**Re: Public Records Law Request**

Dear Steven Page:

Pursuant to Wisconsin's public records law, Wis. Stat. §§ 19.31–19.39, American Oversight makes the following request for copies of records.

On May 26, 2021, Wisconsin State Assembly Speaker Robin Vos indicated that the legislature would hire three former law enforcement officers and a supervising attorney to investigate the November 2020 election.<sup>1</sup> Since the time of this announcement, the names of several of the contracted individuals have been made public, among them former Milwaukee Police Detective Mike Sandvick, former Eau Claire police Detective Steven Page, and former Wisconsin Supreme Court Justice Michael Gableman.<sup>2</sup>

American Oversight seeks records with the potential to shed light on the Wisconsin Assembly's investigation of the November 2020 election, including regarding the role and activities of contractors who are performing work in furtherance of that investigation.

Please provide all responsive records from June 1, 2021, through the date the search is conducted.

Please note that American Oversight does not seek, and that this request specifically excludes, the initial mailing of news clips or other mass-distribution emails. However, subsequent communications forwarding such emails are responsive to this request. In other words, for example, if Steven

Page received a mass-distribution news clip email from the Wisconsin Republican Party, that initial email would not be responsive to this request. However, if he forwarded that email to another individual with his own commentary, that subsequent message would be responsive to this request and should be produced.

- B. All electronic communications (including emails, email attachments, text messages, or messages on messaging platforms, such as Slack, GChat or Google Hangouts, Lync, Skype, or WhatsApp) between (i) Steven Page and (ii) any other contractor or agent of the Wisconsin Assembly charged with investigating the November 2020 election, including but not limited to, investigators or attorneys directly employed by the Wisconsin Assembly, or subcontractors, assistants, consultants, counsel, formal or informal advisors, temporary workers, unpaid volunteers, or external funders.

Please provide all responsive records from June 1, 2021, through the date the search is conducted.

- C. All calendars or calendar entries regarding the legislature's investigation of the November 2020 election and maintained by or on behalf of Steven Page.

Please provide all responsive records from June 1, 2021, through the date the search is conducted.

American Oversight requests that the calendars be produced in a format that includes all invitees, any notes, and all attachments. Please do not limit your search to Outlook calendars; we request the production of any calendar—paper or electronic, whether on government-issued or personal devices—used to track or coordinate how these individuals allocate their time related to the investigation of the November 2020 election.

In all cases, responsive records include records that were “produced or collected” under any contract entered by Speaker Vos and/or the Wisconsin Assembly.<sup>4</sup>

### **Fee Waiver Request**

In accordance with Wis. Stat. § 19.35(3)(e), American Oversight respectfully requests that the records be produced without charge. Providing American Oversight with a waiver of fees is in the “public interest” because American Oversight will, in accordance with its organizational mission, make the records available to the public without charge.

<sup>4</sup> Wis. Stat. Ann. § 19.36(3) (“Each authority shall make available for inspection and copying under s. 19.35(1) any record produced or collected under a contract entered into by the authority with a person other than an authority to the same extent as if the record were maintained by the authority.”).

These disclosures will likely contribute to a better understanding of relevant government procedures by the general public.

American Oversight's work is aimed solely at serving the public interest. As a 501(c)(3) nonprofit, American Oversight does not have a commercial purpose and the release of the information requested is not in American Oversight's financial interest. Rather, American Oversight's mission is to serve the public by promoting transparency in government, educating the public about government activities, and ensuring the accountability of government officials. American Oversight uses the information gathered, and its analysis of it, to educate the public through reports, press releases, or other media.<sup>5</sup> American Oversight also makes materials it gathers available on its public website<sup>6</sup> and promotes their availability on social media platforms, such as Facebook and Twitter.<sup>7</sup>

The public has a significant interest in the Wisconsin Assembly's investigation of the November 2020 election.<sup>8</sup> Records with the potential to shed light on this matter would contribute significantly to public understanding of operations of the government, including the role of contractors in conducting the Assembly's investigation. American Oversight is committed to transparency and makes the responses agencies provide to public records requests publicly available, and the public's understanding of the government's activities would be enhanced through American Oversight's analysis and publication of these records.

American Oversight asks that if its request for a fee waiver is denied in whole or in part, that you contact us prior to incurring any costs.

messages, voice mail messages and transcripts, notes, or minutes of any meetings, telephone conversations or discussions. Our request includes any attachments to these records. **No category of material should be omitted from search, collection, and production.**

Please search all locations and systems likely to have responsive records regarding official business. **You may not exclude searches of files or emails in the personal custody of your officials, such as personal email accounts.** Emails conducting government business sent or received on the personal account of the authority's officer or employee constitutes a record for purposes of Wisconsin's public records laws.<sup>9</sup>

In the event some portions of the requested records are properly exempt from disclosure, please disclose any reasonably segregable non-exempt portions of the requested records.<sup>10</sup> If it is your position that a document contains non-exempt segments, but that those non-exempt segments are so dispersed throughout the document as to make segregation impossible, please state what portion of the document is non-exempt, and how the material is dispersed throughout the document. If a request is denied in whole, please state specifically that it is not reasonable to segregate portions of the record for release.

American Oversight expects that you have ensured all responsive records and records relevant to this request and your compliance with it are retained as required by Wisconsin law. Please take all appropriate steps to ensure that no such records are deleted by the agency before the completion of processing for this request. If records potentially responsive or relevant to this request, or your compliance with it, are likely to be located on systems where they are subject to potential deletion, including on a scheduled basis, please take steps to prevent that deletion, including, as appropriate, by instituting a litigation hold on those records.

### **Conclusion**

If you have any questions regarding how to construe this request for records or believe that further discussions regarding search and processing would facilitate a more efficient production of records of interest to American Oversight, please do not hesitate to contact American Oversight to discuss this request. American Oversight welcomes an opportunity to discuss its request with you before you undertake your search or incur search or duplication costs. By working together at the outset, American Oversight and your agency can decrease the likelihood of costly and time-consuming litigation in the future.
