Re: Public Records Law Request

Dear Public Records Coordinator:

Pursuant to the Louisiana Public Records Law, La. Rev. Stat. Ann. 44:1 et seq., American Oversight makes the following request for records.

Requested Records

American Oversight requests that the Office of the Attorney General produce the following records within three business days:

1. All email communications (including emails, complete email chains, calendar invitations, and attachments thereto) and all text message threads/conversations between (a) any of the Louisiana Office of the Attorney General officials listed below, and (b) U.S. Representative Gary Palmer or former Alabama Supreme Court Justice Glenn Murdock, or anyone communicating on their behalf.

Louisiana Office of the Attorney General Officials:

- a. Jeff Landry, Attorney General (or anyone communicating on their behalf, such as an assistant or scheduler)
 - b. Anyone serving as Chief of Staff to Attorney General Landry
 - c. Elizabeth Murrill, Solicitor General
 - d. Anyone serving as Deputy Solicitor General (including, but not limited to, Joseph St. John, Shae McPhee, and Michelle Ghetti)
2. All email communications (including emails, complete email chains, calendar invitations, and attachments thereto) and all text message threads/conversations sent or received by any of the Office of the Attorney General officials listed above containing any of the search terms listed below.

Search Terms

- i. "Mike Johnson"
- ii. "Representative Johnson"
- iii. "Rep. Johnson"

- iv. “Gary Palmer”
- v. “Representative Palmer”
- vi. “Rep. Palmer”
- vii. “Glenn Murdock”
- viii. “Justice Murdock”

For the text message portion of request item 2, American Oversight requests that full text message threads/conversations be produced. For example, if Attorney General Landry sent or received a text message referencing “Gary Palmer,” the complete thread/conversation spanning two days (48 hours) prior to the sending or receipt of the message through two days (48 hours) following the sending or receipt of the message should be produced, and not just the message containing the key term.

- 3. All records reflecting any summaries, memoranda, or analyses prepared or distributed by any personnel in the Office of the Attorney General regarding any legal action proposed, drafted, or circulated by any of the following individuals:
 - a. U.S. Representative Gary Palmer
 - b. Former Justice Glenn Murdock

Please provide all responsive records from November 1, 2020, through February 1, 2021.

Fee Waiver Request

In accordance with La. Rev. Stat. Ann. 44:32(C)(2), American Oversight requests a waiver of fees associated with processing this request for records. A waiver of fees for this request is appropriate, because American Oversight’s use of the requested records “will be limited to a public purpose.”

This request is made solely for a public purpose. The public has a significant interest in the election-related legal actions considered by the Office of the Attorney General after the 2020 general election.¹ Records with the potential to shed light on this matter would contribute significantly to public understanding of operations of the government, including whether and to what extent officials within the Office of the Attorney General discussed election-related legal action with sitting members of congress. American Oversight is committed to transparency and makes the responses agencies provide to public records requests publicly available, and the public’s understanding of the government’s activities would be enhanced through American Oversight’s analysis and publication of these records.

Furthermore, this request is fundamentally made for non-commercial purposes. As a 501(c)(3) nonprofit, American Oversight does not have a commercial purpose and the release of the information requested is not in American Oversight's financial interest. American Oversight's mission is to promote transparency in government, to educate the public about government activities, and to ensure the accountability of government officials. American Oversight uses the information gathered, and its analysis of it, to educate the public through reports, press releases, or other media. American Oversight also makes materials it gathers available on its public website and promotes their availability on social media platforms, such as Facebook and Twitter.²

American Oversight has also demonstrated its commitment to the public disclosure of documents and creation of editorial content through regular substantive analyses posted to its website.³ Examples reflecting this commitment to the public disclosure of documents and the creation of editorial content include the posting of records and analysis related to the organization's investigations into misconduct and corruption in state governments;⁴ posting records and analysis of federal and state governments' responses to the Coronavirus pandemic;⁵ posting records received as part of American Oversight's "Audit the Wall" project to gather and analyze information related to the Trump administration's proposed construction of a barrier along the U.S.-Mexico border, and analyses of what those records reveal;⁶ and the posting of records related to

Guidance Regarding the Search & Processing of Requested Records

In connection with its request for records, American Oversight provides the following guidance regarding the scope of the records sought and the search and processing of records:

- Please search all locations and systems likely to have responsive records, regardless of format, medium, or physical characteristics. For instance, if the request seeks “communications,” please search all locations likely to contain communications, including relevant hard-copy files, correspondence files, appropriate locations on hard drives and shared drives, emails, text messages or other direct messaging systems (such as iMessage, WhatsApp, Signal, or Twitter direct messages), voicemail messages, instant messaging systems such as Lync or ICQ, and shared messages systems such as Slack.
- In conducting your search, please understand the terms “record,” “document,” and “information” in their broadest sense, to include any written, typed, recorded, graphic, printed, or audio material of any kind. We seek records of any kind, including electronic records, audiotapes, videotapes, and photographs, as well as letters, emails, facsimiles, telephone messages, voice mail messages and transcripts, notes, or minutes of any meetings, telephone conversations or discussions.
- Our request for records includes any attachments to those records or other materials enclosed with those records when they were previously transmitted. To the extent that an email is responsive to our request, our request includes all prior messages sent or received in that email chain, as well as any attachments to the email.
- Please search all relevant records or systems containing records regarding agency business. Do not exclude records regarding agency business contained in files, email accounts, or devices in the personal custody of your officials, such as personal email accounts or text messages. conducted on private email accounts and devices are public records subject to the Public Records Law.⁸

- In the event some portions of the requested records are properly exempt from disclosure, please disclose any reasonably segregable non-exempt portions of the requested records. If a request is denied in whole, please state specifically why it is not reasonable to segregate portions of the record for release.
- Please take appropriate steps to ensure that records responsive to this request are not deleted by the agency before the completion of processing for this request. If records potentially responsive to this request are likely to be located on systems where they are subject to potential deletion, including on a scheduled basis, please take steps to prevent that deletion, including, as appropriate, by instituting a litigation hold on those records.

Conclusion

If you have any questions regarding how to construe this request for records or believe that further discussions regarding search and processing would facilitate a more efficient production of records of interest to American Oversight, please do not hesitate to contact American Oversight to discuss this request. American Oversight welcomes an opportunity to discuss its request with you before you undertake your search or incur search or duplication costs. By working together at the outset, American Oversight and your agency can decrease the likelihood of costly and time-consuming litigation in the future.

Where possible, please provide responsive material in an electronic format by email. Alternatively, please provide responsive material in native format or in PDF format on a USB drive. Please send any responsive material being sent by mail to American Oversight, 1030 15th Street NW, Suite B255, Washington, DC 20005. If it will accelerate release of responsive records to American Oversight, please also provide responsive material on a rolling basis.

We share a common mission to promote transparency in government. American Oversight looks forward to working with your agency on this request. If you do not understand any part of this request, please contact Khahilia Shaw at records@americanoversight.org or (202) 539-6507. Also, if American Oversight's
