Re: Public Records Request

Dear Public Official:

Pursuant to the Indiana Access to Public Records Act (APRA), Ind. Code §§ 5-14-3-1 *et seq.*, American Oversight makes the following request for records.

Requested Records

American Oversight requests that your office produce the following records within seven days:

1. All email communications (including emails, email attachments, complete email chains, and calendar invitations) and text messages or messages on messaging platforms (such as Slack, GChat or Google Hangouts, Lync, Skype, Twitter direct messages, Facebook messages, WhatsApp, Signal, Telegram, The Buzz, or Parler) between (a) Governor Eric Holcomb or anyone serving as his chief of staff, scheduler or assistant, and (b) any of the following individuals or entities, regarding abortion policy.
 - a. Marjorie Dannenfelser, including, but not limited to, at mdannenfelser@sbalist.org
 - b. Frank Cannon, including, but not limited to, at fcannon@sbalist.org
 - c. Autumn Christensen, including, but not limited to, at achristensen@sbalist.org
 - d. Marilyn Musgrave, including, but not limited to, at mmusgrave@sbalist.org
 - e. Mallory Quigley, including, but not limited to, at mquigley@sbalist.org
 - f. Kristie McCrary, including, but not limited to, at kmccrary@sbalist.org
 - g. Anyone communicating on behalf of the Susan B. Anthony List, including, but not limited to, anyone using an email address ending in sbalist.org or sba-list.org

- h. Anyone communicating on behalf of the Charlotte Lozier Institute, including, but not limited to, anyone using an email address ending in lozierinstitute.org
 2. Any handouts, agendas, summaries, or notes provided or produced in connection with any meeting between the Indiana Governor's Office and the individuals or entities listed in part 1 of this request, including, but not limited to: (a) electronic or hard-copy records provided by attendees, participants, or organizers of the meeting, or (b) formal or informal notes, descriptions, or analyses of the event created by the Indiana Governor's Office.

Please note that American Oversight does not seek, and that this request specifically excludes, the initial mailing of news clips or other mass-distribution emails. However, subsequent communications forwarding such emails are responsive to this request. In other words, for example, if one of the listed officials received a mass-distribution news clip email from the Susan B. Anthony List, that initial email would not be responsive to this request. However, if they responded to that email or forwarded that email to another individual with their own commentary, that subsequent message would be responsive to this request and should be produced.

Please provide all responsive records from January 1, 2022, through the date the search is conducted.

Pursuant to Ind. Code § 5-14-3-8(b), American Oversight asks that no fees be charged in connection with searching for or reviewing potentially responsive records. To the extent your office anticipates charging any copying fees for this request in excess of \$100, please notify us prior to incurring such fees.

Guidance Regarding the Search & Processing of Requested Records

In connection with its request for records, American Oversight provides the following guidance regarding the scope of the records sought and the search and processing of records:

- Please search all locations and systems likely to have responsive records, regardless of format, medium, or physical characteristics. For instance, if the request seeks "communications," please search all locations likely to contain communications, including relevant hard-copy files, correspondence files, appropriate locations on hard drives and shared drives, emails, text messages or other direct messaging systems (such as iMessage, WhatsApp, Signal, or Twitter direct messages), voicemail messages, instant messaging systems such as Lync or ICQ, and shared messages systems such as Slack.
- In conducting your search, please understand the terms "record," "document," and "information" in their broadest sense, to include any written, typed, recorded, graphic, printed, or audio material of any kind. We seek records of

any kind, including electronic records, audiotapes, videotapes, and photographs, as well as letters, emails, facsimiles, telephone messages, voice mail messages and transcripts, notes, or minutes of any meetings, telephone conversations or discussions.

- Our request for records includes any attachments to those records or other materials enclosed with those records when they were previously transmitted. To the extent that an email is responsive to our request, our request includes all prior messages sent or received in that email chain, as well as any attachments to the email.
- Please search all relevant records or systems containing records regarding agency business. Do not exclude records regarding agency business contained in files, email accounts, or devices in the personal custody of your officials, such as personal email accounts or text messages.
- In the event some portions of the requested records are properly exempt from disclosure, please disclose any reasonably segregable non-exempt portions of the requested records.¹ If a request is denied in whole, please state specifically why it is not reasonable to segregate portions of the record for release.
- Please take appropriate steps to ensure that records responsive to this request are not deleted by the agency before the completion of processing for this request. If records potentially responsive to this request are likely to be located on systems where they are subject to potential deletion, including on a scheduled basis, please take steps to prevent that deletion, including, as appropriate, by instituting a litigation hold on those records.

If you have any questions regarding how to construe this request for records or believe that further discussions regarding search and processing would facilitate a more efficient production of records of interest to American Oversight, please do not hesitate to contact American Oversight to discuss this request. American Oversight welcomes an opportunity to discuss its request with you before you undertake your search or incur search or duplication costs. By working together at the outset, American Oversight and your agency can decrease the likelihood of costly and time-consuming litigation in the future.

Where possible, please provide responsive material in an electronic format by email. Alternatively, please provide responsive material in native format or in PDF format on a USB drive. Please send any responsive material being sent by mail to American Oversight, 1030 15th Street NW, Suite B255, Washington, DC 20005. If it will accelerate release of responsive records to American Oversight, please also provide responsive material on a rolling basis.

¹ Ind. Code § 5-14-3-6(a).
