Re: Open Records Request

Dear Records Custodian:

Pursuant to the Georgia Open Records Law (O.C.G.A. §§ 50-18-70 *et seq.*), American Oversight makes the following request for records.

Requested Records

American Oversight requests that your office produce the following within three business days:

1. Records sufficient to identify the names¹ and job titles of each Office of the Attorney General employee (a) temporarily or permanently assigned to cases concerning mask mandates or (b) temporarily or permanently working in support of those employees assigned to cases concerning mask mandates.
2. Records sufficient to identify the total number of pending cases concerning mask mandates.
3. Records sufficient to identify the total number of resolved cases (including, but not limited to, cases resulting in a finding of guilt or liability, cases resolved by plea or stipulation, or dismissed cases) concerning mask mandates.
4. Records sufficient to identify all costs and expenses incurred for cases concerning mask mandates, including but not limited to legal billing statements.

Please provide all responsive records for each month from July 2021 through January 2022. (*i.e.*, July 2021, August 2021, September 2021, October 2021, November 2021, December 2021, and January 2022).

¹ In lieu of names of individual employees, American Oversight would also accept records sufficient to identify the total number of employees assigned to cases concerning mask mandates.

Please notify American Oversight of any anticipated fees or costs in excess of \$100 prior to incurring such costs or fees.

Guidance Regarding the Search & Processing of Requested Records

In connection with its request for records, American Oversight provides the following guidance regarding the scope of the records sought and the search and processing of records:

- Please search all locations and systems likely to have responsive records, regardless of format, medium, or physical characteristics.
- Our request for records includes any attachments to those records or other materials enclosed with those records when they were previously transmitted. To the extent that an email is responsive to our request, our request includes all prior messages sent or received in that email chain, as well as any attachments to the email.
- Please search all relevant records or systems containing records regarding agency business. Do not exclude records regarding agency business contained in files, email accounts, or devices in the personal custody of your officials, such as personal email accounts or text messages. Records of official business conducted using unofficial systems or stored outside of official files are subject to the Open Records Act.²
- In the event some portions of the requested records are properly exempt from disclosure, please disclose any reasonably segregable non-exempt portions of the requested records. If a request is denied in whole, please state specifically why it is not reasonable to segregate portions of the record for release.
- Please take appropriate steps to ensure that records responsive to this request are not deleted by the agency before the completion of processing for this request. If records potentially responsive to this request are likely to be located on systems where they are subject to potential deletion, including on a scheduled basis, please take steps to prevent that deletion, including, as appropriate, by instituting a litigation hold on those records.

If you have any questions regarding how to construe this request for records or believe that further discussions regarding search and processing would facilitate a more efficient production of records of interest to American Oversight, please do not hesitate to contact American Oversight to discuss this request. American Oversight welcomes an opportunity to discuss its request with you before you undertake your search or incur search or duplication costs. By working together at the outset, American Oversight and

² O.C.G.A. § 50-18-70(b)(2).

your agency can decrease the likelihood of costly and time-consuming litigation in the future.

Where possible, please provide responsive material in an electronic format by email. Alternatively, please provide responsive material in native format or in PDF format on a USB drive. Please send any responsive material being sent by mail to American Oversight, 1030 15th Street NW, Suite B255, Washington, DC 20005. If it will accelerate release of responsive records to American Oversight, please also provide responsive material on a rolling basis.
