**Re: Public Records Law Request**

Dear Public Records Officer:

Pursuant to Wisconsin's public records law, Wis. Stat. §§ 19.31–19.39, American Oversight makes the following request for copies of records.

**Requested Records**

American Oversight requests that your office produce the following records “as soon as practicable and without delay”:<sup>1</sup>

All electronic communications (including emails, email attachments, complete email chains, calendar invitations, text messages, or messages on messaging platforms, such as Slack, GChat or Google Hangouts, Lync, Skype, or WhatsApp) between (a) Representative Tim Ramthun and (b) any of the individuals or entities listed below. In the case of emails and texts, the search should include those sent or received from Representative Rathmun's personal accounts and devices if they were used to conduct official business, as well those sent from official email addresses or government-issued devices.

Specified Parties:

1. Steve Bannon
2. Anyone communicating on behalf of *Bannon's War Room*, including but not limited to, Raheem Kassam

Please note that American Oversight does not seek, and that this request specifically excludes, the initial mailing of news clips or other mass distribution emails. However, subsequent communications forwarding such emails are responsive to this request. In other words, for example, if Representative Ramthun received a mass-distribution news clip email from one of the specified entities, that initial email would not be responsive to this request. However, if

Representative Ramthun forwarded that email to another individual with his own commentary, that subsequent message would be responsive to this request and should be produced.

Please provide all responsive records from January 1, 2021, through the date the search is conducted.

### **Fee Waiver Request**

In accordance with Wis. Stat. § 19.35(3)(e), American Oversight respectfully requests that the records be produced without charge. Providing American Oversight with a waiver of fees is in the “public interest” because American Oversight will, in accordance with its organizational mission, make the records available to the public without charge. These disclosures will likely contribute to a better understanding of relevant government procedures by the general public.

American Oversight’s work is aimed solely at serving the public interest. As a 501(c)(3) nonprofit, American Oversight does not have a commercial purpose and the release of the information requested is not in American Oversight’s financial interest. Rather, American Oversight’s mission is to serve the public by promoting transparency in government, educating the public about government activities, and ensuring the accountability of government officials. American Oversight uses the information gathered, and its analysis of it, to educate the public through reports, press releases, or other media.<sup>2</sup> American Oversight also makes materials it gathers available on its public website<sup>3</sup> and promotes their availability on social media platforms, such as Facebook and Twitter.<sup>4</sup>

The public has a significant interest in communications Representative Ramthun had had with certain external entities. Records with the potential to shed light on this matter would contribute significantly to public understanding of operations of the government, including whether and to what extent Representative Ramthun communicates with certain external entities. American Oversight is committed to transparency and makes the responses agencies provide to public records requests

publicly available, and the public's understanding of the government's activities would be enhanced through American Oversight's analysis and publication of these records.

American Oversight asks that if its request for a fee waiver is denied in whole or in part, that you contact us prior to incurring any costs.

### **Guidance Regarding the Search & Processing of Requested Records**

Our request includes any attachments to these records. **No category of material should be omitted from search, collection, and production.**

Please search all locations and systems likely to have responsive records regarding official business. **You may not exclude searches of files or emails in the personal custody of your officials, such as personal email accounts.** Emails conducting government business sent or received on the personal account of the authority's officer or employee constitutes a record for purposes of Wisconsin's public records laws.<sup>5</sup>

In the event some portions of the requested records are properly exempt from disclosure, please disclose any reasonably segregable non-exempt portions of the requested records.<sup>6</sup> If it is your position that a document contains non-exempt segments, but that those non-exempt segments are so dispersed throughout the document as to make segregation impossible, please state what portion of the document is non-exempt, and how the material is dispersed throughout the document. If a request is denied in whole, please state specifically that it is not reasonable to segregate portions of the record for release.

Please take appropriate steps to ensure that records responsive to this request are not deleted by the agency before the completion of processing for this request. If records potentially responsive to this request are likely to be located on systems where they are subject to potential deletion, including on a scheduled basis, please take steps to prevent that deletion, including, as appropriate, by instituting a litigation hold on those records.

### **Conclusion**

If you have any questions regarding how to construe this request for records or believe that further discussions regarding search and processing would facilitate a more efficient production of records of interest to American Oversight, please do not hesitate to contact American Oversight to discuss this request. American Oversight welcomes an opportunity to discuss its request with you before you undertake your search or incur search or duplication costs. By working together at the outset, American Oversight and your agency can decrease the likelihood of costly and time-consuming litigation in the future.
