External entities

14. Anyone communicating from the Republican Attorneys General Association, including from an email ending in @republicanags.com

Please provide all responsive records from January 20, 2021, through March 8, 2021.

In an effort to accommodate your office and reduce the number of potentially responsive records to be processed and produced, American Oversight has limited its request to emails sent by the officials specified above. To be clear, however, American Oversight still requests that complete email chains be produced, displaying both sent and received messages. This means, for example, that both a specified official's response to an email from a listed external entity and the initial received message are responsive to this request and should be produced.

Fee Waiver Request

In accordance with Mo. Rev. Stat. § 610.026.1(1), American Oversight requests a waiver of fees associated with processing this request for records. Disclosure of the requested records is in the public interest because it will likely contribute to a better understanding of relevant government procedures by the general public in a significant way. Moreover, the request is primarily and fundamentally for non-commercial purposes.

American Oversight requests a waiver of fees because disclosure of the requested information "is likely to contribute significantly to public understanding of the operations or activities of [a] public governmental body."¹ The public has a significant interest in any interactions Attorney General Schmitt or Solicitor General Sauer have had with representatives of the energy industry and the extent to which those interactions may have affected actions by the Attorney General's Office.² Records with the potential to shed light on this issue would contribute significantly to public understanding of operations of the government, including whether Attorney General Schmitt is undertaking these actions to benefit Missourians or outside interests. American Oversight is committed to transparency and makes the responses agencies

American Oversight's mission is to promote transparency in government, to educate the public about government activities, and to ensure the accountability of government officials. American Oversight uses the information gathered, and its analysis of it, to educate the public through reports, press releases, or other media. Accordingly, American Oversight qualifies for a fee waiver.
