Re: Public Records Request

Dear Public Records Officer:

Pursuant to the Arizona Public Records Law, A.R.S. §§ 39-121 et seq., American Oversight makes the following request for records.

Requested Records

American Oversight requests that your office promptly produce the following records:

1. Records reflecting the expenses and costs incurred by Senator Wendy Rogers related to the legislative member's trip to the audit of Maricopa County votes taking place at the Veterans Memorial Coliseum in Phoenix, Arizona.¹

To the extent your office has aggregated records sufficient to show all relevant expenses and costs, such as spreadsheets, American Oversight would accept production of such records as sufficient. To the extent your office does not have an aggregated record of these costs, American Oversight requests records reflecting those costs, such as receipts, invoices, charge card or credit card statements, and reimbursement requests.

Relevant expenses may include, but are not limited to, hotel or other lodging costs; costs for air travel, rental car, or other transportation companies; costs incurred for government transportation; the cost of meals or refreshments; and diem payments.

Relevant expenses include costs associated with the travel of the above-referenced member of the legislature and of any staff members, family members, or other individuals travelling with the legislative member.

2. All email communications (including emails, email attachments, complete email chains, calendar invitations, and calendar invitation attachments) sent by Senator Wendy Rogers or anyone communicating on their behalf such as a Chief of Staff, scheduler, or assistant, regarding the legislative member's trip to the audit of Maricopa County votes taking place at the Veterans Memorial Coliseum in Phoenix, Arizona.²

In an effort to accommodate your office and reduce the number of potentially responsive records to be processed and produced, American Oversight has limited its request to emails sent by the above-referenced member of the legislature and their staff. To be clear, however, American Oversight still requests that complete email chains be produced, displaying both sent and received messages. This means, for example, that both the legislative member's response to an email about the trip and the initial received message are responsive to this request and should be produced.

3. Any handouts, agendas, summaries, or notes created by or provided to Senator Rogers as part of their trip to the audit of Maricopa County votes taking place at the Veterans Memorial Coliseum in Phoenix, Arizona.³ Responsive records would include, but not be limited to, electronic or hard-copy documents provided to the legislative member during their tour of audit facilities, and formal or informal descriptions or analyses of the Maricopa County election audit created by the legislative member or any member of their staff.
4. All email communications (including emails, email attachments, complete email chains, and calendar invitations) between (a) Senator Rogers or anyone communicating on their behalf such as a Chief of Staff, scheduler, or assistant and (b) Christiana Bobb, or anyone communicating on behalf of One American News Network (OANN), including from an email address ending in @oann.com.

Please note that American Oversight does not seek, and that this request specifically excludes, the initial mailing of news clips or other mass-distribution emails. However, subsequent communications forwarding such emails are responsive to this request. In other words, for example, if the legislative member received a mass-distribution news clip email from OANN that initial email would not be responsive to this request. However, if the legislative member forwarded that email to another individual with their own commentary, that subsequent message would be responsive to this request and should be produced.
