**Re: Public Records Request**

Dear Public Records Officer:

Pursuant to the Arizona Public Records Law, A.R.S. §§ 39-121 *et seq.*, American Oversight makes the following request for records.

Following the November 2020 election, members of the Trump campaign's legal team and individuals seeking to overturn the election results coordinated with members of the Arizona legislature in an attempt to affect the election's certification.<sup>1</sup> Later, many of these same individuals remained involved in the Arizona Senate's partisan "audit" of Maricopa County's election results.<sup>2</sup>

American Oversight seeks records with the potential to shed light on efforts to alter the results of Arizona's November 2020 election and the subsequent "audit" undertaken by the Arizona Senate. American Oversight does not seek records at issue in ongoing litigation against the Arizona Senate nor records over which the Arizona Senate has asserted a claim of privilege.

**Requested Records**

American Oversight requests that your office promptly produce the following records:

All electronic communications (including emails, email attachments, complete email chains, calendar invitations, text messages, or messages on messaging platforms, such as Slack, GChat or Google Hangouts, Lync, Skype, or

In connection with its request for records, American Oversight provides the following guidance regarding the scope of the records sought and the search and processing of records:
