Re: Sunshine Law Request

Dear Custodian of Records:

Pursuant to the Missouri Sunshine Law, Mo. Rev. Stat. §§ 610.010 et seq., American Oversight makes the following request for records.

Soon after the January 6, 2020 riots at the U.S. Capitol, public reporting indicated that the Rule of Law Defense Fund (RLDF), a fundraising arm of the Republican Attorneys General Association, sent out a robocall urging supporters to “march to the Capitol building and call on Congress to stop the steal.”¹ RLDF Chair and Alabama Attorney General Steve Marshall claimed to have had no prior knowledge of the calls and requested an internal review at RLDF in order to determine how the call came to be and who may have authorized the group’s promotion of the Jan. 6 events at the U.S. Capitol.²

American Oversight is seeking records related to RLDF’s aforementioned internal review.

Requested Records

American Oversight, requests that your office produce copies of the following records within three business days:

1. All records in the possession of Attorney General Schmitt reflecting details (including, but not limited to, the identity of RLDF staff or other individuals tasked with the review, the identity of interviewees, and

interview findings) of any RLDF internal review of RLDF's involvement with the January 6, 2020 events at the U.S. Capitol.

2. All records in the possession of Attorney General Schmitt reflecting any findings (interim or final) resulting from any RLDF internal review of RLDF's involvement with the January 6, 2020 events at the U.S. Capitol (including, but not limited to, records concerning the RLDF robocall urging supporters to "march to the Capitol building").

Please provide all responsive records from January 6, 2021, to the date this request is received by your office.

Fee Waiver Request

In accordance with Mo. Rev. Stat. § 610.026.1(1), American Oversight requests a waiver of fees associated with processing this request for records. Disclosure of the requested records is in the public interest because it will likely contribute to a better understanding of relevant government procedures by the general public in a significant way. Moreover, the request is primarily and fundamentally for non-commercial purposes.

American Oversight requests a waiver of fees because disclosure of the requested information "is likely to contribute significantly to public understanding of the operations or activities of [a] public governmental body."³ The public has a significant interest in the extent to which Attorney General Schmitt and RLDF were involved with the January 6 pro-Trump rally and the corresponding march to the U.S. Capitol.⁴ Records with the potential to shed light on this matter would contribute significantly to public understanding of operations of the government. American Oversight is committed to transparency and makes the responses agencies provide to public records requests publicly available, and the public's understanding of the government's activities would be enhanced through American Oversight's analysis and publication of these records.

This request is primarily and fundamentally for non-commercial purposes.⁵ As a 501(c)(3) nonprofit, American Oversight does not have a commercial purpose and the release of the information requested is not in American Oversight's financial interest. American Oversight's mission is to promote transparency in government, to educate the public about government activities, and to ensure the accountability of government officials. American Oversight uses the information gathered, and its analysis of it, to educate the public through reports, press releases, or other media. American Oversight

Guidance Regarding the Search & Processing of Requested Records

In connection with its request for records, American Oversight provides the following guidance regarding the scope of the records sought and the search and processing of records:

- Please search all locations and systems likely to have responsive records, regardless of format, medium, or physical characteristics. For instance, if the request seeks “communications,” please search all locations likely to contain communications, including relevant hard-copy files, correspondence files, appropriate locations on hard drives and shared drives, emails, text messages or other direct messaging systems (such as iMessage, WhatsApp, Signal, or Twitter direct messages), voicemail messages, instant messaging systems such as Lync or ICQ, and shared messages systems such as Slack.
- In conducting your search, please understand the terms “record,” “document,” and “information” in their broadest sense, to include any written, typed, recorded, graphic, printed, or audio material of any kind. We seek records of any kind, including electronic records, audiotapes, videotapes, and photographs, as well as letters, emails, facsimiles, telephone messages, voice mail messages and transcripts, notes, or minutes of any meetings, telephone conversations or discussions.¹²
- Our request for records includes any attachments to those records or other materials enclosed with those records when they were previously transmitted. To the extent that an email is responsive to our request, our request includes all prior messages sent or received in that email chain, as well as any attachments to the email.
- Please search all relevant records or systems containing records regarding agency business. Do not exclude records regarding agency business contained in files, email accounts, or devices in the personal custody of your officials, such as personal email accounts or text messages.
- In the event some portions of the requested records are properly exempt from disclosure, please disclose any reasonably segregable non-exempt portions of

the requested records.¹³ If a request is denied in whole, please state specifically why it is not reasonable to segregate portions of the record for release.

- Please take appropriate steps to ensure that records responsive to this request are not deleted by the agency before the completion of processing for this request. If records potentially responsive to this request are likely to be located on systems where they are subject to potential deletion, including on a scheduled basis, please take steps to prevent that deletion, including, as appropriate, by instituting a litigation hold on those records.

Conclusion

If you have any questions regarding how to construe this request for records or believe that further discussions regarding search and processing would facilitate a more efficient production of records of interest to American Oversight, please do not hesitate to contact American Oversight to discuss this request. American Oversight welcomes an opportunity to discuss its request with you before you undertake your search or incur search or duplication costs. By working together at the outset, American Oversight and your agency can decrease the likelihood of costly and time-consuming litigation in the future.
