**Re: West Virginia Freedom of Information Act Request**

Dear Records Custodian:

Pursuant to the West Virginia Freedom of Information Act, W. Va. Code § 29B-1-1 et seq., American Oversight makes the following request for copies of records.

**Requested Records**

American Oversight requests that the Office of the Attorney General produce the following records within five business days:<sup>1</sup>

All records reflecting communications (including emails, email attachments, text messages, messages on messaging platforms (such as Slack, GChat or Google Hangouts, Lync, Skype, or WhatsApp), telephone call logs, calendar invitations, calendar entries, meeting notices, meeting agendas, informational material, draft legislation, talking points, any handwritten or electronic notes taken during any oral communications, summaries of any oral communications, or other materials) between (a) Attorney General Patrick Morrissey, or anyone communicating on his behalf such as a Chief of Staff, assistant, or scheduler and (b) Caroline Wren, including but not limited to communications with the email address [caroline@bluebonnetfundraising.net](mailto:caroline@bluebonnetfundraising.net).<sup>2</sup>

Please provide all responsive records from November 1, 2020, through January 31, 2021.

---

<sup>1</sup> W. Va. Code § 29B-1-3(d) (requiring custodian to furnish requested records “as soon as practicable but within a maximum of five days not including Saturdays, Sundays or legal holidays.”).

<sup>2</sup> Ms. Wren's deposition with the House Select Committee to Investigate the January 6<sup>th</sup> Attack on the U.S. indicated that she had communications with Attorney General Morrissey regarding the 2020 election, and therefore responsive records should at a minimum include these communications. Wren Dep. 28. Dec. 17, 2021, <https://perma.cc/N8S9-BH5C>.

Please notify American Oversight of any anticipated fees or costs in excess of \$100 prior to incurring such costs or fees.

### **Guidance Regarding the Search & Processing of Requested Records**

In connection with its request for records, American Oversight provides the following guidance regarding the scope of the records sought and the search and processing of records:

- Please search all locations and systems likely to have responsive records, regardless of format, medium, or physical characteristics. For instance, if the request seeks “communications,” please search all locations likely to contain communications, including relevant hard-copy files, correspondence files, appropriate locations on hard drives and shared drives, emails, text messages or other direct messaging systems (such as iMessage, WhatsApp, Signal, or Twitter direct messages), voicemail messages, instant messaging systems such as Lync or ICQ, and shared messages systems such as Slack.
- Our request for records includes any attachments to those records or other materials enclosed with those records when they were previously transmitted. To the extent that an email is responsive to our request, our request includes all prior messages sent or received in that email chain, as well as any attachments to the email.
- Please search all relevant records or systems containing records regarding agency business.<sup>3</sup> Do not exclude records regarding agency business contained in files, email accounts, or devices in the personal custody of your officials, such as personal email accounts or text messages.
- In the event some portions of the requested records are properly exempt from disclosure, please disclose any reasonably segregable non-exempt portions of the requested records.<sup>4</sup> If a request is denied in whole, please state specifically whether it is not reasonable to segregate portions of the record for release.
- Please take appropriate steps to ensure that records responsive to this request are not deleted by the agency before the completion of processing for this request. If records potentially responsive to this request are likely to be located on systems where they are subject to potential deletion, including on a scheduled basis, please take steps to prevent that deletion, including, as appropriate, by instituting a litigation hold on those records.

---

<sup>3</sup> See W. Va. Code § 29B-1-2(5) (defining a “public record” to include “any writing containing information prepared or received by a public body” that “relates to the conduct of the public’s business.”).

<sup>4</sup> See *Farley v. Worley*, 215 W. Va. 412, 424, 599 S.E.2d 835, 847 (2004) (holding that a public body must redact or segregate exempt from non-exempt information contained within a responsive record, absent a written justification explaining that such segregation or redaction would impose an unreasonably high burden or expense).

If you have any questions regarding how to construe this request for records or believe that further discussions regarding search and processing would facilitate a more efficient production of records of interest to American Oversight, please do not hesitate to contact American Oversight to discuss this request. American Oversight welcomes an opportunity to discuss its request with you before you undertake your search or incur search or duplication costs. By working together at the outset, American Oversight and your agency can decrease the likelihood of costly and time-consuming litigation in the future.

Where possible, please provide responsive material in an electronic format by email. Alternatively, please provide responsive material in native format or in PDF format on a USB drive. Please send any responsive material being sent by mail to American Oversight, 1030 15th Street NW, Suite B255, Washington, DC 20005. If it will accelerate release of responsive records to American Oversight, please also provide responsive material on a rolling basis.
