Re: Public Records Law Request

Dear Representative Brandtjen:

Pursuant to Wisconsin's public records law, Wis. Stat. §§ 19.31–19.39, American Oversight makes the following request for copies of records.

On October 21, 2022, Wisconsin Representative Janel Brandtjen released a statement indicating that she had received “credible information from a Wisconsin-based watchdog group” alleging that modems connected to voting equipment had enabled wireless connectivity.¹ Rep. Brandtjen’s statement also stated “[an] immediate post-election forensic examination of these voting machines by independent, cyber experts is also required.”²

American Oversight seeks records with the potential to shed light on Rep. Brandtjen’s statement regarding the security of elections in Wisconsin.

Requested Records

American Oversight requests that Representative Brandtjen produce the following records “as soon as practicable and without delay”:³

However, subsequent communications forwarding such emails are responsive to this request. In other words, for example, if Rep. Brandtjen forwarded that email to another individual with her own commentary, that subsequent message would be responsive to this request and should be produced.

Fee Waiver Request

In accordance with Wis. Stat. § 19.35(3)(e), American Oversight respectfully requests that the records be produced without charge. Providing American Oversight with a waiver of fees is in the “public interest” because American Oversight will, in accordance with its organizational mission, make the records available to the public without charge. These disclosures will likely contribute to a better understanding of relevant government procedures by the general public.

The public has a significant interest in the administration of elections in Wisconsin.⁷ Records with the potential to shed light on this matter would contribute significantly to public understanding of operations of the government, including regarding the substance of allegations repeated by Representative Brandtjen's office regarding the security of voting machines. American Oversight is committed to transparency and makes the responses agencies provide to public records requests publicly available, and the public's understanding of the government's activities would be enhanced through American Oversight's analysis and publication of these records.

American Oversight asks that if its request for a fee waiver is denied in whole or in part, that you contact us prior to incurring any costs.

Please take all appropriate steps to ensure that no such records are deleted by the agency before the completion of processing for this request. By working together at the outset, American Oversight and your agency can decrease the likelihood of costly and time-consuming litigation in the future.
