (including, but not limited to, any communications concerning HB 781).

Athens-Clarke Commission:

- i. Patrick Davenport
- ii. Mariah Parker
- iii. Melissa Link
- iv. Allison Wright
- v. Tim Denson
- vi. Jesse Houle
- vii. Russell Edwards
- viii. Carol Myers
- ix. Ovita Thorton
- x. Mike Hamby

Athens-Clarke Board of Elections:

- i. Willa Fambrough
- ii. Rocky Raffle
- iii. Adam Shirley
- iv. Ann Till
- v. Hank Qadir

In an effort to accommodate your office and reduce the number of potentially responsive records to be processed and produced, American Oversight has limited item 1 of its request to emails sent by the listed custodians. To be clear, however, American Oversight still requests that complete email chains be produced, displaying both sent and received messages. This means, for example, that both Commissioner Davenport's response to an email concerning the subject matter identified above and the initial received message are responsive to this request and should be produced.

2. All email communications (including emails, complete email chains, email attachments, calendar invitations, and calendar attachments) between (a) any of the Athens-Clarke Commissioners or Board of Elections members listed above and (b) any of the external parties listed below.

External Parties:

- i. Rep. Spencer Frye (spencer.frye@house.ga.gov)
- ii. Administrative Assistant Olivia Sims (olivia.sims@house.ga.gov)
- iii. Rep. Houston Gaines (Houston.gaines@house.ga.gov)
- iv. Administrative Assistant Ronny Pouliot (Ronald.pouliot@house.ga.gov)
- v. Rep. Marcus Wiedower (marcus.wiedower@house.ga.gov)
- vi. Administrative Assistant Delane Roberts (delane.roberts@house.ga.gov)
- vii. Sen. Bill Cowsert (bill.cowsert@senate.ga.gov)
- viii. Legislative Assistant Cyndi West (Cyndi.west@senate.ga.gov)
- ix. Sen. Frank Ginn (frank.ginn@senate.ga.gov)
- x. Legislative Assistant Emily Doppel (Emily.doppel@senate.ga.gov)

For item 2 of this request, please note that American Oversight does not seek, and that the request specifically excludes, the initial mailing of news clips, press releases, or other mass-distribution emails. However, subsequent communications forwarding such emails are responsive to this request. In other words, for example, if Commissioner Davenport received a press release from Rep. Frye, that initial email would not be responsive to this request. However, if Commissioner Davenport replied to or forwarded that email to a listed external party with his own commentary, that subsequent message would be responsive to this request and should be produced.

For both items of this request, please provide all responsive records from November 3, 2020, to the date the request is received by your office.

Please notify American Oversight of any anticipated fees or costs in excess of \$100 prior to incurring such costs or fees.

Guidance Regarding the Search & Processing of Requested Records

In connection with its request for records, American Oversight provides the following guidance regarding the scope of the records sought and the search and processing of records:

- Our request includes all prior messages sent or received in a responsive email chain, as well as any attachments to the email.
- Please search all relevant records or systems containing records regarding agency business. Do not exclude records regarding agency business contained in files, email accounts, or devices in the personal custody of your officials, such as personal email accounts. Records of official business conducted using unofficial systems or stored outside of official files are subject to the Open Records Act.¹
- In the event some portions of the requested records are properly exempt from disclosure, please disclose any reasonably segregable non-exempt portions of the requested records. If a request is denied in whole, please state specifically why it is not reasonable to segregate portions of the record for release.
- Please take appropriate steps to ensure that records responsive to this request are not deleted by the agency before the completion of processing for this request. If records potentially responsive to this request are likely to be located on systems where they are subject to potential deletion, including on a scheduled basis, please take steps to prevent that deletion, including, as appropriate, by instituting a litigation hold on those records.

If you have any questions regarding how to construe this request for records or believe that further discussions regarding search and processing would facilitate a more efficient production of records of interest to American Oversight, please do not hesitate to contact American Oversight to discuss this request. American Oversight welcomes an opportunity to discuss its request with you before you undertake your search or incur search or duplication costs. By working together at the outset, American Oversight and your agency can decrease the likelihood of costly and time-consuming litigation in the future.

Where possible, please provide responsive material in an electronic format by email. Alternatively, please provide responsive material in native format or in PDF format on a USB drive. Please send any responsive material being sent by mail to American Oversight, 1030 15th Street NW, Suite B255, Washington, DC 20005. If it will accelerate release of responsive records to American Oversight, please also provide responsive material on a rolling basis.

¹ O.C.G.A. § 50-18-70(b)(2).
