Re: Freedom of Information Act Request

Dear FOIA Officer:

Pursuant to the Freedom of Information Act (FOIA), 5 U.S.C. § 552, and the implementing regulations of the Department of Homeland Security (DHS), American Oversight makes the following request for records.

Requested Records

American Oversight requests that Customs and Border Protection (CBP) produce the following records within twenty business days:

1. All email communications (including emails, email attachments, complete email chains, calendar invitations, and calendar invitation attachments) between (a) former Border Patrol Agent Mike Banks, and (b) any of the external entities or individuals listed below or anyone communicating on behalf of any of the entities listed below (including, but not limited to, at the listed email addresses and/or domains).

External Entities/Individuals:

- a. Any email address ending in texas.gov
- b. Federation for American Immigration Reform (fairus.org)
- c. Immigration Reform Law Institute or Attorneys United for a Secure America (irli.org)
- d. Center for Immigration Studies (cis.org)
- e. NumbersUSA (numbersusa.com)
- f. The Remembrance Project (theremembranceproject.org)
- g. Center for Renewing America or Citizens for Renewing America (americarenewing.com or citizensrenewingamerica.com)
- h. Conservative Partnership Institute (conservativepartnership.org)
- i. Kris Kobach (kkobach@gmail.com, kris@kriskobach.com, or kris.kobach@ag.ks.gov)
- j. Alliance for Free Citizens (allianceforfreecitizens.org)
- k. Former Acting Department of Homeland Security (DHS) Secretary Chad Wolf

- l. America First Policy Institute (americafirstpolicy.com)
- m. Stephen Miller, Gene Hamilton, Russ Vought, or anyone from America First Legal (aflegal.org)
- n. Former Deputy DHS Secretary Ken Cuccinelli (kctc21968@gmail.com)
- o. Former Acting Commissioner of U.S. Customs and Border Protection (CBP) Mark Morgan
- p. National Border Patrol Council President Brandon Judd

Please note that American Oversight does not seek, and that this request specifically excludes, the initial mailing of news clips or other mass-distribution emails. However, subsequent communications forwarding such emails are responsive to this request. In other words, for example, if Mike Banks received a mass-distribution news clip email from the Federation for American Immigration Reform, that initial email would not be responsive to this request. However, if Banks forwarded that email to another individual with his own commentary, that subsequent message would be responsive to this request and should be produced.

For item 1 of this request, please provide all responsive records from January 1, 2022, through January 20, 2023.

2. All email communications (including emails, email attachments, complete email chains, calendar invitations, and calendar invitation attachments) sent by former Border Patrol Agent Mike Banks to any email address ending in .com, .co, .us, .net, .org, .mail, .edu, .law, protonmail.ch, or pm.me.

In an effort to accommodate your office and reduce the number of potentially responsive records to be processed and produced, American Oversight has limited item 2 of this request to emails sent by former Border Patrol Agent Mike Banks. To be clear, however, American Oversight still requests that complete email chains be produced, displaying both sent and received messages.

For item 2 of this request, please provide all responsive records from January 9, 2023, through January 20, 2023.

Fee Waiver Request

In accordance with 5 U.S.C. § 552(a)(4)(A)(iii) and your agency's regulations, American Oversight requests a waiver of fees associated with processing this request for records. The subject of this request concerns the operations of the federal government, and the disclosures will likely contribute to a better understanding of relevant government procedures by the general public in a significant way. Moreover, the request is primarily and fundamentally for non-commercial purposes.

American Oversight requests a waiver of fees because disclosure of the requested information is "in the public interest because it is likely to contribute significantly to

public understanding of operations or activities of the government.”¹ The public has a significant interest in communications former Border Patrol Agent Mike Banks may have exchanged before leaving federal employment. Records with the potential to shed light on this matter would contribute significantly to public understanding of operations of the federal government, including whether or to what extent a former Border Patrol agent communicated with external entities with an interest in immigration policy.² American Oversight is committed to transparency and makes the responses agencies provide to FOIA requests publicly available, and the public’s understanding of the government’s activities would be enhanced through American Oversight’s analysis and publication of these records.

This request is primarily and fundamentally for non-commercial purposes.³ As a 501(c)(3) nonprofit, American Oversight does not have a commercial purpose and the release of the information requested is not in American Oversight’s financial interest. American Oversight’s mission is to promote transparency in government, to educate the public about government activities, and to ensure the accountability of government officials. American Oversight uses the information gathered, and its analysis of it, to educate the public through reports, press releases, or other media. American Oversight also makes materials it gathers available on its public website and promotes their availability on social media platforms, such as Facebook and Twitter.⁴

American Oversight has also demonstrated its commitment to the public disclosure of documents and creation of editorial content through regular substantive analyses posted to its website.⁵ Examples reflecting this commitment to the public disclosure of documents and the creation of editorial content include the posting of records related to the Trump Administration’s contacts with Ukraine and analyses of those contacts;⁶ posting records and editorial content about the federal government’s response to the Coronavirus pandemic;⁷ posting records received as part of American Oversight’s

Accordingly, American Oversight qualifies for a fee waiver.

Guidance Regarding the Search & Processing of Requested Records

In connection with its request for records, American Oversight provides the following guidance regarding the scope of the records sought and the search and processing of records:

- Please search all locations and systems likely to have responsive records, regardless of format, medium, or physical characteristics.
- Our request for records includes any attachments to those records or other materials enclosed with those records when they were previously transmitted. To the extent that an email is responsive to our request, our request includes all prior messages sent or received in that email chain, as well as any attachments to the email.
- Please search all relevant records or systems containing records regarding agency business. Do not exclude records regarding agency business contained in files, email accounts, or devices in the personal custody of your officials, such as personal email accounts or text messages. Records of official business conducted using unofficial systems or stored outside of official files are subject to the

Federal Records Act and FOIA.¹¹ It is not adequate to rely on policies and procedures that require officials to move such information to official systems within a certain period of time; American Oversight has a right to records contained in those files even if material has not yet been moved to official systems or if officials have, by intent or through negligence, failed to meet their obligations.¹²

- Please use all tools available to your agency to conduct a complete and efficient search for potentially responsive records. Agencies are subject to government-wide requirements to manage agency information electronically,¹³ and many agencies have adopted the National Archives and Records Administration (NARA) Capstone program, or similar policies. These systems provide options for searching emails and other electronic records in a manner that is reasonably likely to be more complete than just searching individual custodian files. For example, a custodian may have deleted a responsive email from his or her email program, but your agency's archiving tools may capture that email under Capstone. At the same time, custodian searches are still necessary; agencies may not have direct access to files stored in .PST files, outside of network drives, in paper format, or in personal email accounts.
- In the event some portions of the requested records are properly exempt from disclosure, please disclose any reasonably segregable non-exempt portions of the requested records. If a request is denied in whole, please state specifically why it is not reasonable to segregate portions of the record for release.
- Please take appropriate steps to ensure that records responsive to this request are not deleted by the agency before the completion of processing for this request. If records potentially responsive to this request are likely to be located on systems where they are subject to potential deletion, including on a scheduled basis, please take steps to prevent that deletion, including, as appropriate, by instituting a litigation hold on those records.
