**Re: Sunshine Law Request**

Dear Custodian of Records:

Pursuant to the Missouri Sunshine Law, Mo. Rev. Stat. §§ 610.010 et seq., American Oversight makes the following request for records.

**Requested Records**

American Oversight requests that the Office of Representative Justin Hill produce copies of the following records within three business days:

All records reflecting costs reimbursed or paid directly by the Missouri General Assembly for any reimbursements sought by Representative Justin Hill related to travel the Representative has undertaken.

Responsive records include those reflecting any payments or reimbursements associated with travel, lodging, the cost of government transportation, individual airfare, meals, rental vehicles, payments made via government-issued charge cards or travel cards, or other reimbursable expenses.

To the extent your office has aggregated records sufficient to show all relevant expenses and costs, such as spreadsheets, American Oversight would accept production of such records as sufficient. To the extent your office does not have an aggregated record of these costs, American Oversight requests records reflecting those costs, such as receipts, invoices, charge card or credit card statements, and reimbursement requests.

Please provide all responsive records from January 6, 2021, through May 28, 2021.

**Fee Waiver Request**

In accordance with Mo. Rev. Stat. § 610.026.1(1), American Oversight requests a waiver of fees associated with processing this request for records. Disclosure of the requested records is in the public interest because it will likely contribute to a better

understanding of relevant government procedures by the general public in a significant way. Moreover, the request is primarily and fundamentally for non-commercial purposes.

American Oversight requests a waiver of fees because disclosure of the requested information “is likely to contribute significantly to public understanding of the operations or activities of [a] public governmental body.”<sup>1</sup> The public has a significant interest in travel undertaken by Representative Hill paid for or reimbursed by taxpayers.<sup>2</sup> Records with the potential to shed light on this matter would contribute significantly to public understanding of operations of the government, including the cost of trips undertaken by Representative Hill during the 2021 legislative session. American Oversight is committed to transparency and makes the responses agencies provide to public records requests publicly available, and the public’s understanding of the government’s activities would be enhanced through American Oversight’s analysis and publication of these records.

This request is primarily and fundamentally for non-commercial purposes.<sup>3</sup> As a 501(c)(3) nonprofit, American Oversight does not have a commercial purpose, and the release of the information requested is not in American Oversight’s financial interest. American Oversight’s mission is to promote transparency in government, to educate the public about government activities, and to ensure the accountability of government officials. American Oversight uses the information gathered, and its analysis of it, to educate the public through reports, press releases, or other media. American Oversight also makes materials it gathers available on its public website and promotes their availability on social media platforms, such as Facebook and Twitter.<sup>4</sup>

American Oversight has also demonstrated its commitment to the public disclosure of documents and creation of editorial content through regular substantive analyses posted to its website.<sup>5</sup> Examples reflecting this commitment to the public disclosure of documents and the creation of editorial content include the posting of records and analysis related to the organization’s investigations into misconduct and corruption in state governments;<sup>6</sup> posting records and analysis of federal and state governments’
