Re: Open Records Request

Dear Records Custodian:

Pursuant to the Georgia Open Records Law (O.C.G.A. §§ 50-18-70 et seq.), American Oversight makes the following request for records.

On March 10, 2021, the Georgia Secretary of State's office released an email to American Oversight in response to a previous American Oversight Open Records request.¹ The email referenced a scheduled phone call between former Special Assistant to the President for Legislative Affairs Cassidy Hutchinson and Deputy Secretary of State and Chief of Staff Jordan Fuchs.

Requested Records

American Oversight requests that your office produce the following within three business days:

1. All records regarding any phone call² between (a) former Special Assistant to the President for Legislative Affairs Cassidy Hutchinson and (b) Deputy Secretary of State and Chief of Staff Jordan Fuchs on or around December 30, 2020, including, but not limited to, any records reflecting any call's agenda, materials exchanged in advance of or during any call, talking points, handwritten or electronic notes taken during any call, recordings or transcripts of any call, or records summarizing or otherwise reflecting any content of any call.

¹ See *Georgia Secretary of State Email Regarding Mark Meadows' Visit to Cobb County*, American Oversight; <https://www.americanoversight.org/document/georgia-secretary-of-state-email-regarding-mark-meadows-visit-to-cobb-county>; see also Email correspondence from "ORR Administration" to "AO Records" (Mar. 11, 2021, 9:14 AM) (on file with American Oversight) (providing the final response to Open Records Request #21-21).

² See *Georgia Secretary of State Email Regarding Mark Meadows' Visit to Cobb County*, *supra* note 1.

Please provide all responsive records from December 1, 2020, to January 20, 2021.

2. All email communications (including emails, email attachments, complete email chains, calendar invitations, or calendar attachments), text messages, and communications on messaging applications similar in form to text messages (including, but not limited to, The Buzz, Signal, WhatsApp, Facebook Messenger, or Twitter Direct Message (DM)) between (a) former Special Assistant Cassidy Hutchinson and (b) Deputy Secretary Jordan Fuchs from December 1, 2020, through January 20, 2021.

For both parts of this request, American Oversight does not object to the redaction of names or other personally identifying information of elections investigators or non-managerial/non-supervisory staff from responsive records.

Please notify American Oversight of any anticipated fees or costs in excess of \$100 prior to incurring such costs or fees.

American Oversight seeks all responsive records regardless of format, medium, or physical characteristics. In conducting your search, please understand the term “record” in its broadest sense, to include any written, typed, recorded, graphic, printed, or audio material of any kind. We seek records of any kind, including electronic records, audiotapes, videotapes, and photographs, as well as letters, emails, facsimiles, telephone messages, voice mail messages, and transcripts, notes, or minutes of any meetings, telephone conversations, or discussions. Our request includes any attachments to these records. **No category of material should be omitted from search, collection, and production.**

In addition, American Oversight insists that your office use the most up-to-date technologies to search for responsive information and take steps to ensure that the most complete repositories of information are searched. American Oversight is available to work with you to craft appropriate search terms. **However, custodian searches are still required; your office may not have direct access to files stored in .PST files, outside of network drives, in paper format, or in personal email accounts.**

In the event some portions of the requested records are properly exempt from disclosure, please disclose any reasonably segregable non-exempt portions of the requested records. If it is your position that a document contains non-exempt segments, but that those non-exempt segments are so dispersed throughout the document as to make segregation impossible, please state what portion of the document is non-exempt, and how the material is dispersed throughout the document. If a request is denied in whole, please state specifically that it is not reasonable to segregate portions of the record for release.

Please take appropriate steps to ensure that records responsive to this request are not deleted by your office before the completion of processing for this request. If records potentially responsive to this request are likely to be located on systems where they are

subject to potential deletion, including on a scheduled basis, please take steps to prevent that deletion, including, as appropriate, by instituting a litigation hold on those records.

To ensure that this request is properly construed, that searches are conducted in an adequate but efficient manner, and that extraneous costs are not incurred, American Oversight welcomes an opportunity to discuss its request with you before you undertake your search or incur search or duplication costs. By working together at the outset, American Oversight and your office can decrease the likelihood of costly and time-consuming litigation in the future.

Where possible, please provide responsive material in electronic format by email or in PDF or TIF format on a USB drive. Please send any responsive material being sent by mail to American Oversight, 1030 15th Street NW, Suite B255, Washington, DC 20005. If it will accelerate release of responsive records to American Oversight, please also provide responsive material on a rolling basis.
