**Re: Freedom of Information Act Request**

Dear FOIA Officer:

Pursuant to the Connecticut Freedom of Information Act, Conn. Gen. Stat. § 1-200 *et seq.*, American Oversight makes the following request for records.

**Requested Records**

American Oversight requests that your office produce the following records within four business days:

All email communications (including emails, complete email chains, email attachments, calendar invitations, and calendar invitation attachments), text messages (including complete text message threads or conversations), and messages on messaging platforms (such as Slack, GChat, Google Hangouts, Lync, Skype, or WhatsApp) between (a) State Senator Robert Sampson or his aide Nolan Davis and (b) any of the external individuals or entities listed below (including, but not limited to, at the listed email addresses or domains):

**External individuals:**

- i. Arizona State Senator Wendy Rogers ([wrogers@azleg.gov](mailto:wrogers@azleg.gov), [wendyjrogers@gmail.com](mailto:wendyjrogers@gmail.com), or [@wendyrogers.org](http://@wendyrogers.org)) or her aide Melissa Myers ([mmeyers@azleg.gov](mailto:mmeyers@azleg.gov))
- ii. Virginia State Senator Amanda Chase or her aides Deborah Gwynn and Heather Pyles ([district11@senate.virginia.gov](mailto:district11@senate.virginia.gov) or [@chaseforva.com](http://@chaseforva.com))

Please provide all responsive records from January 11, 2021, through the date the search is conducted.

**Fee Waiver Request**

In accordance with Conn. Gen. Stat. § 1-212(d)(3), American Oversight requests a waiver of fees associated with processing this request for records. Disclosure of the requested records will benefit the general welfare because it will likely contribute to a better understanding of relevant government procedures by the general public in a

significant way. In addition, the request is primarily and fundamentally for non-commercial purposes.

American Oversight requests a waiver of fees because disclosure of the requested information will “benefit[] the general welfare.”<sup>1</sup> The public has a significant interest in the actions of Senator Sampson regarding the 2020 presidential election. Records with the potential to shed light on this matter would contribute significantly to public understanding of operations of the government, including whether and to what extent Senator Sampson was involved in an open letter requesting a nationwide audit of the 2020 presidential election, and whether he communicated with other signatories or legislators involved in other matters concerning the election.<sup>2</sup> American Oversight is committed to transparency and makes the responses agencies provide to FOIA requests publicly available, and the public’s understanding of the government’s activities would be enhanced through American Oversight’s analysis and publication of these records.

Furthermore, this request is intended to benefit the general public welfare and is not made for commercial purposes. As a 501(c)(3) nonprofit, American Oversight does not have a commercial purpose and the release of the information requested is not in American Oversight’s financial interest. Rather, American Oversight benefits the general welfare through its mission to promote transparency in government, to educate the public about government activities, and to ensure the accountability of government officials. American Oversight uses the information gathered, and its analysis of it, to educate the public through reports, press releases, or other media. American Oversight also makes materials it gathers available on its public website and promotes their availability on social media platforms, such as Facebook and Twitter.<sup>3</sup>

American Oversight has also demonstrated its commitment to informing and educating the public through public disclosure of documents and creation of editorial content through regular substantive analyses posted to its website.<sup>4</sup> Examples reflecting this commitment to the public disclosure of documents and the creation of editorial content include the posting of records and analysis related to the organization’s investigations into misconduct and corruption in state governments;<sup>5</sup> posting records and analysis of

prior messages sent or received in that email chain, as well as any attachments to the email.

- Please search all relevant records or systems containing records regarding agency business. Do not exclude records regarding agency business contained in files, email accounts, or devices in the personal custody of your officials, such as personal email accounts or text messages.
- In the event some portions of the requested records are properly exempt from disclosure, please disclose any reasonably segregable non-exempt portions of the requested records. If a request is denied in whole, please state specifically why it is not reasonable to segregate portions of the record for release.
- Please take appropriate steps to ensure that records responsive to this request are not deleted by the agency before the completion of processing for this request. If records potentially responsive to this request are likely to be located on systems where they are subject to potential deletion, including on a scheduled basis, please take steps to prevent that deletion, including, as appropriate, by instituting a litigation hold on those records.
