4. ¹ If further identifying information is needed, please see reporting related to the program. Priscilla Alvarez & Eva McKend, *Migrants Bused to DC as Part of Texas Gov. Abbott's Protest Against Biden*, CNN (Apr. 13, 2022, updated 9:42 PM), <https://www.cnn.com/2022/04/13/politics/texas-migrants-arrive-in-dc/index.html>.

 - b. Guidelines for providing essential services, such as food, water, and medical care to people on buses to Washington, D.C.
 - c. Protocols for mitigating the spread of Covid-19 on buses to Washington, D.C., including, but not limited to, social distancing guidelines, procedures for distributing masks and hand sanitizer, or providing Covid-19 testing to program participants
 - d. Any other directives related to the planning, preparation, and execution of the program
5. Any formal or informal complaints received by the Texas Division of Emergency Management related to the program that buses migrants from the southern border to Washington, D.C., including, but not limited to, complaints received from migrants and/or organizations or individuals communicating on their behalf.

American Oversight does not object to the redaction of names, phone numbers, or other personally identifying information contained in any complaint.

Please provide all responsive records from March 15, 2022, through the date the search is conducted.

American Oversight seeks all responsive records regardless of format, medium, or physical characteristics. In conducting your search, please understand the term “record” in its broadest sense, to include any written, typed, recorded, graphic, printed, or audio material of any kind. We seek records of any kind, including electronic records, audiotapes, videotapes, and photographs, as well as letters, emails, facsimiles, telephone messages, voice mail messages and transcripts, notes, or minutes of any meetings, telephone conversations or discussions. Our request includes any attachments to these records. **No category of material should be omitted from search, collection, and production.**

In addition, American Oversight insists that your office use the most up-to-date technologies to search for responsive information and take steps to ensure that the most complete repositories of information are searched. American Oversight is available to work with you to craft appropriate search terms. **However, custodian searches are still required; governmental authorities may not have direct access to files stored in .PST files, outside of network drives, in paper format, or in personal email accounts.**

Please search all records regarding official business. **You may not exclude searches of files or emails in the personal custody of your officials, such as personal email accounts.** Emails conducting government business sent or received on the personal

account of a governmental authority's officer or employee constitutes a record for purposes of the Texas Public Information Act.²

In the event some portions of the requested records are properly exempt from disclosure, please disclose any reasonably segregable non-exempt portions of the requested records. If it is your position that a document contains non-exempt segments, but that those non-exempt segments are so dispersed throughout the document as to make segregation impossible, please state what portion of the document is non-exempt, and how the material is dispersed throughout the document. If a request is denied in whole, please state specifically that it is not reasonable to segregate portions of the record for release.

Please take appropriate steps to ensure that records responsive to this request are not deleted by your office before the completion of processing for this request. If records potentially responsive to this request are likely to be located on systems where they are subject to potential deletion, including on a scheduled basis, please take steps to prevent that deletion, including, as appropriate, by instituting a litigation hold on those records.

To ensure that this request is properly construed, that searches are conducted in an adequate but efficient manner, and that extraneous costs are not incurred, American Oversight welcomes an opportunity to discuss its request with you before you undertake your search or incur search or duplication costs. By working together at the outset, American Oversight and your office can decrease the likelihood of costly and time-consuming litigation in the future.

Where possible, please provide responsive material in electronic format by email or in PDF or TIF format on a USB drive. Please send any responsive material being sent by mail to American Oversight, 1030 15th Street NW, Suite B255, Washington, DC 20005. If it will accelerate release of responsive records to American Oversight, please also provide responsive material on a rolling basis.

Code § 552.267(a), American Oversight requests a waiver of fees associated with processing this request for records, because such a waiver “is in the public interest because providing the copy of the information primarily benefits the general public.” The requested records are directly related to the work of state officials, with the potential to shed light on the Texas state government program that buses migrants from the southern border to Washington, D.C.
