Re: Public Records Law Request

Dear Representative Brandtjen:

Pursuant to Wisconsin's public records law, Wis. Stat. §§ 19.31–19.39, American Oversight makes the following request for copies of records.

On May 26, 2021, Wisconsin State Assembly Speaker Robin Vos indicated that the legislature would hire three former law enforcement officers and a supervising attorney to investigate the November 2020 election.¹ Since the time of this announcement, Speaker Vos has expanded the scope of the investigation, appointing former Wisconsin Supreme Court justice Michael Gableman as “special counsel,” and gaining Assembly approval to spend at least \$676,000 in public funds, including budgeting for five investigators and \$325,000 for a data analysis contractor.² With Speaker Vos's approval, Gableman has issued a number of demands for records to municipal and county clerks and summoned local officials for interviews.³

Representative Janel Brandtjen, chair of the Assembly Committee on Campaigns and Elections has attempted to pursue a separate investigation. On August 6, 2021, she issued demands for ballots and election equipment to Brown and Milwaukee counties,⁴

though Speaker Vos declined to authorize those demands as subpoenas.⁵ Rep. Brandtjen has criticized Gableman for his handling of the investigation led by Speaker Vos, including for purportedly failing to consult with her committee regarding his subpoenas.⁶

American Oversight seeks records with the potential to shed light on the Wisconsin legislature's investigations of elections.

Requested Records

American Oversight requests that your office produce the following records “as soon as practicable and without delay”:⁷

Please provide all responsive records described below from September 15, 2021, through the date the search is conducted:⁸

All records reflecting communications (including emails, email attachments, text messages, messages on messaging platforms (such as Slack, GChat or Google Hangouts, Lync, Skype, or WhatsApp), telephone call logs, calendar invitations, calendar entries, meeting notices, meeting agendas, informational material, draft legislation, talking points, any handwritten or electronic notes taken during any oral communications, summaries of any oral communications, or other materials) sent or received by Representative Janel Brandtjen, her aide Melodie Duesterbeck, or her aide Bill Savage (or anyone communicating on Representative Brandtjen's behalf) regarding any investigations of the 2020 election.

This request should be interpreted to include, but not be limited to, all of the categories of records described in the request previously submitted by American Oversight identified as WI-REP-21-1293⁹ as well as records relating to, at a minimum:

⁷ Wis. Stat. § 19.35(4)(a).

⁸ This request seeks the records substantively described in American Oversight's request identified as WI-REP-21-1293 directed to Representative Brandtjen, from the period after that request was submitted —*i.e.*, from September 15, 2021, through the date of the search—with modifications to account for recent events.

1. The issuance of subpoenas to county and municipal clerks and any subsequent reversals¹⁰
2. Speaker Vos's refusal to authorize demands for records issued by the Assembly Committee on Campaigns and Elections to Brown and Milwaukee Counties¹¹
3. The hiring of Andrew Kloster and other personnel at the Office of Special Counsel¹²
4. The review of Wisconsin's elections system currently being conducted by the Legislative Audit Bureau¹³
5. The conclusion of the Arizona Senate's partisan "audit" of Maricopa County's election results¹⁴

Please note that these are exemplar categories only and should not be interpreted to limit American Oversight's request for records reflecting *all* communications sent or received by the parties described above regarding any investigations of the 2020 election.

Please also note that American Oversight does not seek, and that this request specifically excludes, the initial mailing of news clips or other mass-distribution emails. However, subsequent communications forwarding such emails are responsive to this request. In other words, for example, if Rep. Brandtjen received a mass-distribution news clip email referencing the relevant statement by the president, that initial email would not be responsive to this request. However, if Rep. Brandtjen forwarded that email to another individual with their own commentary, that subsequent message would be responsive to this request and should be produced.

For all portions of this request, this request should be interpreted to include records pertaining to the investigation announced by Speaker Vos on May 26, the expansion announced by Speaker Vos on July 30, the investigation announced by Representative Brandtjen on July 26, and any other investigations by the Assembly into any matters related to the 2020 election. Please note that this request seeks records in addition to, and not duplicative of, the records sought by any previous requests submitted by American Oversight.

Guidance Regarding the Search & Processing of Requested Records

American Oversight seeks all responsive records regardless of format, medium, or physical characteristics. In conducting your search, please understand the term “record” in its broadest sense, to include any written, typed, recorded, graphic, printed, or audio material of any kind. We seek records of any kind, including electronic records, audiotapes, videotapes, and photographs, as well as letters, emails, facsimiles, telephone messages, voice mail messages and transcripts, notes, or minutes of any meetings, telephone conversations or discussions. Our request includes any attachments to these records. **No category of material should be omitted from search, collection, and production.**

Please search all locations and systems likely to have responsive records regarding official business. **You may not exclude searches of files or emails in the personal custody of your officials, such as personal email accounts.** Emails conducting government business sent or received on the personal account of the authority’s officer or employee constitutes a record for purposes of Wisconsin’s public records laws.¹⁹

In the event some portions of the requested records are properly exempt from disclosure, please disclose any reasonably segregable non-exempt portions of the requested records.²⁰ If it is your position that a document contains non-exempt segments, but that those non-exempt segments are so dispersed throughout the document as to make segregation impossible, please state what portion of the document is non-exempt, and how the material is dispersed throughout the document. If a request is denied in whole, please state specifically that it is not reasonable to segregate portions of the record for release.

American Oversight expects that you have ensured all responsive records and records relevant to this request and your compliance with it are retained as required by Wisconsin law. Please take all appropriate steps to ensure that no such records are deleted by the agency before the completion of processing for this request. If records potentially responsive or relevant to this request, or your compliance with it, are likely to be located on systems where they are subject to potential deletion, including on a scheduled basis, please take steps to prevent that deletion, including, as appropriate, by instituting a litigation hold on those records.
