**Re: Public Records Law Request**

Dear Records Custodian:

Pursuant to the Louisiana Public Records Law, La. Rev. Stat. Ann. 44:1 *et seq.*, American Oversight makes the following request for records.

**Requested Records**

American Oversight requests that your office produce the following records within three business days:

All email communications (including emails, email attachments, complete email chains, calendar invitations, and calendar invitation attachments) between (a) any of the officials listed below, and (b) anyone communicating from an email address ending in @supremecourt.gov.

Attorney General's Office Officials:

- i. Attorney General Jeff Landry
- ii. Solicitor General Elizabeth Murrill
- iii. Wilbur Stiles, Chief Deputy
- iv. Communications Director Millard Mule
- v. Sarah Mule, Executive Assistant, or anyone acting as assistant to the Attorney General
- vi. Anyone acting as scheduler for the Attorney General

Please provide all responsive records from May 1, 2021, through the date the search is conducted.

**Fee Waiver Request**

In accordance with La. Rev. Stat. Ann. 44:32(C)(2), American Oversight requests a waiver of fees associated with processing this request for records. A waiver of fees for this request is appropriate, because American Oversight's use of the requested records "will be limited to a public purpose."

This request is made solely for a public purpose. The public has a significant interest in communications Louisiana officials may be having with individuals affiliated with the U.S. Supreme Court, given the recently released draft Supreme Court opinion indicating that *Roe v. Wade* may be struck down, which could lead to significantly reduced access to abortion in Louisiana.<sup>1</sup> Records with the potential to shed light on this matter would contribute significantly to public understanding of operations of the government, including whether and to what extent Louisiana officials are in contact with individuals affiliated with the U.S. Supreme Court. American Oversight is committed to transparency and makes the responses agencies provide to public records requests publicly available, and the public's understanding of the government's activities would be enhanced through American Oversight's analysis and publication of these records.

Furthermore, this request is fundamentally made for non-commercial purposes. As a 501(c)(3) nonprofit, American Oversight does not have a commercial purpose and the release of the information requested is not in American Oversight's financial interest. American Oversight's mission is to promote transparency in government, to educate the public about government activities, and to ensure the accountability of government officials. American Oversight uses the information gathered, and its analysis of it, to educate the public through reports, press releases, or other media. American Oversight also makes materials it gathers available on its public website and promotes their availability on social media platforms, such as Facebook and Twitter.<sup>2</sup>

American Oversight has also demonstrated its commitment to the public disclosure of documents and creation of editorial content through regular substantive analyses posted to its website.<sup>3</sup> Examples reflecting this commitment to the public disclosure of documents and the creation of editorial content include the posting of records and analysis related to the organization's investigations into misconduct and corruption in state governments;<sup>4</sup> posting records and analysis of federal and state governments'

### **Guidance Regarding the Search & Processing of Requested Records**

- Please search all relevant records or systems containing records regarding agency business. Do not exclude records regarding agency business contained in files, email accounts, or devices in the personal custody of your officials, such as personal email accounts or text messages. Public business communications conducted on private email accounts and devices are public records subject to the Public Records Law.<sup>8</sup>
- In the event some portions of the requested records are properly exempt from disclosure, please disclose any reasonably segregable non-exempt portions of the requested records. If a request is denied in whole, please state specifically why it is not reasonable to segregate portions of the record for release.
- Please take appropriate steps to ensure that records responsive to this request are not deleted by the agency before the completion of processing for this request. If records potentially responsive to this request are likely to be located on systems where they are subject to potential deletion, including on a scheduled basis, please take steps to prevent that deletion, including, as appropriate, by instituting a litigation hold on those records.

### **Conclusion**

American Oversight welcomes an opportunity to discuss its request with you before you undertake your search or incur search or duplication costs.
