Re: Open Records Request

Dear Records Custodian:

Pursuant to the Georgia Open Records Law (O.C.G.A. § 50-18-70 et seq.), American Oversight makes the following request for records.

Requested Records

American Oversight requests that the Office of the Secretary of State produce the following within three business days, or provide a written description of any responsive records with a timetable for their production within three business days:

1. All email communications (including emails, email attachments, complete email chains, and calendar invitations) between (a) any Office of the Secretary of State officials listed below and (b) Representative Jody Hice or any individual who works for Representative Hice (including, but not limited to, the individuals listed below).

Secretary of State Officials:

- i. Secretary of State Brad Raffensperger
- ii. Deputy Secretary of State Jordan Fuchs
- iii. Director of External Affairs Sam Teasley
- iv. Elections Director Chris Harvey
- v. General Counsel Ryan Germany

Representatives of Jody Hice:

- i. Representative Jody Hice (including, but not limited to, at jody@jodyhice.com)
- ii. Chief of Staff Tim Reitz (including, but not limited to, at tim.reitz@mail.house.gov)
- iii. Legislative Director Kaitlyn Dwyer (including, but not limited to, at kaitlyn.dwyer@mail.house.gov)
- iv. Scheduler Taylor Ford (including, but not limited to, at taylor.ford@mail.house.gov)
- v. Communications Director Sarah Selip (including, but not limited to, at sarah.selip@mail.house.gov)

- vi. Ben Stout (including, but not limited to, at ben.stout@mail.house.gov)
 - vii. Campaign Manager - Jody Hice for Secretary of State Wesley Ross
2. All email communications (including emails, complete email chains, calendar invitations, and attachments thereto) sent by any of the Secretary of State Officials listed above that contain the term “Hice.”

viii.

In an effort to accommodate your office and reduce the number of potentially responsive records to be processed and produced, American Oversight has limited Item 2 of its request to emails sent by the Secretary of State officials listed above. To be clear, however, American Oversight still requests that complete email chains be produced, displaying both sent and received messages. This means, for example, that both Secretary Raffensperger’s response to an email containing the term “Hice” and the initial received message are responsive to this request and should be produced.

For both items of this request, please provide all responsive records from November 3, 2020, to the date this request is received by your office.

Please notify American Oversight of any anticipated fees or costs in excess of \$100 prior to incurring such costs or fees.

Guidance Regarding the Search & Processing of Requested Records

In connection with its request for records, American Oversight provides the following guidance regarding the scope of the records sought and the search and processing of records:

- Our request for records includes any attachments to those records or other materials enclosed with those records when they were previously transmitted. To the extent that an email is responsive to our request, our request includes all prior messages sent or received in that email chain, as well as any attachments to the email.
- Please search all relevant records or systems containing records regarding agency business. Do not exclude records regarding agency business contained in files, email accounts, or devices in the personal custody of your officials, such as personal email accounts or text messages. Records of official business conducted using unofficial systems or stored outside of official files are subject to the Open Records Act.¹
- In the event some portions of the requested records are properly exempt from disclosure, please disclose any reasonably segregable non-exempt portions of the

¹ O.C.G.A. § 50-18-70(b)(2).

requested records. If a request is denied in whole, please state specifically why it is not reasonable to segregate portions of the record for release.

- Please take appropriate steps to ensure that records responsive to this request are not deleted by the agency before the completion of processing for this request. If records potentially responsive to this request are likely to be located on systems where they are subject to potential deletion, including on a scheduled basis, please take steps to prevent that deletion, including, as appropriate, by instituting a litigation hold on those records.

If you have any questions regarding how to construe this request for records or believe that further discussions regarding search and processing would facilitate a more efficient production of records of interest to American Oversight, please do not hesitate to contact American Oversight to discuss this request. American Oversight welcomes an opportunity to discuss its request with you before you undertake your search or incur search or duplication costs. By working together at the outset, American Oversight and your agency can decrease the likelihood of costly and time-consuming litigation in the future.

Where possible, please provide responsive material in an electronic format by email. Alternatively, please provide responsive material in native format or in PDF format on a USB drive. Please send any responsive material being sent by mail to American Oversight, 1030 15th Street NW, Suite B255, Washington, DC 20005. If it will accelerate release of responsive records to American Oversight, please also provide responsive material on a rolling basis.

Conclusion

American Oversight is a 501(c)(3) nonprofit with the mission to promote transparency in government, to educate the public about government activities, and to ensure the accountability of government officials. American Oversight uses the information gathered, and its analysis of it, to educate the public through reports, press releases, or other media. American Oversight also makes materials it gathers available on its public website and promotes their availability on social media platforms, such as Facebook and Twitter.²

We share a common mission to promote transparency in government. American Oversight looks forward to working with you on this request. If you do not understand any part of this request, have any questions, or foresee any problems in fully releasing
