Re: Public Records Act Request

Dear Representative Saine and Principal Clerk White:

Pursuant to the North Carolina Public Records Act, as codified at North Carolina General Statutes ch. 132, American Oversight makes the following request for records.

Requested Records

American Oversight requests that the office of Representative Saine produce the following records as promptly as possible:

1. All records reflecting the full content of any post published to ALEC Connect¹ by Rep. Saine (including the original post and the complete comment thread).
2. All records reflecting the full content of any ALEC Connect posts (including the original post and the complete comment thread) on which Rep. Saine commented.

¹ ALEC Connect is the online portal of the American Legislative Exchange Council. As a member of ALEC, Representative Saine has access to ALEC Connect and its content. See *Convening Ideas Across the States*, State Policy Network, Dec. 5, 2019, <https://spn.org/blog/convening-ideas-across-the-states/>; Nick Surgey, *Weapons, Tobacco Makers, Koch Group Are Among Newest ALEC Members*, Documented, Dec. 2, 2020, <https://documented.net/2020/11/weapons-tobacco-makers-koch-group-are-among-newest-alec-members/>.

3. All records reflecting the full content of any ALEC Connect posts or comments (including the original post and the complete comment thread) mentioning or tagging Rep. Saine by name, username, or email address.
4. All files uploaded to ALEC Connect by Rep. Saine.
5. All files downloaded from ALEC Connect by Rep. Saine, whether to a government or personal device.
6. All records reflecting the full content of any written exchanges on ALEC connect, including chats, concerning legislation or policy issues in which Rep. Saine participated. Please note that American Oversight does not seek, and that this request specifically excludes, chats with ALEC support staff concerning information technology troubleshooting or related issues.
7. All records reflecting the content of Rep. Saine's ALEC Connect member profile page.
8. All records reflecting any expense report submitted through ALEC Connect by Rep. Saine, any communications (including messages sent through ALEC Connect or by email) concerning any such expense report, and any records reflecting reimbursement, approval, rejection, or other action in response to any such expense report.

Please provide all responsive records from August 1, 2019, through the date the search is conducted.

Please notify American Oversight of any anticipated fees or costs in excess of \$100 prior to incurring such costs or fee.

Guidance Regarding the Search & Processing of Requested Records

In connection with its request for records, American Oversight provides the following guidance regarding the scope of the records sought and the search and processing of records:

- Please search all locations and systems likely to have responsive records, regardless of format, medium, or physical characteristics. For instance, if the request seeks "communications," please search all locations likely to contain communications, including relevant hard-copy files, correspondence files, appropriate locations on hard drives and shared drives, emails, text messages or other direct messaging systems (such as iMessage, WhatsApp, Signal, or Twitter direct messages), voicemail messages, instant messaging systems such as Lync or ICQ, and shared messages systems such as Slack.
- In conducting your search, please understand the terms "record," "document," and "information" in their broadest sense, to include any written, typed,

recorded, graphic, printed, or audio material of any kind.² We seek records of any kind, including electronic records, audiotapes, videotapes, and photographs, as well as letters, emails, facsimiles, telephone messages, voice mail messages and transcripts, notes, or minutes of any meetings, telephone conversations or discussions.

- Our request for records includes any attachments to those records or other materials enclosed with those records when they were previously transmitted. To the extent that an email is responsive to our request, our request includes all prior messages sent or received in that email chain, as well as any attachments to the email.
- Please search all relevant records or systems containing records regarding agency business. Do not exclude records regarding agency business contained in files, email accounts, or devices in the personal custody of your officials, such as personal email accounts or text messages. Records of official business conducted using unofficial systems or stored outside of official files are subject to the Public Records Act.³
- In the event some portions of the requested records are properly exempt from disclosure, please disclose any reasonably segregable non-exempt portions of the requested records. If a request is denied in whole, please state specifically why it is not reasonable to segregate portions of the record for release.
- Please take appropriate steps to ensure that records responsive to this request are not deleted by the agency before the completion of processing for this request. If records potentially responsive to this request are likely to be located on systems where they are subject to potential deletion, including on a scheduled basis, please take steps to prevent that deletion, including, as appropriate, by instituting a litigation hold on those records.

If you have any questions regarding how to construe this request for records or believe that further discussions regarding search and processing would facilitate a more efficient production of records of interest to American Oversight, please do not hesitate to contact American Oversight to discuss this request. American Oversight welcomes an opportunity to discuss its request with you before you undertake your search or incur search or duplication costs. By working together at the outset, American Oversight and your agency can decrease the likelihood of costly and time-consuming litigation in the future.

² N.C. Gen. Stat. Ann. § 132-1(a) (public records consist of documentary material “regardless of physical form or characteristics.”).

³ See Atty. Gen. Josh Stein, *North Carolina Open Government Guide* at 22 (2019), <https://ncdoj.gov/download/141/files/17891/2019-open-government-guide> (“Emails about official business are public records even if they are sent using the personal email account of an employee or official.”).

Where possible, please provide responsive material in an electronic format by email. Alternatively, please provide responsive material in native format or in PDF format on a USB drive. Please send any responsive material being sent by mail to American Oversight, 1030 15th Street NW, Suite B255, Washington, DC 20005. If it will accelerate release of responsive records to American Oversight, please also provide responsive material on a rolling basis.
