Re: Sunshine Law Request

Dear Custodian of Records:

Pursuant to the Missouri Sunshine Law, Mo. Rev. Stat. §§ 610.010 et seq., American Oversight makes the following request for records.

Requested Records

American Oversight requests that the Attorney General's Office produce copies of the following records within three business days:

1. All email communications (including emails, complete email chains, calendar invitations, and attachments thereto) between (a) any of the Missouri Attorney General's Office officials listed in Column A, below, and (b) any employees or representatives of the external organizations listed in Column B, below (including, but not limited to, anyone communicating from an email address ending in the listed domains).

Column A: Missouri Attorney General's Office Officials	Column B: External Parties
<ol style="list-style-type: none">i. Eric Schmitt, Attorney General (or anyone communicating on his behalf, such as an assistant or scheduler)ii. Anyone serving as Chief of Staff to Attorney General Schmittiii. D. John Sauer, Solicitor General	<ol style="list-style-type: none">i. National Rifle Association, NRA Foundation, and NRA's Institute for Legislative Action (nra.org, nrahq.org, nrafoundation.org, and nraila.org)ii. Association of New Jersey Rifle & Pistol Clubs (anjrpc.org)iii. Gun Owners of America and Gun Owners Foundation (gunowners.org)iv. National Association for Gun Rights (nationalgunrights.org)v. Second Amendment Foundation (saf.org)

	vi. Citizens Committee for the Right to Keep and Bear Arms (ccrkba.org)
	vii. American Suppressor Association (americansuppressorassociation.com)
	viii. National Shooting Sports Foundation (nssf.org)
	ix. Missouri Firearms Coalition (missourifirearmscoalition.org)
	x. Gateway Civil Liberties Alliance (gclastl.org)
	xi. Western Missouri Shooters Alliance (wmsa.net)

Please note that American Oversight does not seek, and that this request specifically excludes, the initial mailing of news clips or other mass-distribution emails. However, subsequent communications forwarding such emails are responsive to this request. In other words, for example, if Attorney General Schmitt received a mass-distribution news clip email from an email ending in @nra.org, that initial email would not be responsive to this request. However, if Attorney General Schmitt forwarded that email to another individual with his own commentary, that subsequent message would be responsive to this request and should be produced.

2. All email communications (including emails, complete email chains, calendar invitations, and attachments thereto) sent by any of the Missouri Attorney General's Office officials listed in Column A, above, containing any of the search terms listed below.

Search Terms:

- | | |
|---------------------------------|---|
| i. "National Rifle Association" | x. "Suppressor Association" |
| ii. NRA | xi. "Shooting Sports Foundation" |
| iii. "Gun Owners of America" | xii. NSSF |
| iv. GOA | xiii. "Rifle & Pistol" |
| v. "Association for Gun Rights" | xiv. ANJRPC |

| vii. SAF | xvi. "Gateway Civil Liberties Alliance" |
| viii. "Right to Keep and Bear" | xvii. GCLA |

In an effort to accommodate your office and reduce the number of potentially responsive records to be processed and produced, American Oversight has limited item 2 of its request to emails sent by the listed custodians. To be clear, however, American Oversight still requests that complete email chains be produced, displaying both sent and received messages. This means, for example, that both Attorney General Schmitt's response to an email

containing the term “Bump Stock” and that initial received message are responsive to this request and should be produced.

For both parts of this request, please provide all responsive records from January 1, 2021, through the date the search is conducted.

Fee Waiver Request

In accordance with Mo. Rev. Stat. § 610.026.1(1), American Oversight requests a waiver of fees associated with processing this request for records. Disclosure of the requested records is in the public interest because it will likely contribute to a better understanding of relevant government procedures by the general public in a significant way. Moreover, the request is primarily and fundamentally for non-commercial purposes.

American Oversight requests a waiver of fees because disclosure of the requested information “is likely to contribute significantly to public understanding of the operations or activities of [a] public governmental body.”¹ The public has a significant interest in the state’s relationship with pro-gun interests.² Records with the potential to shed light on this matter would contribute significantly to public understanding of operations of the government, including whether and to what extent pro-gun interests have sought to influence the Attorney General’s Office. American Oversight is committed to transparency and makes the responses agencies provide to public records requests publicly available, and the public’s understanding of the government’s activities would be enhanced through American Oversight’s analysis and publication of these records.

This request is primarily and fundamentally for non-commercial purposes.³ As a 501(c)(3) nonprofit, American Oversight does not have a commercial purpose and the release of the information requested is not in American Oversight’s financial interest. American Oversight’s mission is to promote transparency in government, to educate the public about government activities, and to ensure the accountability of government officials. American Oversight uses the information gathered, and its analysis of it, to educate the public through reports, press releases, or other media. American Oversight also makes materials it gathers available on its public website and promotes their availability on social media platforms, such as Facebook and Twitter.⁴

American Oversight has also demonstrated its commitment to the public disclosure of documents and creation of editorial content through regular substantive analyses posted to its website.⁵ Examples reflecting this commitment to the public disclosure of documents and the creation of editorial content include the posting of records and analysis related to the organization’s investigations into misconduct and corruption in state governments;⁶ posting records and analysis of federal and state governments’ responses to the Coronavirus pandemic;⁷ posting records received as part of American Oversight’s “Audit the Wall” project to gather and analyze information related to the Trump administration’s proposed construction of a barrier along the U.S.-Mexico border, and analyses of what those records reveal;⁸ and the posting of records related to an ethics waiver received by a senior Department of Justice attorney and an analysis of what those records demonstrated regarding the Department’s process for issuing such waivers.⁹

Accordingly, American Oversight qualifies for a fee waiver.

Guidance Regarding the Search & Processing of Requested Records

In connection with its request for records, American Oversight provides the following guidance regarding the scope of the records sought and the search and processing of records:

- Our request for records includes any attachments to those records or other materials enclosed with those records when they were previously transmitted. To the extent that an email is responsive to our request, our request includes all prior messages sent or received in that email chain, as well as any attachments to the email.
- Please search all relevant records or systems containing records regarding agency business. Do not exclude records regarding agency business contained in files, email accounts, or devices in the personal custody of your officials, such as personal email accounts or text messages.
- In the event some portions of the requested records are properly exempt from disclosure, please disclose any reasonably segregable non-exempt portions of the requested records.¹⁰ If a request is denied in whole, please state specifically why it is not reasonable to segregate portions of the record for release.
- Please take appropriate steps to ensure that records responsive to this request are not deleted by the agency before the completion of processing for this request. If records potentially responsive to this request are likely to be located on systems where they are subject to potential deletion, including on a scheduled basis, please take steps to prevent that deletion, including, as appropriate, by instituting a litigation hold on those records.

Conclusion

If you have any questions regarding how to construe this request for records or believe that further discussions regarding search and processing would facilitate a more efficient production of records of interest to American Oversight, please do not hesitate to contact American Oversight to discuss this request. American Oversight welcomes an opportunity to discuss its request with you before you undertake your search or incur search or duplication costs. By working together at the outset, American Oversight and your agency can decrease the likelihood of costly and time-consuming litigation in the future.
