Re: Sunshine Law Request

Dear Custodian of Records:

Pursuant to the Missouri Sunshine Law, Mo. Rev. Stat. §§ 610.010 *et seq.*, American Oversight makes the following request for records.

Requested Records

American Oversight requests that your office produce copies of the following records within three business days:

1. All meeting logs, meeting notices, calendar invitations, calendar entries, or phone logs between (a) Attorney General Eric Schmitt, Solicitor General John Sauer, or anyone communicating on behalf of Schmitt or Sauer including, but not limited to, a Chief of Staff, assistant, or scheduler; and (b) representatives from America First Legal Foundation.

Representatives of America First Legal include, but are not limited to, Stephen Miller, Ken Starr, Mark Meadows, Gene Hamilton, Jim DeMint, Matthew Whitaker, Russ Vought, Ed Corrigan, Wesley Denton, Reed Rubinstein, or anyone else communicating on their behalf, and anyone communicating from an email address ending in @aflegal.org.

2. Any contracts or work agreements made with America First Legal Foundation.
3. Any records of payments or reimbursements made to America First Legal Foundation or members of its staff or board.

Please provide all responsive records from August 1, 2021, through the date the search is conducted.

Fee Waiver Request

In accordance with Mo. Rev. Stat. § 610.026.1(1), American Oversight requests a waiver of fees associated with processing this request for records. Disclosure of the requested records is in the public interest because it will likely contribute to a better understanding of relevant government procedures by the general public in a significant way. Moreover, the request is primarily and fundamentally for non-commercial purposes.

American Oversight requests a waiver of fees because disclosure of the requested information “is likely to contribute significantly to public understanding of the operations or activities of [a] public governmental body.”¹ The public has a significant interest in the relationship between the Office of the Attorney General and America First Legal, a group started by former Trump administration officials. Records with the potential to shed light on this matter would contribute significantly to public understanding of operations of the government, including what relationship, if any, the Office of the Attorney General has with America First Legal. American Oversight is committed to transparency and makes the responses agencies provide to public records requests publicly available, and the public’s understanding of the government’s activities would be enhanced through American Oversight’s analysis and publication of these records.

This request is primarily and fundamentally for non-commercial purposes.² As a 501(c)(3) nonprofit, American Oversight does not have a commercial purpose and the release of the information requested is not in American Oversight’s financial interest. American Oversight’s mission is to promote transparency in government, to educate the public about government activities, and to ensure the accountability of government officials. American Oversight uses the information gathered, and its analysis of it, to educate the public through reports, press releases, or other media. American Oversight also makes materials it gathers available on its public website and promotes their availability on social media platforms, such as Facebook and Twitter.³

American Oversight has also demonstrated its commitment to the public disclosure of documents and creation of editorial content through regular substantive analyses posted to its website.⁴ Examples reflecting this commitment to the public disclosure of documents and the creation of editorial content include the posting of records and analysis related to the organization’s investigations into misconduct and corruption in state governments;⁵ posting records and analysis of federal and state governments’

responses to the Coronavirus pandemic;⁶ posting records received as part of American Oversight’s “Audit the Wall” project to gather and analyze information related to the Trump administration’s proposed construction of a barrier along the U.S.-Mexico border, and analyses of what those records reveal;⁷ and the posting of records related to an ethics waiver received by a senior Department of Justice attorney and an analysis of what those records demonstrated regarding the Department’s process for issuing such waivers.⁸

Accordingly, American Oversight qualifies for a fee waiver.

- Please take appropriate steps to ensure that records responsive to this request are not deleted by the agency before the completion of processing for this request. If records potentially responsive to this request are likely to be located on systems where they are subject to potential deletion, including on a scheduled basis, please take steps to prevent that deletion, including, as appropriate, by instituting a litigation hold on those records.
