**Re: Sunshine Law Request**

Dear Custodian of Records:

Pursuant to the Missouri Sunshine Law, Mo. Rev. Stat. § 610.010 et seq., American Oversight makes the following request for records.

Immediately following the November 2020 election, officials in the Trump administration and members of the Trump campaign team coordinated attempts to reverse the results of the election, including in individual states.<sup>1</sup> Since that time, public officials and activists have continued to advocate for more restrictive voting laws or partisan “audits” of elections.<sup>2</sup>

American Oversight seeks records with the potential to shed light on whether or to what extent officials in the Office of the Secretary of State of Missouri have been in contact with individuals or entities seeking to restrict ballot access or conduct a partisan review of elections.

Please note that American Oversight does not seek, and that this request specifically excludes, the initial mailing of news clips or other mass-distribution emails. However, subsequent communications forwarding such emails are responsive to this request. In other words, for example, if one of the listed officials received a mass-distribution news clip email from One America News Network, that initial email would not be responsive to this request. However, if they forwarded that email to another individual with their own

commentary, that subsequent message would be responsive to this request and should be produced.

Please provide all responsive records from November 3, 2020, through the date the search is conducted.

### **Fee Waiver Request**

In accordance with Mo. Rev. Stat. § 610.026.1(1), American Oversight requests a waiver of fees associated with processing this request for records. Disclosure of the requested records is in the public interest because it will likely contribute to a better understanding of relevant government procedures by the general public in a significant way. Moreover, the request is primarily and fundamentally for non-commercial purposes.

American Oversight requests a waiver of fees because disclosure of the requested information “is likely to contribute significantly to public understanding of the operations or activities of [a] public governmental body.”<sup>3</sup> The public has a significant interest in the administration of elections in Missouri.<sup>4</sup> Records with the potential to shed light on this matter would contribute significantly to public understanding of operations of the government, including whether elections officials have been in contact with individuals or entities seeking to undermine public confidence in elections. American Oversight is committed to transparency and makes the responses agencies provide to public records requests publicly available, and the public’s understanding of the government’s activities would be enhanced through American Oversight’s analysis and publication of these records.

This request is primarily and fundamentally for non-commercial purposes.<sup>5</sup> As a 501(c)(3) nonprofit, American Oversight does not have a commercial purpose and the release of the information requested is not in American Oversight’s financial interest. American Oversight’s mission is to promote transparency in government, to educate the public about government activities, and to ensure the accountability of government officials. American Oversight uses the information gathered, and its analysis of it, to educate the public through reports, press releases, or other media. American Oversight also makes materials it gathers available on its public website and promotes their availability on social media platforms, such as Facebook and Twitter.<sup>6</sup>

American Oversight has also demonstrated its commitment to the public disclosure of documents and creation of editorial content through regular substantive analyses

posted to its website.<sup>7</sup> Examples reflecting this commitment to the public disclosure of documents and the creation of editorial content include the posting of records and analysis related to the organization's investigations into misconduct and corruption in state governments;<sup>8</sup> posting records and analysis of federal and state governments' responses to the Coronavirus pandemic;<sup>9</sup> posting records received as part of American Oversight's "Audit the Wall" project to gather and analyze information related to the Trump administration's proposed construction of a barrier along the U.S.-Mexico border, and analyses of what those records reveal;<sup>10</sup> and the posting of records related to an ethics waiver received by a senior Department of Justice attorney and an analysis of what those records demonstrated regarding the Department's process for issuing such waivers.<sup>11</sup>

## **Guidance Regarding the Search & Processing of Requested Records**

In connection with its request for records, American Oversight provides the following guidance regarding the scope of the records sought and the search and processing of records:

- Our request for records includes any attachments to those records or other materials enclosed with those records when they were previously transmitted. To the extent that an email is responsive to our request, our request includes all prior messages sent or received in that email chain, as well as any attachments to the email.
- Please search all relevant records or systems containing records regarding agency business. Do not exclude records regarding agency business contained in files, email accounts, or devices in the personal custody of your officials, such as personal email accounts or text messages.
- In the event some portions of the requested records are properly exempt from disclosure, please disclose any reasonably segregable non-exempt portions of the requested records.<sup>12</sup> If a request is denied in whole, please state specifically why it is not reasonable to segregate portions of the record for release.
- Please take appropriate steps to ensure that records responsive to this request are not deleted by the agency before the completion of processing for this request. If records potentially responsive to this request are likely to be located on systems where they are subject to potential deletion, including on a scheduled basis, please take steps to prevent that deletion, including, as appropriate, by instituting a litigation hold on those records.

## **Conclusion**

American Oversight welcomes an opportunity to discuss its request with you before you undertake your search or incur search or duplication costs.
