**Re: Freedom of Information Act Request**

Dear FOIA Coordinator:

Pursuant to Michigan's Freedom of Information Act (FOIA), as codified at Mich. Comp. Laws Ann. § 15.231 et seq., American Oversight makes the following request for records.

**Requested Records**

American Oversight requests that the Michigan Independent Citizens Redistricting Commission respond to this request for the following records within five business days:

1. A complete copy (including any attachments) of any contract, amendment, memorandum of understanding, or other written agreement regarding external entities providing services relevant to the state or congressional redistricting processes, including, but not limited to, agreements with providers of map drawing software, consultants, advisors, or legal counsel.
2. A complete copy of any unpublished formal or informal guidance, directives, memoranda, or other policy document pertaining to redistricting.
3. Any district boundary proposals produced by any member of the Michigan Independent Citizens Redistricting Commission, any MICRC staff member, or any entity commissioned or contracted by the MICRC, as well as any related data analyses. Please note that this request does not seek electoral district maps or community of interest maps submitted as public comment by members of the public.
4. Any records containing assessments, interpretations, or opinions concerning data from the 2020 Census or the 2020 American Community Survey (ACS).
5. Records reflecting any training materials used to inform any member of the MICRC, any MICRC staff member, or any entity commissioned or contracted by the MICRC of their roles or responsibilities.

6. Any records containing any formal or informal appraisal of or comment on any content submitted through the MICRC's public comment portal (including, but not limited to, written testimony, public comment, electoral district maps, information about a community of interest, community of interest maps, or comments on previous submissions).

Please provide all responsive records from January 1, 2021, through the date the search is conducted.

### **Fee Waiver Request**

In accordance with Mich. Comp. Laws Ann. § 15.234(2), American Oversight requests a waiver of fees associated with processing this request for records. A waiver of fees for this request “is in the public interest because searching for or furnishing copies of the public record[s] can be considered as primarily benefiting the general public.”<sup>1</sup>

The public has a significant interest in Michigan's redistricting process.<sup>2</sup> Records with the potential to shed light on this matter will help American Oversight and the general public understand the processes by which district boundaries are drafted and finalized.

American Oversight is committed to transparency and makes the responses agencies provide to FOIA requests publicly available, and the general public's understanding of the government's activities would be enhanced through American Oversight's analysis and publication of these records. American Oversight's mission is to promote transparency in government, to educate the public about government activities, and to ensure the accountability of government officials. American Oversight uses the information gathered, and its analysis of it, to educate the public through reports, press releases, or other media. American Oversight also makes materials it gathers available on its public website and promotes their availability on social media platforms, such as Facebook and Twitter.<sup>3</sup>

American Oversight has also demonstrated its commitment to the public disclosure of documents and creation of editorial content through numerous substantive analyses posted to its website.<sup>4</sup> Examples reflecting this commitment to the public disclosure of documents and the creation of editorial content include the posting of records related to the organization's investigations into misconduct and corruption in state

- Please search all locations and systems likely to have responsive records, regardless of format, medium, or physical characteristics. For instance, if the request seeks “communications,” please search all locations likely to contain communications, including relevant hard-copy files, correspondence files, appropriate locations on hard drives and shared drives, emails, text messages or other direct messaging systems (such as iMessage, WhatsApp, Signal, or Twitter direct messages), voicemail messages, instant messaging systems such as Lync or ICQ, and shared messages systems such as Slack.
- In conducting your search, please understand the terms “record,” “document,” and “information” in their broadest sense, to include any written, typed, recorded, graphic, printed, or audio material of any kind. We seek records of any kind, including electronic records, audiotapes, videotapes, and photographs, as well as letters, emails, facsimiles, telephone messages, voice mail messages and transcripts, notes, or minutes of any meetings, telephone conversations or discussions.

To the extent that an email is responsive to our request, our request includes all prior messages sent or received in that email chain, as well as any attachments to the email.
- Please use all tools available to your agency to conduct a complete and efficient search for potentially responsive records. Please search all relevant records or systems containing records regarding agency business. Do not exclude records regarding agency business contained in files, email accounts, or devices in the personal custody of your officials, such as personal email accounts or text messages.
- In the event some portions of the requested records are properly exempt from disclosure, please disclose any reasonably segregable non-exempt portions of the requested records.<sup>11</sup> If a request is denied in whole, please state specifically why it is not reasonable to segregate portions of the record for release.
- Please take appropriate steps to ensure that records responsive to this request are not deleted by the agency before the completion of processing for this request. If records potentially responsive to this request are likely to be located on systems where they are subject to potential deletion, including on a scheduled basis, please take steps to prevent that deletion, including, as appropriate, by instituting a litigation hold on those records.
