**Re: Public Information Request**

Dear Coordinator Downey:

Pursuant to the Texas Public Information Act, as codified at Tex. Code ch. 552, American Oversight makes the following request for public records.

**Requested Records**

American Oversight requests that your office promptly produce the following:

All email communications (including emails, email attachments, complete email chains, calendar invitations, and calendar invitation attachments) sent by Attorney General Ken Paxton or Solicitor General Judd Stone containing any of the following key terms:

**Key Terms**

1. Brnovich
2. DNC
3. 19-1257
4. "Democratic National Committee"
5. "Supreme Court"
6. SCOTUS
7. VRA
8. "Voting Rights Act"
9. "Section 2"
10. Shelby
11. "results test"
12. Roberts
13. Alito
14. Barrett
15. Breyer
16. Gorsuch
17. Kagan
18. Kavanaugh

19. Sotomayor
20. Thomas

In an effort to accommodate the Texas Attorney General's Office and reduce the number of potentially responsive records to be processed and produced, American Oversight has limited its request to emails sent by Paxton and Stone. To be clear, however, American Oversight still requests that complete email chains be produced, displaying both sent and received messages. This means, for example, that both Paxton or Stone's response to a responsive email and the initial received message are responsive to this request and should be produced.

Please provide all responsive records from March 1, 2021 through March 5, 2021.

American Oversight insists that your office use the most up-to-date technologies to search for responsive information and take steps to ensure that the most complete repositories of information are searched. American Oversight is available to work with you to craft appropriate search terms. **However, custodian searches are still required; governmental authorities may not have direct access to files stored in .PST files, outside of network drives, in paper format, or in personal email accounts.**

Please search all records regarding official business. **You may not exclude searches of files or emails in the personal custody of your officials, such as personal email accounts.** Emails conducting government business sent or received on the personal account of a governmental authority's officer or employee constitutes a record for purposes of the Texas Public Information Act.<sup>1</sup>

In the event some portions of the requested records are properly exempt from disclosure, please disclose any reasonably segregable non-exempt portions of the requested records. If it is your position that a document contains non-exempt segments, but that those non-exempt segments are so dispersed throughout the document as to make segregation impossible, please state what portion of the document is non-exempt, and how the material is dispersed throughout the document. If a request is denied in whole, please state specifically that it is not reasonable to segregate portions of the record for release.

Please take appropriate steps to ensure that records responsive to this request are not deleted by your office before the completion of processing for this request. If records potentially responsive to this request are likely to be located on systems where they are subject to potential deletion, including on a scheduled basis, please take steps to prevent that deletion, including, as appropriate, by instituting a litigation hold on those records.

<sup>1</sup> Tex. Code § 552.002(a-2); see also *Adkisson v. Paxton*, 459 S.W.3d 761, 773 (Tex. App. 2015).

To ensure that this request is properly construed, that searches are conducted in an adequate but efficient manner, and that extraneous costs are not incurred, American Oversight welcomes an opportunity to discuss its request with you before you undertake your search or incur search or duplication costs. By working together at the outset, American Oversight and your office can decrease the likelihood of costly and time-consuming litigation in the future.

Where possible, please provide responsive material in electronic format by email or in PDF or TIF format on a USB drive. Please send any responsive material being sent by mail to American Oversight, 1030 15th Street NW, Suite B255, Washington, DC 20005. If it will accelerate release of responsive records to American Oversight, please also provide responsive material on a rolling basis.

### **Fee Waiver Request**

In accordance with Tex. Code § 552.267(a), American Oversight requests a waiver of fees associated with processing this request for records because such a waiver “is in the public interest because providing the copy of the information primarily benefits the general public.” The requested records are directly related to the work of state officials, with the potential to shed light on senior Texas officials’ thoughts on an important voting rights case in front of the Supreme Court involving Arizona laws with implications that may reverberate nationally. This matter is a subject of substantial public interest in Texas, given that Attorney General Paxton has signed on to an *amicus curiae* brief in this case,<sup>2</sup> as well as both of the state’s senators.<sup>3</sup> In addition, Attorney General Paxton has been outspoken regarding his views on election administration and voter access to the ballot.<sup>4</sup> Accordingly, release of records that may help the public understand senior state official’s views on the issues raised in the Arizona litigation and voting rights generally is in the public interest.

Release of the requested records will primarily benefit the public.<sup>5</sup> As a 501(c)(3) nonprofit, American Oversight does not have a commercial purpose and the release of the requested records is not in American Oversight’s financial interest, but is rather in the public interest. American Oversight is committed to transparency and makes the responses governmental authorities provide to public records requests publicly available. As noted, the subject of this request is a matter of public interest, and the public would benefit from an enhanced understanding of the government’s activities through American Oversight’s analysis and publication of these records.
