**Re: Public Information Request**

Dear Public Information Officer:

Pursuant to the Texas Public Information Act, as codified at Tex. Code ch. 552, American Oversight makes the following request for public records.

**Requested Records**

American Oversight requests that the Texas Office of the Attorney General (OAG) promptly produce the following:

All records reflecting communications (including emails, email attachments, text messages, messages on messaging platforms (such as Slack, GChat or Google Hangouts, Lync, Skype, or WhatsApp), telephone call logs, calendar invitations, calendar entries, meeting notices, meeting agendas, informational material, any handwritten or electronic notes taken during any oral communications, summaries of any oral communications, or other materials) sent or received by the Texas OAG officials specified below regarding or reflecting any engagement between anyone in the OAG and representatives of the America First Policy Institute (AFPI) (including anyone with an email address ending in @americafirstpolicy.com).

Please provide all responsive records from January 21, 2021, through the date a search is conducted.

2. Solicitor General Judd Stone
3. Anyone communicating on behalf of Paxton or Stone, including but not limited to a Chief of Staff, assistant, or scheduler
4. Anyone involved with OAG's relationship with AFPI, including but not limited to anyone involved with organizing discussions or coordinating communications strategy

Representatives of AFPI

1. Brooke Rollins, or anyone communicating on her behalf
2. Linda McMahon, or anyone communicating on her behalf
3. Larry Kudlow, or anyone communicating on his behalf
4. Doug Hoelscher, or anyone communicating on his behalf
5. Rick Perry, or anyone communicating on his behalf
6. John Ratcliffe, or anyone communicating on his behalf
7. Mike Pence, or anyone communicating on his behalf
8. Keith Kellogg, or anyone communicating on his behalf
9. Ivanka Trump, or anyone communicating on her behalf
10. Jared Kushner, or anyone communicating on his behalf
11. Anyone communicating from an email address ending in @americafirstpolicy.com.

American Oversight seeks all responsive records regardless of format, medium, or physical characteristics. In conducting your search, please understand the term “record” in its broadest sense, to include any written, typed, recorded, graphic, printed, or audio material of any kind. We seek records of any kind, including electronic records, audiotapes, videotapes, and photographs, as well as letters, emails, facsimiles, telephone messages, voice mail messages and transcripts, notes, or minutes of any meetings, telephone conversations or discussions. Our request includes any attachments to these records. **No category of material should be omitted from search, collection, and production.**

In addition, American Oversight insists that your office use the most up-to-date technologies to search for responsive information and take steps to ensure that the most complete repositories of information are searched. American Oversight is available to work with you to craft appropriate search terms. **However, custodian searches are still required; governmental authorities may not have direct access to files stored in .PST files, outside of network drives, in paper format, or in personal email accounts.**

Please search all records regarding official business. **You may not exclude searches of files or emails in the personal custody of your officials, such as personal email accounts.** Emails conducting government business sent or received on the personal account of a governmental authority’s officer or employee constitutes a record for purposes of the Texas Public Information Act.<sup>1</sup>

In the event some portions of the requested records are properly exempt from disclosure, please disclose any reasonably segregable non-exempt portions of the requested records. If it is your position that a document contains non-exempt segments, but that those non-exempt segments are so dispersed throughout the document as to make segregation impossible, please state what portion of the document is non-exempt, and how the material is dispersed throughout the document. If a request is denied in

whole, please state specifically that it is not reasonable to segregate portions of the record for release.

Please take appropriate steps to ensure that records responsive to this request are not deleted by your office before the completion of processing for this request. If records potentially responsive to this request are likely to be located on systems where they are subject to potential deletion, including on a scheduled basis, please take steps to prevent that deletion, including, as appropriate, by instituting a litigation hold on those records.

To ensure that this request is properly construed, that searches are conducted in an adequate but efficient manner, and that extraneous costs are not incurred, American Oversight welcomes an opportunity to discuss its request with you before you undertake your search or incur search or duplication costs. By working together at the outset, American Oversight and your office can decrease the likelihood of costly and time-consuming litigation in the future.

Where possible, please provide responsive material in electronic format by email or in PDF or TIF format on a USB drive. Please send any responsive material being sent by mail to American Oversight, 1030 15th Street NW, Suite B255, Washington, DC 20005. If it will accelerate release of responsive records to American Oversight, please also provide responsive material on a rolling basis.

### **Fee Waiver Request**

In accordance with Tex. Code § 552.267(a), American Oversight requests a waiver of fees associated with processing this request for records, because such a waiver “is in the public interest because providing the copy of the information primarily benefits the general public.” The requested records are directly related to the work of state officials, with the potential to shed light on the working relationship between officials in the OAG and external political advocates that the OAG has partnered with. This matter is a subject of substantial public interest in Texas and nationally.<sup>2</sup> Accordingly, release of records that may help the public understand the operations and activities of state officials is in the public interest.

Release of the requested records will primarily benefit the public.<sup>3</sup> As a 501(c)(3) nonprofit, American Oversight does not have a commercial purpose and the release of the requested records is not in American Oversight’s financial interest, but is rather in the public interest. American Oversight is committed to transparency and makes the responses governmental authorities provide to public records requests publicly
