Re: Public Records Request

Dear Public Official:

Pursuant to the Indiana Access to Public Records Act (APRA), Ind. Code § 5-14-3-1 *et seq.*, American Oversight makes the following request for records.

Requested Records

American Oversight requests that your office produce the following records within seven days:

All email communications (including emails, email attachments, complete email chains, calendar invitations, and calendar invitation attachments) between (a) Attorney General Todd Rokita, or anyone communicating on Rokita’s behalf, such as a Chief of Staff, assistant, or scheduler and (b) the external entitles listed below in Column A, that (c) contain any of the key terms listed in Column B.

Column A: External Entities	Column B: Key Terms
1. Ed Corrigan (ed.corrigan@aflegal.org , ecorrigan@conservativepartnership.org) 2. Wesley Denton (Wesley.denton@aflegal.org , wdenton@conservativepartnership.org) 3. Jonathan Bronitksy (jonathan@athospr.com) 4. Alexei Woltornist (alexei@athospr.com)	1. Parents 2. NSBA 3. “National School Board Association” 4. “Department of Justice” 5. DOJ 6. Garland 7. Cardona 8. FOIA 9. Surveillance 10. FBI

Please note that American Oversight does not seek, and that this request specifically excludes, the initial mailing of news clips or other mass-distribution emails. However, subsequent communications forwarding such emails are

responsive to this request. In other words, for example, if Attorney General Rokita received a mass-distribution news clip email from a listed individual, that initial email would not be responsive to this request. However, if Attorney General Rokita responded or forwarded that email to another individual with his own commentary, that subsequent message would be responsive to this request and should be produced.

Please provide all responsive records from October 11, 2021, through April 11, 2022.

Pursuant to Ind. Code § 5-14-3-8(b), American Oversight asks that no fees be charged in connection with searching for or reviewing potentially responsive records. To the extent your office anticipates charging any copying fees for this request in excess of \$100, please notify us prior to incurring such fees.

Guidance Regarding the Search & Processing of Requested Records

In connection with its request for records, American Oversight provides the following guidance regarding the scope of the records sought and the search and processing of records:

- Please search all locations and systems likely to have responsive records, regardless of format, medium, or physical characteristics.
- Our request for records includes any attachments to those records or other materials enclosed with those records when they were previously transmitted. To the extent that an email is responsive to our request, our request includes all prior messages sent or received in that email chain, as well as any attachments to the email.
- Please search all relevant records or systems containing records regarding agency business. Do not exclude records regarding agency business contained in files, email accounts, or devices in the personal custody of your officials, such as personal email accounts or text messages.
- In the event some portions of the requested records are properly exempt from disclosure, please disclose any reasonably segregable non-exempt portions of the requested records.¹ If a request is denied in whole, please state specifically why it is not reasonable to segregate portions of the record for release.
- Please take appropriate steps to ensure that records responsive to this request are not deleted by the agency before the completion of processing for this request. If records potentially responsive to this request are likely to be located on systems where they are subject to potential deletion, including on a scheduled

¹ Ind. Code § 5-14-3-6(a).

basis, please take steps to prevent that deletion, including, as appropriate, by instituting a litigation hold on those records.

If you have any questions regarding how to construe this request for records or believe that further discussions regarding search and processing would facilitate a more efficient production of records of interest to American Oversight, please do not hesitate to contact American Oversight to discuss this request. American Oversight welcomes an opportunity to discuss its request with you before you undertake your search or incur search or duplication costs. By working together at the outset, American Oversight and your agency can decrease the likelihood of costly and time-consuming litigation in the future.

Where possible, please provide responsive material in an electronic format by email. Alternatively, please provide responsive material in native format or in PDF format on a USB drive. Please send any responsive material being sent by mail to American Oversight, 1030 15th Street NW, Suite B255, Washington, DC 20005. If it will accelerate release of responsive records to American Oversight, please also provide responsive material on a rolling basis.
