Re: Sunshine Law Request

Dear Chief Clerk Miller and Representative Hill:

Pursuant to the Missouri Sunshine Law, Mo. Rev. Stat. §§ 610.010 et seq., American Oversight makes the following request for records.

Requested Records

American Oversight requests that the Office of Representative Justin Hill produce copies of the following records within three business days:

1. All records reflecting the full content of any post published to ALEC Connect¹ by Rep. Hill (including the original post and the complete comment thread).
2. All records reflecting the full content of any ALEC Connect posts (including the original post and the complete comment thread) on which Rep. Hill commented.

¹ ALEC Connect is the online portal of the American Legislative Exchange Council. As a member of ALEC, Representative Hill has access to ALEC Connect and its content. See *Convening Ideas Across the States*, State Policy Network, Dec. 5, 2019, <https://spn.org/blog/convening-ideas-across-the-states/>; Jamie Corey, *ALEC Convenes Secret Working Group Focused on Elections, Redistricting*, Documented, Apr. 27, 2021, <https://documented.net/2020/12/alec-convenes-secret-working-group-focused-on-elections-redistricting/>.

3. All records reflecting the full content of any ALEC Connect posts or comments (including the original post and the complete comment thread) mentioning or tagging Rep. Hill by name, username, or email address.
4. All files uploaded to ALEC Connect by Rep. Hill.
5. All files downloaded from ALEC Connect by Rep. Hill, whether to a government or personal device.
6. All records reflecting the full content of any written exchanges, including chats, concerning legislation or policy issues on ALEC Connect in which Rep. Hill participated. Please note that American Oversight does not seek, and that this request specifically excludes, chats with ALEC support staff concerning information technology troubleshooting or related issues.
7. All records reflecting the content of Rep. Hill's ALEC Connect member profile page.
8. All records reflecting any expense report submitted through ALEC Connect by Rep. Hill, any communications (including messages sent through ALEC Connect or by email) concerning any such expense report, and any records reflecting reimbursement, approval, rejection, or other action in response to any such expense report.

Please provide all responsive records from August 1, 2019, through the date the search is conducted.

Fee Waiver Request

In accordance with Mo. Rev. Stat. § 610.026.1(1), American Oversight requests a waiver of fees associated with processing this request for records. Disclosure of the requested records is in the public interest because it will likely contribute to a better understanding of relevant government procedures by the general public in a significant way. Moreover, the request is primarily and fundamentally for non-commercial purposes.

American Oversight requests a waiver of fees because disclosure of the requested information “is likely to contribute significantly to public understanding of the operations or activities of [a] public governmental body.”² The public has a significant interest in state legislators’ affiliation with ALEC, a group that convenes state legislators to coordinate legislative priorities and solutions. ALEC’s influence on lawmakers is a topic of substantial public interest.³ Records with the potential to shed

light on this matter would contribute significantly to public understanding of operations of the government, including whether and to what extent Missouri state legislators have been influenced in their official duties by ALEC or ALEC members. American Oversight is committed to transparency and makes the responses agencies provide to public records requests publicly available, and the public's understanding of the government's activities would be enhanced through American Oversight's analysis and publication of these records.

This request is primarily and fundamentally for non-commercial purposes.⁴ As a 501(c)(3) nonprofit, American Oversight does not have a commercial purpose and the release of the information requested is not in American Oversight's financial interest. American Oversight uses the information gathered, and its analysis of it, to educate the public through reports, press releases, or other media. American Oversight also makes materials it gathers available on its public website and promotes their availability on social media platforms, such as Facebook and Twitter.⁵

American Oversight has also demonstrated its commitment to the public disclosure of documents and creation of editorial content through regular substantive analyses posted to its website.⁶ Examples reflecting this commitment to the public disclosure of documents and the creation of editorial content include the posting of records and analysis related to the organization's investigations into misconduct and corruption in state governments;⁷ posting records and analysis of federal and state governments' responses to the Coronavirus pandemic;⁸ posting records received as part of American

facsimiles, telephone messages, voice mail messages and transcripts, notes, or minutes of any meetings, telephone conversations or discussions.¹²

- Our request for records includes any attachments to those records or other materials enclosed with those records when they were previously transmitted. To the extent that an email is responsive to our request, our request includes all prior messages sent or received in that email chain, as well as any attachments to the email.
- Please search all relevant records or systems containing records regarding agency business. Do not exclude records regarding agency business contained in files, email accounts, or devices in the personal custody of your officials, such as personal email accounts or text messages.
- In the event some portions of the requested records are properly exempt from disclosure, please disclose any reasonably segregable non-exempt portions of the requested records.¹³ If a request is denied in whole, please state specifically why it is not reasonable to segregate portions of the record for release.
- Please take appropriate steps to ensure that records responsive to this request are not deleted by the agency before the completion of processing for this request. If records potentially responsive to this request are likely to be located on systems where they are subject to potential deletion, including on a scheduled basis, please take steps to prevent that deletion, including, as appropriate, by instituting a litigation hold on those records.

Conclusion

If you have any questions regarding how to construe this request for records or believe that further discussions regarding search and processing would facilitate a more efficient production of records of interest to American Oversight, please do not hesitate to contact American Oversight to discuss this request. American Oversight welcomes an opportunity to discuss its request with you before you undertake your search or incur search or duplication costs. By working together at the outset, American Oversight and your agency can decrease the likelihood of costly and time-consuming litigation in the future.
